Preface

This Cumulative Supplement to Volume 20 contains the general laws of a permanent nature enacted by the General Assembly through the 1996 Second Extra Session, which are within the scope of such volume, and brings to date the annotations included therein.

Amendments are inserted under the same section numbers appearing in the General Statutes, and new laws appear under the proper chapter headings.

Chapter analysis show all affected sections, except sections for which catchlines are carried for the purposes of notes only. An index to all statutes codified herein will appear in the Replacement Index Volumes.

A majority of the Session Laws are made effective upon ratification, but a few provide for stated effective dates. If the Session Law makes no provision for an effective date, the law becomes effective under G.S. 120-20 "from and after 30 days after the adjournment of the session" in which passed.

Beginning with the opinions issued by the North Carolina Attorney General on July 1, 1969, any opinion which construes a specific statute is cited as an annotation to that statute. For a copy of an opinion or of its headnotes write the Attorney General, P.O. Box 629, Raleigh, N.C. 27602.

The members of the North Carolina Bar are requested to communicate any defects they may find in the General Statutes or in this Cumulative Supplement and any suggestions they may have for improving the General Statutes, to the Department of Justice of the State of North Carolina, or to Michie, Law Publishers, Charlottesville, Virginia.

SUBCHAPTER I. UNALLOCATED STATE LANDS.

ARTICLE 1.

General Provisions.

§ 146-1. Intent of Subchapter.

(a) It is the purpose and intent of this Subchapter to vest in the Department of Administration, subject to rules and regulations adopted by the Governor and approved by the Council of State as hereinafter provided, responsibility for the management, control and disposition of all vacant and unappropriated lands, swamplands, lands acquired by the State by virtue of being sold for taxes, and submerged lands, title to which is vested in the State or in any State agency, to be exercised subject to the provisions of this Subchapter.

(b) Further, it is the intent of this Subchapter to establish within the Department, a method for obtaining easements for State-owned lands covered by navigable waters that includes compensation, recognizes the common law rights of riparian or littoral property owners, and balances those rights with the State's obligation to protect public trust rights for all of its citizens. The North Carolina General Assembly finds that the State is unable to provide the necessary access for its citizens to exercise public trust rights and, therefore, recognizes the role that publicly and privately owned piers, docks, wharves, marinas, and other structures located in or over State-owned lands covered by navigable waters generally serve in furthering public trust purposes including:

(1) Providing citizens with access and ability to exercise public trust boating, fishing, and swimming activities;
(2) Enhancing the value of appurtenant upland property values with the resulting increased collection of ad valorem taxes;
(3) Enhancing tourism which is essential to the economy of the State and, in particular, to the coastal counties; and
(4) Increasing local participation in boating and fishing activities with the resulting increase in taxes paid for fuel, fishing tackle, boat equipment, and imported boats and motors which taxes contribute to the sound economy of the State, and some of which are paid into the federal Wallop-Breaux Fund for redistribution to the State for water resource enhancements and water access improvements.

(c) Nothing in this Subchapter shall apply to a privately owned lake or any hydroelectric reservoir licensed by the Federal Energy Regulatory Commission.

(d) Nothing in this Subchapter shall be construed to limit or expand the full exercise of common law riparian or littoral rights. (1959, c. 683, s. 1; 1995, c. 529, s. 1.)

Editor's Note. — Session Laws 1991 (Reg. Sess., 1992), c. 900, s. 13(a) provides: "Notwithstanding the provisions of Chapter 146 of the General Statutes, the tract of State-owned land known as the Old Health Farm Property, comprised of approximately 260.86 acres located adjacent to East Chatham Street in Cary, Wake County, shall not be exchanged or traded for other land, or interest therein, before July 1, 1993, nor may any contract or option for exchange or trade of such land be entered into before that date."

Session Laws 1991 (Reg. Sess., 1992), c. 1044, s. 13 provides: "Notwithstanding Chapter 146 of the General Statutes, the net proceeds derived from the sale of timber or other land products owned at the Brunswicktown State Historic Site shall be deposited with the State Treasurer in a capital improvement account to the credit of the Department of Cultural Resources. The Department of Cultural Resources shall use these funds to replace the visitor center exhibits installed in 1967 at Brunswicktown, to provide additional site archaeology at Brunswicktown, and to make other improvements at the Brunswicktown State Historic Site. These funds shall remain available until June 30, 1995, and shall not revert until that time."

Session Laws 1995, c. 2, s. 1 provided for the creation of the State-Owned Submerged Lands Advisory Committee, to study and report upon the issue of management of the private use of State-owned submerged lands, reviewing the history of the present use of these lands and considering current use of those lands and the appropriate fee structure, if any, for such use. Session Laws 1995, c. 2, s. 2, prohibited the adoption by the Department of Administration of a permanent schedule of terms and consideration for granting easements in lands covered by navigable waters owned by the State prior to December 1, 1995. The Committee's report and recommendations were implemented by Session Laws 1995, c. 529. Session Laws 1995, c. 529, s. 2 amended G.S. 146-12 and legislatively adopted a fee schedule relating to the purchase of easements.

Session Laws 1995, c. 529, s. 5, provides in part that nothing in this act shall require the adoption of rules to implement the provisions therein, and further provides that authorization established under this act applies only to the Department of Administration and shall not be used by any other agency to administer or regulate activities affecting the public trust.

Effect of Amendments. — The 1995 amendment, effective October 1, 1995, added the subsection (a) designation; and added subsections (b), (c), and (d).

§ 146-6. Title to land raised from navigable water.

Legal Periodicals. — For article, "Coastal Management Law in North Carolina: 1974-1994," see 72 N.C.L. Rev. 1413 (1994).

§ 146-12. Easements in lands covered by water.

(a) The Department of Administration may grant, to adjoining riparian or littoral owners, easements in lands covered by navigable waters or by the waters of any lake owned by the State for such purposes and upon such conditions as it may deem proper, with the approval of the Governor and Council of State. The Department may, with the approval of the Governor and Council of State, revoke any such easement upon the violation by the grantee or his assigns of the conditions upon which it was granted.

Every such easement shall include only the front of the tract owned by the riparian or littoral owner to whom the easement is granted, shall extend no further than the deep water, and shall in no respect obstruct or impair navigation.

When any such easement is granted in front of the lands of any incorporated town, the governing body of the town shall regulate the line on deep water to which wharves may be built.

(b) Easements Not Requiring Approval by the Governor or Council of State. — In accordance with the provisions in subsections (c) through (m) of this section, the Department of Administration shall grant easements to adjoining riparian or littoral owners in State-owned lands covered by navigable waters without the approval of the Governor and the Council of State for:

(1) Existing structures permitted under Article 7 of Chapter 113A or structures existing prior to the effective date of the permitting requirements of Article 7 of Chapter 113A of the General Statutes.

(2) New structures permitted under Article 7 of Chapter 113A of the General Statutes after the effective date of this section.

(c) Voluntary Easement Applications for Existing Structures. — Riparian or littoral property owners of existing structures may voluntarily obtain an easement under subsection (b) of this section in accordance with the procedures set forth in this section. For purposes of this section, the term "existing structures" means all presently existing piers, docks, marinas, wharves, and other structures located over or upon State-owned lands covered by navigable waters. Applications for voluntary easements shall be received by the State Property Office within 36 months of the effective date of this section.

(d) Notification of Availability of Voluntary Easements. — The State Property Office shall provide public notice of the availability of voluntary easements by placing an advertisement in one newspaper of general circulation in each of the coastal counties identified under G.S. 113A-103(2) at least once every six months during the 36-month period. The final notice shall be placed at least 30 days prior to the expiration of the 36-month period.

(e) Mandatory Easement Applications for New Structures. — Riparian or littoral property owners of new structures shall obtain an easement under subsection (b) of this section in accordance with the procedures set forth in this section.

(f) Easement Application. — An application by a riparian or littoral owner of a new or existing structure for an easement under subsection (b) of this section shall include all of the following and shall:

(1) Be made in writing to the State Property Office and include the full name and address of the easement applicant.

(2) Include a plat depicting the footprint and total square footage of all structures located in or over State-owned lands covered by navigable waters. The footprint shall include the total square footage of the area of State-owned lands covered by navigable waters that are enclosed on three or more sides by any structure.

(3) Include a copy of any "CAMA" permit required for structures under Article 7 of Chapter 113A of the General Statutes.

(4) Include a copy of the deed or other instrument through which the applicant establishes ownership of the adjacent riparian or littoral property.

(5) Specify the use or uses associated with the structure to be covered by the easement.

(6) Include the appropriate easement purchase payment.

(g) Easement Terms. — Any easement granted under subsection (b) of this section shall be in a form suitable for recordation and shall be executed by either the Director or Deputy Director of the State Property Office. The State-owned lands covered by navigable waters included within the easement shall be limited to the footprint of the structure. The terms of each easement shall provide that the easement:

(1) Is appurtenant to specifically described, adjacent riparian or littoral property and runs with the land.

(2) Specifies that the holder of the easement shall not exclude or prevent the public from exercising public trust rights, including commercial and recreational fishing, shellfishing, seine netting, pound netting, and other fishing rights.

(3) Specifies that the holder of the easement obtains no additional rights to interfere with the approval, issuance, or renewal of shellfish or water column leases or to interfere with the use or cultivation of existing shellfish leases, water column leases, or shellfish franchises.

(4) Specifies that any rights conveyed to the holder of the easement are not inconsistent with the rights conferred by previous conveyances made by the State for the same property.

(5) Is valid for a term of 50 years from the date of issuance.

(6) Is eligible for one renewal term of 50 years.

(7) Is granted in the public interest for good and valuable consideration received by the State.

(8) Specifies by metes and bounds description or attached plat the footprint of the structure for which the easement is issued.

(9) Describes the uses of the structure for which the easement is being granted, which may include:

a. Providing reasonable access for all vessels traditionally used in the main watercourse area to deep water or, where present, to a specified navigational channel;

b. Mooring vessels at or adjacent to the structure;

c. Enhancing or improving the value of the adjacent riparian or littoral property; and

d. All other reasonable, nonexclusive public trust uses as specified in the easement application, to the extent not otherwise limited by provisions of this Subchapter or any other law.

(10) Specifies that rights granted include the right to repair, rebuild, or restore existing structures consistent with Article 7 of Chapter 113A of the General Statutes.

(11) Specifies that the exercise of any rights under the easement shall be contingent upon obtaining all required permits.

(h) Easement Purchase Payment. — The easement purchase payment for easements issued under subsection (b) of this section shall be computed on the basis of one thousand dollars ($1,000) per acre of footprint coverage prorated in increments of two hundred fifty dollars ($250.00) rounded up to the nearest quarter acre. The minimum payment shall be five hundred dollars ($500.00) if any payment is owed after the riparian credit is applied. In recognition of common law riparian and littoral rights and a declared public policy concern that easements provided under this section be available to all citizens, a credit shall be given against any easement purchase payment in an amount equal to the number of linear feet of shoreline multiplied by a factor of 54 feet. No linear feet of shoreline may be used in computing the credit if that area of shoreline has been the basis of a previous credit. For purposes of determining the linear feet of shoreline owned, an application submitted by a corporation or other entity whose members include riparian or littoral lot owners, which owners have the right to use the structure for which the easement is sought, and whose lots are restricted from construction thereon of other structures for similar use, shall be considered an application whose easement purchase payment shall be determined by using the entirety of such use restricted shoreline for purposes of determining the applicable riparian credit. Shoreline utilization shall be considered "use restricted" if riparian or littoral structures are prohibited by either permit condition or by restrictive covenant or similar, enforceable private restriction.

(i) Easement Issuance. — Within 75 days of receipt of a completed application under subsection (f) of this section, the Director or

Deputy Director of the State Property Office shall issue the requested easement in a form sufficient for recording in the register of deeds of the county or counties in which any part of the structure is located. The act of easement issuance under subsection (b) of this section shall be exempt from the provisions in Chapter 150B of the General Statutes. Failure to issue the requested easement within 75 days of receipt of a completed application and any applicable easement purchase payments shall be treated as issuance of the requested easement and shall entitle the applicant to execution and issuance of the easement.

(j) Easement Renewal. — Upon written request from the current easement holder, easements shall be renewed for one additional term of 50 years. Renewal easements shall be subject to the terms, conditions, and purchase payments applicable to initial easements at the time of renewal. Written notification of expiring easements shall be provided by the State Property Office at least 180 days prior to expiration of the initial easement term. Letter applications for renewal easements shall be submitted within 180 days of the notice of expiration by the State Property Office.

(k) Easement Modification. — Any expansion of the footprint of an existing structure shall require an easement or modification of any existing easement. The application for a modification of an easement shall be as provided in subsection (f) of this section. The easement purchase payment shall be based only on the footprint of the expansion after applying the riparian credit. The minimum easement purchase payment shall be five hundred dollars ($500.00) if any payment is owed after the riparian credit is applied. Easement holders may voluntarily apply for modification of an easement to correct any material errors or omissions. No easement purchase payment shall be required for the modification of an existing use that does not expand the footprint of the existing structure. No refunds shall be provided for any modification that reduces the footprint.

(*l*) Easement Transfers. — An easement granted under subsection (b) of this section shall be transferred to a subsequent owner of the adjacent riparian or littoral property upon written notification to the State Property Office. The notification shall be given within 12 months of the transfer of title to the adjacent riparian or littoral property and shall be accompanied by the instrument of transfer and an easement purchase payment as follows:

(1) During the first 25 years of the easement term, the easement purchase payment shall be the same as the initial payment; and

(2) During the second 25 years of the easement term, the easement purchase payment shall be twice the amount of the initial payment.

(m) Easement Revocation. — Easements issued under subsection (b) of this section may be revoked in accordance with the provisions of G.S. 146-12(a). Any revocation shall entitle the easement holder to seek administrative review in accordance with the provisions of Article 3 of Chapter 150B of the General Statutes.

(n) Exemptions. — The following types of structures shall not require an easement under this section:

(1) Piers, docks, or similar structures for the exclusive use of the owner or occupant of the adjacent riparian or littoral property, which generate no revenue directly related to the

structure and which accommodate no more than ten vessels;

(2) Structures constructed by any public utility that provide or assist in the provision of utility service;

(3) Structures constructed or owned by the State of North Carolina, or any political subdivision, agency, or department of the State, for the duration that the structures are owned by the entity; or

(4) Structures on submerged lands or lands covered by navigable waters not owned by or for the benefit of the public that have been created by dredging or excavating lands. (1854-5, c. 21; R.C., c. 42, s. 1; Code, s. 2751; 1889, c. 555; 1891, c. 532; 1893, cc. 4, 17, 349; 1901, c. 364; Rev., s. 1696; C.S., s. 7543; G.S., s. 146-6; 1959, c. 683, s. 1; 1995, c. 529, s. 2.)

Cross References. — For note relating to the State-Owned Submerged Lands Advisory Committee, see editor's notes to § 146-1.

Editor's Note. — Session Laws 1995, c. 529, s. 5, provides in part that nothing in this act shall require the adoption of rules to implement the provisions therein, and further provides that authorization established under this act applies only to the Department of Administration and shall not be used by any other agency to administer or regulate activities affecting the public trust.

Effect of Amendments. — The 1995 amendment, effective October 1, 1995, added the subsection (a) designation; inserted "or littoral" following "riparian" in the first sentence of subsection (a) and in the second paragraph of subsection (a); and added subsections (b) through (n).

CASE NOTES

Easement Required. — The Department of Administration was required to grant an easement for the construction of a commercial marina by a private developer over public trust waters pursuant to this section (1991) and N.C. Admin. Code tit. 1, r. 6B.0605 (June 1987). Walker v. North Carolina Dep't of Env't, Health & Natural Resources, 111 N.C. App. 851, 433 S.E.2d 767 (1993).

Easement Not Required. — This section does not require an easement prior to the issuance of a Coastal Area Management Act permit, when a riparian owner constructs piers and docks to gain excess to navigable waters. Rusher v. Tomlinson, 119 N.C. App. 458, 459 S.E.2d 285 (1995), aff'd, 343 N.C. 119, 468 S.E.2d 57 (1996).

§ 146-13. Erection of piers on State lakes restricted.

No person, firm, or corporation shall erect upon the floor of, or in or upon, the waters of any State lake, any dock, pier, pavilion, boathouse, bathhouse, or other structure, without first having secured a permit to do so from the Department of Administration, or from the agency designated by the Department to issue such permits. Each permit shall set forth in required detail the size, cost, and nature of such structure; and any person, firm, or corporation erecting any such structure without a proper permit or not in accordance with the specifications of such permit shall be guilty of a Class 3 misdemeanor. The State may immediately proceed to remove such unlawful structure through due process of law, or may abate or remove the same as a nuisance after five days' notice. (1933, c. 516, s. 3; G.S., s. 146-10; 1959, c. 683, s. 1; 1993, c. 539, s. 1051; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1993, c. 539, s. 1051, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

§ 146-14.1. Natural Resources Easement Fund.

The Natural Resources Easement Fund is established as a nonreverting fund within the Department of Administration. All easement purchase payment monies collected by the Secretary shall be deposited in the Fund. The Fund may be used for direct costs of administering the program. Fifty percent (50%) of the net proceeds in the Fund shall be transferred annually to the Marine Fisheries Commission, and fifty percent (50%) of the net proceeds in the Fund shall be transferred annually to the Wildlife Resources Commission, to be used by both Commissions for the sole purpose of enhancing public trust resources and increasing the public's access to and use of public trust resources, including, but not limited to, meeting the State's cost share obligations for federal Wallop-Breaux Fund projects, enhancing water resources and expanding the number of public boat ramps and other means of public waters access within the counties designated under G.S. 113A-103(2), and other public trust access purposes. (1995, c. 529, s. 3.)

Editor's Note. — Session Laws 1995, c. 529, s. 5, made this section effective October 1, 1995.

Session Laws 1995, c. 529, s. 5, provides in part that nothing in this act shall require the adoption of rules to implement the provisions therein, and further provides that authorization established under this act applies only to the Department of Administration and shall not be used by any other agency to administer or regulate activities affecting the public trust.

§ 146-15. Definition of net proceeds.

For the purposes of this Subchapter, the term "net proceeds" means the gross amount received from the sale, lease, rental, or other disposition of any State lands, less

(1) Such expenses incurred incident to that sale, lease, rental, or other disposition as may be allowed under rules and regulations adopted by the Governor and approved by the Council of State; and

(2) Repealed by Session Laws 1993, c. 553, s. 52, effective July 24, 1993.

(3) A service charge to be paid into the State Land Fund.

The amount or rate of such service charge shall be fixed by rules and regulations adopted by the Governor and approved by the Council of State, but as to any particular sale, lease, rental, or other disposition, it shall not exceed ten percent (10%) of the gross amount received from such sale, lease, rental, or other disposition. Notwithstanding any other provision of this Subchapter, no service charge shall be paid into the State Land Fund from proceeds derived from the sale of land or products of land owned or held for the use of the Wildlife Resources Commission, or purchased or acquired with funds of the Wildlife Resources Commission. (1959, c. 683, s. 1; 1993, c. 553, s. 52.)

ARTICLE 4.

Miscellaneous Provisions.

§ 146-20.1. Conveyance of certain marshlands validated; public trust rights reserved.

CASE NOTES

Navigable Waters. — If a body of water in its natural condition can be navigated by watercraft, it is navigable in fact and, therefore, navigable in law, even if it has not been used for such purpose. Lands lying beneath such waters that are navigable in law are the subject of the public trust doctrine. Gwathmey v. State ex rel. Dep't of Env't, Health & Natural Resources, 342 N.C. 287, 464 S.E.2d 674 (1995).

Marshlands Covered by Navigable Waters. — The General Assembly did not convey the marshlands covered by navigable waters to the State Board of Education (SBE) free of any applicable public trust rights and, therefore, the SBE could not convey such lands to the plaintiffs' predecessors in title free of such public trust rights; thus, to the extent the marshlands at issue were covered by navigable waters, the people of North Carolina retained their full public trust rights. Gwathmey v. State ex rel. Dep't of Env't, Health & Natural Resources, 342 N.C. 287, 464 S.E.2d 674 (1995).

Marshlands Not Covered by Navigable Waters Free of Public Trust Rights. — To apply this section to impose public trust rights on any parts of plaintiffs' marshlands not covered by navigable waters and which therefore are free of public trusts rights would be contrary to § 146-83. Gwathmey v. State ex rel. Dep't of Env't, Health & Natural Resources, 342 N.C. 287, 464 S.E.2d 674 (1995).

SUBCHAPTER II. ALLOCATED STATE LANDS.

ARTICLE 6.

Acquisitions.

§ 146-22.2. Appraisal of property to be acquired by State.

(a) Where an appraisal of real estate or an interest in real estate is required by law to be made before acquisition of the property by the State or an agency of the State, the appraisal shall be made by a real estate appraiser licensed or certified by the State under Article 5 of Chapter 93A of the General Statutes.

In the case of a private, nonprofit corporation, association, organization, or society that engages in some for-profit activities, the amount of the sale, lease, or rent shall be not less than the fair market value of the property times the percentage of the total activities of the corporation, association, organization, or society that are for profit.

Sess., 1992), c. 900, s. 26 provides: "The Department of Administration may enter into leases with the North Carolina Aquarium Society, a nonprofit corporation whose sole purpose is to assist financially the three State supported aquariums. § 146-30. Application of net proceeds.

(a) The net proceeds of any disposition made in accordance with this Subchapter shall be handled in accordance with the following priority: First, in accordance with the provisions of any trust or other instrument of title whereby title to such real property was heretofore acquired or is hereafter acquired; second, as provided by any other act of the General Assembly; third, the net proceeds shall be deposited with the State Treasurer. Provided, however, nothing herein shall be construed as prohibiting the disposition of any State lands by exchange for other lands, but if the appraised value in fee simple of any property involved in the exchange is at least twenty-five thousand dollars ($25,000), then such exchange may not be made without consultation with the Joint Legislative Commission on Governmental Operations.

(b) For the purposes of this Subchapter, the term "net proceeds" means the gross amount received from the sale, lease, rental, or other disposition of any State lands, less

(1) Such expenses incurred incident to that sale, lease, rental, or other disposition as may be allowed under rules and regulations adopted by the Governor and approved by the Council of State; and

(2) Repealed by Session Laws 1993, c. 553, s. 52.2, effective July 24, 1993.

(3) A service charge to be paid into the State Land Fund.

(c) The amount or rate of such service charge shall be fixed by rules and regulations adopted by the Governor and approved by the Council of State, but as to any particular sale, lease, rental, or other disposition, it shall not exceed ten percent (10%) of the gross amount received from such sale, lease, rental, or other disposition. Notwithstanding any other provision of this Subchapter, the net proceeds derived from the sale of land or products of land owned by or under the supervision and control of the Wildlife Resources Commission, or acquired or purchased with funds of that Commission, shall be paid into the Wildlife Resources Fund. Treasurer in a capital improvement account to the credit of the Department of Administration to be used for the purpose of park land acquisition as provided by transfer of funds from those accounts in the Capital Improvement Appropriations Act. In the Capital Improvement Appropriations Act, line items for purchase of park and agricultural lands will be established for use by the Departments of Administration and Agriculture. The use of such funds for any specific capital improvement project or land acquisition is subject to approval by the Director of the Budget. No other use may be made of funds in these line items without approval by the General Assembly except for incidental expenses related to the project or land acquisition. Additionally with the approval of the Director of the Budget, either Department may request funds from the Contingency and Emergency Fund when the necessity of prompt purchase of available land can be demonstrated and funds in the capital improvement accounts are insufficient. Provided further, the net proceeds derived from the sale of any portion of the land in or around the unincorporated area known as Butner on or after July 1, 1980, shall be deposited with the State Treasurer in a capital improvement account to the credit of the Hospital to provide water and sewers and to bring those streets in the unincorporated area known as Butner not on the State highway system up to standards adequate for acceptance on the system, according to a plan adopted by the Department of Administration, and the Office of State Budget and Management, with the approval of the Board of County Commissioners of Granville County, to build industrial access roads to industries on the Butner lands, to construct new city streets on the Butner lands, extend water and sewer service on the Butner lands, and repair storm drains on the Butner lands. Session Laws 1996, Second Extra Session, c. 18, s. 29.5, is a severability clause.

Effect of Amendments. — The 1996 Second Extra Session amendment, effective January 1, 1996, in the catchline inserted "reimbursement to counties" and deleted "State not liable for maintenance expenses until convict received"; and rewrote this section.

§ 148-32.1. Local confinement, costs, alternate facilities, parole, work release.

(a) The Department of Correction shall pay each local confinement facility a standard sum set by the General Assembly in its appropriation acts at a per day, per inmate rate, for the cost of providing food, clothing, personal items, supervision and necessary ordinary medical services to those inmates committed to the custody of the local confinement facility to serve sentences of 30 days or more. This reimbursement shall not include any period of detention prior to actual commitment by the sentencing court. The Department shall also pay to the local confinement facility extraordinary medical expenses incurred for the inmates, defined as follows:

(1) Medical expenses incurred as a result of providing health care to an inmate as an inpatient (hospitalized);

(2) Other medical expenses when the total cost exceeds thirty-five dollars ($35.00) per occurrence or illness as a result of providing health care to an inmate as an outpatient (nonhospitalized); and

(3) Cost of replacement of eyeglasses and dental prosthetic devices if those eyeglasses or devices are broken while the inmate is incarcerated, provided the inmate was using the eyeglasses or devices at the time of his commitment and then only if prior written consent of the Department is obtained by the local facility.

(b) In the event that the custodian of the local confinement facility certifies in writing to the clerk of the superior court in the county in which said local confinement facility is located that the local confinement facility is filled to capacity, or that the facility cannot reasonably accommodate any more prisoners due to segregation requirements for particular prisoners, or that the custodian anticipates, in light of local experiences, an influx of temporary prisoners at that time, or if the local confinement facility does not meet the minimum standards published pursuant to G.S. 153A-221, any judge of the district court in the district court district as defined in G.S. 7A-133 where the facility is located, or any superior court judge who has jurisdiction pursuant to G.S. 7A-47.1 or [G.S.] 7A-48 in a district or set of districts as defined in G.S. 7A-41.1 where the facility is located may order that the prisoner be transferred to any other qualified local confinement facility within that district or within another such district where space is available, including a satellite jail unit operated pursuant to G.S. 153A-230.3 if the prisoner is a non-violent misdemeanant, which local facility shall accept the transferred prisoner, if the prison population has exceeded a manageable level as provided for in G.S. 148-4.1(a). If no such local confinement facility is available, then any such judge may order the prisoner transferred to such camp or facility as the proper authorities of the Department of Correction shall designate, notwithstanding that the term of imprisonment of the prisoner is 90 days or less. In no event, however, shall a prisoner whose term of imprisonment is less than 30 days be assigned or ordered transferred to any such camp or facility.

(c) When a prisoner sentenced for a conviction of impaired driving under G.S. 20-138.1 is assigned to a local confinement facility pursuant to this section, the clerk of the superior court in the county in which the sentence was imposed shall immediately forward a copy of the commitment order to the Post-Release Supervision and Parole Commission so that the prisoner will be eligible for parole pursuant to G.S. 15A-1371.

(d) When a prisoner serving a sentence of 30 days or more in a local confinement facility is placed on work release pursuant to a recommendation of the sentencing court, the custodian of the facility shall forward the prisoner's work-release earnings to the Department of Correction, which shall disburse the earnings as determined under G.S. 148-33.1(f). When a prisoner serving a sentence of 30 days or more in a local confinement facility is placed on work release pursuant to an order of the sentencing court, the custodian of the facility shall forward the prisoner's work-release earnings to the clerk of the court that sentenced the prisoner or to the Department of Correction, as provided in the prisoner's commitment order. The clerk or the Department, as appropriate, shall disburse the earnings as provided in the prisoner's commitment order. Upon agreement between the Department of Correction and the custodian of the local confinement facility, however, the clerk may disburse to the local confinement facility the amount of the earnings to be paid for the cost of the prisoner's keep, and that amount shall be set off against the reimbursement to be paid by the Department to the local confinement facility pursuant to G.S. 148-32.1(a).

(e) Upon entry of a prisoner serving a sentence of imprisonment for impaired driving under G.S. 20-138.1 into a local confinement facility pursuant to this section, the custodian of the local confinement facility shall forward to the Post-Release Supervision and Parole Commission information pertaining to the prisoner so as to make him eligible for parole consideration pursuant to G.S. 15A-1371. Such information shall include date of incarceration, jail credit, and such other information as may be required by the Post-Release Supervision and Parole Commission. The Post-Release Supervision and Parole Commission shall approve a form upon which the custodian shall furnish this information, which form will be provided to the custodian by the Department of Correction. Effect of Amendments. — The 1995 amendment, effective January 1, 1996, substituted "a manageable level as provided for in G.S. 148-4.1(a)" for "the limits established in G.S. 148-4.1(d)" at the end of the first sentence in subsection (b).

§ 148-33.2. Restitution by prisoners with work-release privileges.

CASE NOTES

And Court's Order or Recommendation for Restitution, etc. — In accord with first paragraph in main volume. See State v. Wilson, 340 N.C. 720, 459 S.E.2d 192 (1995).

Court Not Required to Consider Ability to Pay. — Trial court did not err in failing to consider defendant's ability to pay restitution, as the potentially binding determination at a later date requiring defendant to pay restitution as a condition of work release or parole by either the Department of Correction or the Parole Commission would by necessity require sufficient evidence of defendant's ability to pay at that time. State v. Wilson, 340 N.C. 720, 459 S.E.2d 192 (1995).

§ 148-37. Additional facilities authorized; contractual arrangements.

(a) Subject to the provisions of G.S. 143-341, the State Department of Correction may establish additional facilities for use by the Department, such facilities to be either of a permanent type of construction or of a temporary or movable type as the Department may find most advantageous to the particular needs, to the end that the prisoners under its supervision may be so distributed throughout the State as to facilitate individualization of treatment designed to prepare them for lawful living in the community where they are most likely to reside after their release from prison. For this purpose, the Department may purchase or lease sites and suitable lands adjacent thereto and erect necessary buildings thereon, or purchase or lease existing facilities, all within the limits of allotments as approved by the Department of Administration.

(b) The Secretary of Correction may contract with the proper official of the United States or of any county or city of this State for the confinement of federal prisoners after they have been sentenced, county, or city prisoners in facilities of the State prison system or for the confinement of State prisoners in any county or any city facility located in North Carolina, or any facility of the United States Bureau of Prisons, when to do so would most economically and effectively promote the purposes served by the Department of Correction. Except as otherwise provided, any contract made under the authority of this subsection shall be for a period of not more than two years, and shall be renewable from time to time for a period not to exceed two years. Contracts made under the authority of this subsection for the confinement of State prisoners in local or district confinement facilities may be for a period of not more than 10 years and renewable from time to time for a period not to exceed 10 years, and shall be subject to the approval of the Council of State and the Department of Administration after consultation with the Joint Legislative Commission on Governmental Operations. Contracts for receiving federal, county and city prisoners shall provide for reimbursing the State in full for all costs involved. The financial provisions shall have the approval of the Department of Administration before the contract is executed. Payments received under such contracts shall be deposited in the State treasury for the use of the State Department of Correction. Such payments are hereby appropriated to the State Department of Correction as a supplementary fund to compensate for the additional care and maintenance of such prisoners as are received under such contracts.

(c) In addition to the authority contained in subsections (a) and (b) of this section, and in addition to the contracts ratified by subsection (f) of this section, the Secretary of Correction may enter into contracts with any public entity or any private nonprofit or for-profit firms for the confinement and care of State prisoners in any out-of-state correctional facility when to do so would most economically and effectively promote the purposes served by the Department of Correction. Contracts entered into under the authority of this subsection shall be for a period not to exceed two years and shall be renewable from time to time for a period not to exceed two years. Prisoners may be sent to out-of-state correctional facilities only when there are no available facilities in this State within the State prison system to appropriately house those prisoners. Any contract made under the authority of this subsection shall be approved by the Department of Administration before the contract is executed. Before expending more than the amount specifically appropriated by the General Assembly for the out-of-state housing of inmates, the Department shall obtain the approval of the Joint Legislative Commission on Governmental Operations and shall report such expenditures to the Chairs of the Senate and House Appropriations Committees, the Chairs of the Senate and House Appropriations Subcommittees on Justice and Public Safety, and the Chairs of the Joint Legislative Corrections Oversight Committee.

(d) Prisoners confined in out-of-state correctional facilities pursuant to subsection (c) of this section shall remain subject to the rules adopted for the conduct of persons committed to the State prison system. The rules regarding good time and gain time, discipline, classification, extension of the limits of confinement, transfers, housing arrangements, and eligibility for parole shall apply to inmates housed in those out-of-state correctional facilities. The operators of those out-of-state correctional facilities may promulgate any other rules as may be necessary for the operation of those facilities with the written approval of the Secretary of Correction. Custodial officials employed by an out-of-state correctional facility are agents of the Secretary of Correction and may use those procedures for use of force authorized by the Secretary of Correction not inconsistent with the laws of the State of situs of the facility to defend themselves, to enforce the observance of discipline in compliance with correctional facility rules, to secure the person of a prisoner, and to prevent escape. Prisoners confined to out-of-state correctional facilities may be required to perform reasonable work assignments within those facilities. Private firms under subsection (c) of this section shall employ inmate disciplinary and grievance policies of the North Carolina Department of Correction.

(e) Repealed by Session Laws 1995, c. 324, s. 19.10, effective June 30, 1995.

(f) Any contracts entered into by the Department of Correction with public contractors prior to March 25, 1994, for the out-of-state housing of inmates are ratified.

(g) The Secretary of Correction may contract with private for-profit or nonprofit firms for the provision and operation of four or more confinement facilities totaling up to 2,000 beds in the State to house State prisoners when to do so would most economically and effectively promote the purposes served by the Department of

Correction. This 2,000-bed limitation shall not apply to the 500 beds in private substance abuse treatment centers authorized by the General Assembly prior to July 1, 1995. Whenever the Department of Correction determines that new prison facilities are required in addition to existing and planned facilities, the Department may contract for any remaining beds authorized by this section before constructing State-operated facilities.

Contracts entered under the authority of this subsection shall be for a period not to exceed 10 years, shall be renewable from time to time for a period not to exceed 10 years. The Secretary of Correction shall enter contracts under this subsection only if funds are appropriated for this purpose by the General Assembly. Contracts entered under the authority of this subsection may be subject to any requirements for the location of the confinement facilities set forth by the General Assembly in appropriating those funds.

Once the Department has made a determination to contract for additional private prison beds, it shall issue a request for proposals within 30 days of the decision. The request for proposals shall require bids to be submitted within two months, and the Department shall award contracts at the earliest practicable date after the submission of bids. The Secretary of Correction, in consultation with the Chairs of the Joint Legislative Corrections Oversight Committee and the Chairs of the House and Senate Appropriations Subcommittees on Justice and Public Safety, shall make recommendations to the State Purchasing Officer on the final award decision. The State Purchasing Officer shall make the final award decision, and the contract shall then be subject to the approval of the Council of State after consultation with the Joint Legislative Commission on Governmental Operations.

Contracts made under the authority of this subsection may provide the State with an option to purchase the confinement facility or may provide for the purchase of the confinement facility by the State. Contracts made under the authority of this subsection shall state that plans and specifications for private confinement facilities shall be furnished to and reviewed by the Office of State Construction. The Office of State Construction shall inspect and review each project during construction to ensure that the project is suitable for habitation and to determine whether the project would be suitable for future acquisition by the State. All contracts for the housing of State prisoners in private confinement facilities shall require a minimum of ten million dollars ($10,000,000) of occurrence-based liability insurance and shall hold the State harmless and provide reimbursement for all liability arising out of actions caused by operations and employees of the private confinement facility.

Prisoners housed in private confinement facilities pursuant to this subsection shall remain subject to the rules adopted for the conduct of persons committed to the State prison system. The Secretary of Correction may review and approve the design and construction of private confinement facilities before housing State prisoners in these facilities. The rules regarding good time, gain time, and earned credits, discipline, classification, extension of the limits of confinement, transfers, housing arrangements, and eligibility for parole shall apply to inmates housed in private confinement facilities pursuant to this subsection. The operators of private confinement facilities may adopt any other rules as may be necessary for the operation of those facilities with the written approval of the Secretary of Correction. Custodial officials employed by a private confinement facility are agents of the Secretary of Correction and may use those procedures for use of force authorized by the Secretary of Correction to defend themselves, to enforce the observance of discipline in compliance with confinement facility rules, to secure the person of a prisoner, and to prevent escape. Private firms under this subsection shall employ inmate disciplinary and grievance policies of the North Carolina Department of Correction.

(h) Private confinement facilities under this section shall be designed, built, and operated in accordance with applicable State laws, court orders, fire safety codes, and local regulations.

(i) The Department of Correction shall make a written report no later than March 1 of every odd-numbered year, beginning in 1997, on the substance of all outstanding contracts for the housing of State prisoners entered into under the authority of this section. The report shall be submitted to the Council of State, the Department of Administration, the Joint Legislative Commission on Governmental Operations, and the Joint Legislative Corrections Oversight Committee. In addition to the report, the Department of Correction shall provide information on contracts for the housing of State prisoners as requested by these groups. CASE NOTES

I. General Consideration.

I. GENERAL CONSIDERATION.

Predicate Offense Under Armed Career Criminal Act. — Felony conviction for escape while serving a sentence imposed upon a conviction of a felony (felony escape from custody), under subdivision (b)(1), qualifies as a predicate conviction under the Federal Armed Career Criminal Act, 18 U.S.C. § 924. United States v. Hairston, 71 F.3d 115 (4th Cir. 1995).

Serious Potential Risk of Physical Injury to Another. — Subdivision (b)(1), "involves conduct that presents a serious potential risk of physical injury to another", as required by the Federal Armed Career Criminal Act, 18 U.S.C. § 924(e)(2)(B)(ii), because an overt escape, especially an overt escape from a maximum security prison, inherently presents such a risk of physical injury. United States v. Hairston, 71 F.3d 115 (4th Cir. 1995).

Rules.

Part 1. General Provisions.

§ 150B-19. Restrictions on what can be adopted as a rule.

(1) Implements or interprets a law unless that law or another law specifically authorizes the agency to do so.
(2) Enlarges the scope of a profession, occupation, or field of endeavor for which an occupational license is required.
(3) Imposes criminal liability or a civil penalty for an act or omission, including the violation of a rule, unless a law specifically authorizes the agency to do so or a law declares that violation of the rule is a criminal offense or is grounds for a civil penalty.
(4) Repeats the content of a law, a rule, or a federal regulation. A brief statement that informs the public of a requirement imposed by law does not violate this subdivision and satisfies the "reasonably necessary" standard of review set in G.S. 150B-21.9(a)(3).
(5) Establishes a fee or other charge for providing a service in fulfillment of a duty unless a law specifically authorizes the agency to do so or the fee or other charge is for one of the following:
    a. A service to a State, federal, or local governmental unit.
    b. A copy of part or all of a State publication or other document, the cost of mailing a document, or both.
    c. A transcript of a public hearing.
    d. A conference, workshop, or course.
    e. Data processing services.
(6) Allows the agency to waive or modify a requirement set in a rule unless a rule establishes specific guidelines the agency must follow in determining whether to waive or modify the requirement. (1973, c. 1331, s. 1; 1985, c. 746, s. 1; 1991, c. 418, s. 1; 1996, 2nd Ex. Sess., c. 18, s. 7.10(a).)

Editor's Note. — Session Laws 1996, Second Extra Session, c. 18, s. 1.1, provides: "This act shall be known as the Current Operations Appropriations Act of 1996."

Session Laws 1996, Second Extra Session, c. 18, s. 29.5, is a severability clause.

Effect of Amendments. — The 1996 Second Extra Session amendment, effective August 3, 1996, added the second sentence of subdivision (4); and deleted "reasonable" preceding "fee" and "charge" in subdivision (5).

§ 150B-20. Petitioning an agency to adopt a rule.

(a) Petition. — A person may petition an agency to adopt a rule by submitting to the agency a written rule-making petition requesting the adoption. A person may submit written comments with a rule-making petition. If a rule-making petition requests the agency to create or amend a rule, the person must submit the proposed text of the requested rule change and a statement of the effect of the requested rule change. Each agency must establish by rule the procedure for submitting a rule-making petition to it and the procedure the agency follows in considering a rule-making petition.

(b) Time. — An agency must grant or deny a rule-making petition submitted to it within 30 days after the date the rule-making petition is submitted, unless the agency is a board or commission. If the agency is a board or commission, it must grant or deny a rule-making petition within 120 days after the date the rule-making petition is submitted.

(c) Action. — If an agency denies a rule-making petition, it must send the person who submitted the petition a written statement of the reasons for denying the petition. If an agency grants a rule-making petition, it must inform the person who submitted the rule-making petition of its decision and must initiate rule-making proceedings. When an agency grants a rule-making petition requesting the creation or amendment of a rule, the notice of rule making it publishes in the North Carolina Register may state that the agency is initiating rule-making proceedings as the result of a rule-making petition, state the name of the person who submitted the rule-making petition, set out the text of the requested rule change submitted with the rule-making petition, and state whether the agency endorses the proposed rule change.

(d) Review. — Denial of a rule-making petition is a final agency decision and is subject to judicial review under Article 4 of this Chapter. Failure of an agency to grant or deny a rule-making petition within the time limits set in subsection (b) is a denial of the rule-making petition.

(e) Repealed by Session Laws 1996, Second Extra Session, c. 18, s. 7.10(b), effective August 3, 1996. (1973, c. 1331, s. 1; 1985, c. 746, s. 1; 1991, c. 418, s. 1; c. 477, s. 2; 1996, 2nd Ex. Sess., c. 18, s. 7.10(b).)

Editor's Note. — Session Laws 1996, Second Extra Session, c. 18, s. 1.1, provides: "This act shall be known as the Current Operations Appropriations Act of 1996."

Session Laws 1996, Second Extra Session, c. 18, s. 29.5, is a severability clause.

Effect of Amendments. — The 1996 Second Extra Session amendment, effective August 3, 1996, repealed subsection (e), which read "Exception — This section does not apply to the Department of Correction."

CASE NOTES

Federal Court Jurisdiction. — Where plaintiff filed a petition for rulemaking requesting that North Carolina Department of Human Resources remove rule from the North Carolina Food Stamp Manual, cease all further application of rule, and adopt proposed rule, and the Secretary of the United States Department of Agriculture moved to intervene, then removed the case to federal district court, pursuant to 28 U.S.C. §§ 1441(b) and 1442(a)(1), the case was remanded to the State Supreme Court because the federal court lacked subject matter jurisdiction. Part 2. Adoption of Rules.

§ 150B-21.1. Procedure for adopting a temporary rule.

(a) Adoption. — An agency may adopt a temporary rule without prior notice or hearing or upon any abbreviated notice or hearing the agency finds practical when it finds that adherence to the notice and hearing requirements of this Part would be contrary to the public interest and that the immediate adoption of the rule is required by one or more of the following:

(1) A serious and unforeseen threat to the public health, safety, or welfare.
(2) The effective date of a recent act of the General Assembly or the United States Congress.
(3) A recent change in federal or State budgetary policy.
(4) A federal regulation.
(5) A court order.
(6) The need for the rule to become effective the same date as the State Medical Facilities Plan approved by the Governor, if the rule addresses a matter included in the State Medical Facilities Plan.

An agency must prepare a written statement of its findings of need for a temporary rule. The statement must be signed by the head of the agency adopting the rule.

(b) Review. — When an agency adopts a temporary rule it must submit the rule and the agency's written statement of its findings of the need for the rule to the Codifier of Rules. Within one business day after an agency submits a temporary rule, the Codifier of Rules must review the agency's written statement of findings of need for the rule to determine whether the statement of need meets the criteria listed in subsection (a). In reviewing the statement, the Codifier of Rules may consider any information submitted by the agency or another person. If the Codifier of Rules finds that the statement meets the criteria, the Codifier of Rules must notify the head of the agency and enter the rule in the North Carolina Administrative Code.

If the Codifier of Rules finds that the statement does not meet the criteria, the Codifier of Rules must immediately notify the head of the agency. The agency may supplement its statement of need with additional findings or submit a new statement. If the agency provides additional findings or submits a new statement, the

Codifier of Rules must review the additional findings or new statement within one business day after the agency submits the additional findings or new statement. If the Codifier of Rules again finds that the statement does not meet the criteria listed in subsection (a), the Codifier of Rules must immediately notify the head of the agency.

If an agency decides not to provide additional findings or submit a new statement when notified by the Codifier of Rules that the agency's findings of need for a rule do not meet the required criteria, the agency must notify the Codifier of Rules of its decision. The Codifier of Rules must then enter the rule in the North Carolina Administrative Code on the sixth business day after receiving notice of the agency's decision.

(c) Standing. — A person aggrieved by a temporary rule adopted by an agency may file an action for declaratory judgment in Wake County Superior Court pursuant to Article 26 of Chapter 1 of the General Statutes. In the action, the court shall determine whether the agency's written statement of findings of need for the rule meets the criteria listed in subsection (a) and whether the rule meets the standards in G.S. 150B-21.9 that apply to review of a permanent rule. The court shall not grant an ex parte temporary restraining order.

Filing a petition for rule making or a request for a declaratory ruling with the agency that adopted the rule is not a prerequisite to filing an action under this subsection. A person who files an action for declaratory judgment under this subsection must serve a copy of the complaint on the agency that adopted the rule being contested, the Codifier of Rules, and the Commission.

(d) Effective Date and Expiration. — A temporary rule becomes effective on the date specified in G.S. 150B-21.3. A temporary rule expires on the earliest of the following dates:

(1) The date specified in the rule.
(2) The effective date of the permanent rule adopted to replace the temporary rule, if the Commission approves the permanent rule.
(3) The date the Commission returns to an agency a permanent rule the agency adopted to replace the temporary rule.
(4) The effective date of an act of the General Assembly that specifically disapproves a permanent rule adopted to replace the temporary rule.
(5) 270 days from the date the temporary rule was published in the North Carolina Register, unless the permanent rule adopted to replace the temporary rule has been submitted to the Commission.

(e) Publication. — When the Codifier of Rules enters a temporary rule in the North Carolina Administrative Code, the Codifier must publish the rule in the North Carolina Register. Publication of a temporary rule in the North Carolina Register serves as a notice of rule-making proceedings for a permanent rule if the permanent rule is substantially the same as the published temporary rule, unless the agency published a notice of rule-making proceedings at least 60 days before it adopted the temporary rule. (1973, c. 1331, s. 1; 1981, c. 688, s. 12; 1981 (Reg. Sess., 1982), c. 1232, s. 1; 1983, c. 857; c. 927, ss. 4, 8; 1985, c. 746, s. 1; 1985 (Reg. Sess., 1986), c. 1022, s. 1(1), 1(8); 1987, c. 285, ss. 10-12; 1991, c. 418, s. 1; 1991 (Reg. Sess., 1992), c. 900, s. 149; 1993, c. 553, s. 54; 1995, c. 507, s. 27.8(c); 1996, 2nd Ex. Sess., c. 18, ss. 7.10(c), (d).)

Editor's Note. —
Session Laws 1996, Second Extra Session, c. 18, s. 7.10(*l*), provides that the amendment by Session Laws 1996, Second Extra Session, c. 18, s. 7.10(c), becomes effective December 1, 1996, and applies to temporary rules published on or after December 1, 1995, except temporary rules published on or after December 1, 1995, for which the permanent rules adopted to replace the temporary rules have not been submitted to the Rules Review Commission within 270 days of publication of the temporary rules, may remain effective under this section if the permanent rules are submitted to the Rules Review Commission by December 1, 1996.

Session Laws 1996, Second Extra Session, c. 18, s. 1.1, provides: "This act shall be known as the Current Operations Appropriations Act of 1996."

Session Laws 1996, Second Extra Session, c. 18, s. 29.5, is a severability clause.

Effect of Amendments. —
Session Laws 1996, Second Extra Session, c. 18, s. 7.10(c), deleted "if the Commission objects to the permanent rule" from the end of subdivision (d)(3); and added subdivisions (d)(4) and (d)(5). See Editor's Note for effective date.

Session Laws 1996, Second Extra Session, c. 18, s. 7.10(d), effective August 3, 1996, in subsection (e), substituted "if the permanent rule is substantially the same as" for "that does not differ substantially from," and added "unless the agency published a notice of rule-making proceedings at least 60 days before it adopted the temporary rule."

CASE NOTES

§ 150B-21.2. Procedure for adopting a permanent rule.

(a) Steps. — Before an agency adopts a permanent rule, it must take the following actions:

(1) Publish a notice of rule-making proceedings in the North Carolina Register, unless the proposed rule is substantially the same as a temporary rule published in the North Carolina Register.

(2) When required by G.S. 150B-21.4, prepare or obtain a fiscal note for the proposed rule.

(3) Publish the text of the proposed rule in the North Carolina Register.

(4) When required by subsection (e) of this section, hold a public hearing on the proposed rule after publication of the proposed text of the rule.

(5) Accept oral or written comments on the proposed rule as required by subsection (f) of this section.

(b) Notice of Rule-Making Proceedings. — A notice of rule-making proceedings published in the North Carolina Register must include all of the following:

(1) A statement of the subject matter of the proposed rule making.

(2) A short explanation of the reason for the proposed action.

(3) A citation to the law that gives the agency the authority to adopt a rule on the subject matter of the proposed rule making.

(4) The person to whom questions or written comments may be submitted on the subject matter of the proposed rule making.

Publication in the North Carolina Register of an agency's rule-making agenda satisfies the requirements of this subsection if the agenda includes the information required by this subsection.

(c) Text After Notice of Rule-Making Proceedings. — A notice of the proposed text of a rule must include all of the following:

(1) The text of the proposed rule.
(2) A short explanation of the reason for the proposed rule.
(3) A citation to the law that gives the agency the authority to adopt the rule.
(4) The proposed effective date of the rule.
(5) The date, time, and place of any public hearing scheduled on the rule.
(6) Instructions on how a person may demand a public hearing on a proposed rule if the notice does not schedule a public hearing on the proposed rule and subsection (e) of this section requires the agency to hold a public hearing on the proposed rule when requested to do so.
(7) The period of time during which and the person to whom written comments may be submitted on the proposed rule.
(8) If a fiscal note has been prepared for the rule, a statement that a copy of the fiscal note can be obtained from the agency.

An agency shall not publish the proposed text of a rule until at least 60 days after the date the notice of rule-making proceedings for the proposed rule was published in the North Carolina Register.

(d) Mailing List. — An agency must maintain a mailing list of persons who have requested notice of rule making. When an agency publishes in the North Carolina Register a notice of rule-making proceedings or the text of a proposed rule, it must mail a copy of the notice or text to each person on the mailing list who has requested notice of rule-making proceedings on the subject matter described in the notice or the rule affected. An agency may charge an annual fee to each person on the agency's mailing list to cover copying and mailing costs.

(e) Hearing. — An agency must hold a public hearing on a rule it proposes to adopt if the agency publishes the text of the proposed rule in the North Carolina Register and all the following apply:

(1) The notice of text does not schedule a public hearing on the proposed rule.
(2) The agency receives a written request for a public hearing on the proposed rule within 15 days after the notice of text is published.
(3) The proposed text is not a changed version of proposed text the agency previously published in the course of rule-making proceedings but did not adopt.

An agency may hold a public hearing on a proposed rule in other circumstances. When an agency is required to hold a public hearing on a proposed rule or decides to hold a public hearing on a proposed rule when it is not required to do so, the agency must publish in the North Carolina Register a notice of the date, time, and place of the public hearing. The hearing date of a public hearing held after the agency publishes notice of the hearing in the North Carolina Register must be at least 15 days after the date the notice is published.

(f) Comments. — An agency must accept comments on a notice of proposed rule-making proceedings published in the North Carolina

Register until the text of the proposed rule that results from the notice is published. An agency must accept comments on the text of a proposed rule that is published in the North Carolina Register and that requires a fiscal note under G.S. 150B-21.4(b1) for at least 60 days after the text is published or until the date of any public hearing held on the proposed rule, whichever is longer. An agency must accept comments on the text of any other proposed rule published in the North Carolina Register for at least 30 days after the text is published or until the date of any public hearing held on the proposed rule, whichever is longer. An agency must consider fully all written and oral comments received.

(g) Adoption. — An agency shall not adopt a rule until the time for commenting on the proposed text of the rule has elapsed and shall not adopt a rule if more than 12 months have elapsed since the end of the time for commenting on the proposed text of the rule. An agency shall not adopt a rule that differs substantially from the text of a proposed rule published in the North Carolina Register unless the agency publishes the text of the proposed different rule in the North Carolina Register and accepts comments on the proposed different rule for the time set in subsection (f) of this section.

An adopted rule differs substantially from a proposed rule if it does one or more of the following:

(1) Affects the interests of persons who, based on either the notice of rule-making proceedings or the proposed text of the rule published in the North Carolina Register, could not reasonably have determined that the rule would affect their interests.

(2) Addresses a subject matter or an issue that is not addressed in the proposed text of the rule.

(3) Produces an effect that could not reasonably have been expected based on the proposed text of the rule.

When an agency adopts a rule, it shall not take subsequent action on the rule without following the procedures in this Part.

(h) Explanation. — An agency must issue a concise written statement explaining why the agency adopted a rule if, within 30 days after the agency adopts the rule, a person asks the agency to do so. The explanation must state the principal reasons for and against adopting the rule and must discuss why the agency rejected any arguments made or considerations urged against the adoption of the rule.

(i) Record. — An agency must keep a record of a rule-making proceeding. The record must include all written comments received, a transcript or recording of any public hearing held on the rule, and any written explanation made by the agency for adopting the rule. (1973, c. 1331, s. 1; 1975, 2nd Sess., c. 983, s. 63; 1977, c. 915, s. 2; 1983, c. 927, ss. 3, 7; 1985, c. 746, s. 1; 1985 (Reg. Sess., 1986), c. 1022, s. 1(1), (7); 1987, c. 285, ss. 7-9; 1989, c. 5, s. 1; 1991, c. 418, s. 1; 1995, c. 507, s. 27.8(d); 1996, 2nd Ex. Sess., c. 18, s. 7.10(e).)

Editor's Note. —

Session Laws 1996, Second Extra Session, c. 18, s. 1.1, provides: "This act shall be known as the Current Operations Appropriations Act of 1996."

Session Laws 1996, Second Extra Session, c. 18, s. 29.5, is a severability clause.

Effect of Amendments. —

The 1996 Second Extra Session amendment, effective August 3, 1996, substituted "text" for "rule-making proceedings" in subdivisions (e)(1) and (e)(2).

CASE NOTES

Applied in North Carolina Chiropractic Ass'n v. North Carolina State Bd. of Educ., 122 N.C. App. 122, 468 S.E.2d 539 (1996).

§ 150B-21.3. Effective date of rules.

(a) Temporary Rule. — A temporary rule becomes effective on the date the Codifier of Rules enters the rule in the North Carolina Administrative Code.

(b) Permanent Rule. — A permanent rule approved by the Commission becomes effective on the earlier of the thirty-first legislative day or the day of adjournment of the next regular session of the General Assembly that begins at least 25 days after the date the Commission approved the rule, unless a different effective date applies under this section. If a bill that specifically disapproves the rule is introduced in either house of the General Assembly before the thirty-first legislative day of that session, the rule becomes effective on the earlier of either the day an unfavorable final action is taken on the bill or the day that session of the General Assembly adjourns without ratifying a bill that specifically disapproves the rule. If the agency adopting the rule specifies a later effective date than the date that would otherwise apply under this subsection, the later date applies. A permanent rule that is not approved by the Commission or that is specifically disapproved by a bill ratified by the General Assembly before it becomes effective does not become effective.

A bill specifically disapproves a rule if it contains a provision that refers to the rule by appropriate North Carolina Administrative Code citation and states that the rule is disapproved. Notwithstanding any rule of either house of the General Assembly, any member of the General Assembly may introduce a bill during the first 30 legislative days of any regular session to disapprove a rule that has been approved by the Commission and that either has not become effective or has become effective by executive order under subsection (c) of this section.

(c) Executive Order Exception. — The Governor may, by executive order, make effective a permanent rule that has been approved by the Commission and has not become effective under subsection (b) of this section upon finding that it is necessary that the rule become effective in order to protect public health, safety, or welfare. A rule made effective by executive order becomes effective on the date the order is issued or at a later date specified in the order. When the Codifier of Rules enters in the North Carolina Administrative Code a rule made effective by executive order, the entry must reflect this action.

A rule that is made effective by executive order remains in effect unless it is specifically disapproved by the General Assembly in a bill ratified on or before the day of adjournment of the regular session of the General Assembly that begins at least 25 days after the date the executive order is issued. A rule that is made effective by executive order and that is specifically disapproved by a bill ratified by the General Assembly is repealed as of the date specified in the bill. If a rule that is made effective by executive order is not specifically disapproved by a bill ratified by the General Assembly within the time set by this subsection, the Codifier of Rules must note this in the North Carolina Administrative Code.

(d) Legislative Day and Day of Adjournment. — As used in this section:

(1) A "legislative day" is a day on which either house of the General Assembly convenes in regular session.

(2) The "day of adjournment" of a regular session held in an odd-numbered year is the day the General Assembly adjourns by joint resolution for more than 10 days.

(3) The "day of adjournment" of a regular session held in an even-numbered year is the day the General Assembly adjourns sine die.

(e) OSHA Standard. — A permanent rule concerning an occupational safety and health standard that is adopted by the Occupational Safety and Health Division of the Department of Labor and is identical to a federal regulation promulgated by the Secretary of the United States Department of Labor becomes effective on the date the Division delivers the rule to the Codifier of Rules, unless the Division specifies a later effective date. If the Division specifies a later effective date, the rule becomes effective on that date.

(f) Technical Change. — A permanent rule for which no notice or hearing is required under G.S. 150B-21.5(a) or (b) becomes effective on the first day of the month following the month the rule is approved by the Rules Review Commission. (1991, c. 418, s. 1; 1995, c. 507, s. 27.8(e); 1995 (Reg. Sess., 1996), c. 742, s. 43; 1996, 2nd Ex. Sess., c. 18, s. 7.10(f).)

Session Laws 1996, Second Extra Session, c. 18, s. 29.5, is a severability clause.

Effect of Amendments. —

Session Laws 1995 (Reg. Sess., 1996), c. 742, s. 43, effective June 21, 1996, in the first sentence of the first paragraph of subsection (b), inserted "earlier of the" following "effective on the", inserted "or the day of adjournment" following "legislative day", substituted "different" for "later", and substituted "section" for "subsection".

VII. ILLUSTRATIVE CASES.

Petition Not Sufficiently Explicit. — Where petition for judicial review of county health director's decision affirming employee's termination lacked even a single exception to particular findings of fact or conclusions of law but instead, baldly asserted only that the health department's decision was "contrary to the Recommended Decision of the Administrative Law Judge and the State Personnel Commission," petition was not sufficiently explicit to permit effective judicial review of the proceedings, and department's motion to dismiss should have been allowed. Gray v. Orange County Health Dep't, 119 N.C. App. 62, 457 S.E.2d 892, cert. denied, 341 N.C. 649, 462 S.E.2d 511, rehearing dismissed, 342 N.C. 192, 463 S.E.2d 236 (1995).

CASE NOTES

I. General Consideration.
IV. "Whole Record" Test.
V. Arbitrary or Capricious Findings, Decisions, etc.

I. GENERAL CONSIDERATION.

The precise scope of review by the Court of Appeals is contained in this section. Dockery v. North Carolina Dep't of Human Resources, 120 N.C. App. 827, 463 S.E.2d 580 (1995).

Reasons for Not Adopting Decision. — If the State Board of Elections determines that it will not adopt the recommended decision of a county board, it should include in its order specific reasons for such decision. In re Ramseur, 120 N.C. App. 521, 463 S.E.2d 254 (1995).

Review by Court of Appeals. — The standard of review for an appellate court upon an appeal from an order of the superior court affirming or reversing an administrative agency decision is the same standard of review as that employed by the superior court. Dorsey v. UNC-Wilmington, 122 N.C. App. 58, 468 S.E.2d 557 (1996).

Inadequate Notice. — Agency decision dismissing a state employee was reversed where the reviewing court found that notice given to the employee did not provide her with adequate notice of the reasons for her dismissal. Owen v. UNC-G Physical Plant, 121 N.C. App. 682, 468 S.E.2d 813 (1996).

Procedural safeguards within § 126-35(a) serve as a prophylactic protection against summary dismissal of state employees based on inadequate notice. Owen v. UNC-G Physical Plant, 121 N.C. App. 682, 468 S.E.2d 813 (1996).

Safety training violation by contractor was considered "serious" where the evidence showed that (1) the lack of proper training created the possibility of an accident, and (2) if an accident did occur, there was a substantial probability of death or serious physical harm. Associated Mechanical Contractors v. Payne, 342 N.C. 825, 467 S.E.2d 398 (1996).

Applied in Williams v. North Carolina Dep't of Economic & Community Dev., 119 N.C. App. 535, 458 S.E.2d 750 (1995); In re Ramseur, 120 N.C. App. 521, 463 S.E.2d 254 (1995).

App. 437, 462 S.E.2d 824 (1995); Cates v. North Carolina Dep't of Justice, 121 N.C. App. 243, 465 S.E.2d 64 (1996); Cape Fear Mem. Hosp. v. North Carolina Dep't of Human Resources, 121 N.C. App. 492, 466 S.E.2d 299 (1996).

IV. "WHOLE RECORD" TEST.

And Must Examine the "Whole Record" to Determine If Substantial Evidence Supports Agency's Decision. —

To determine whether an agency's findings are supported by substantial evidence, the reviewing court applies the "whole record" test. Emp. Sec. Comm'n v. Peace, 122 N.C. App. 313, 470 S.E.2d 63 (1996).

Court May Not Replace Agency's Judgment with Its Own. —

The reviewing court may reverse or modify an agency's decision if the substantial rights of the petitioner may have been prejudiced because the agency's findings, inferences, conclusions, or decisions are unsupported by substantial evidence in view of the entire record as submitted; this standard, the "whole record" test, does not allow the reviewing court to replace the agency's judgment as between two reasonably conflicting views, even though the court could justifiably have reached a different result had the matter been before it de novo. Mendenhall v. North Carolina Dep't of Human Resources, 119 N.C. App. 644, 459 S.E.2d 820 (1995).

Record Devoid of Substantial Evidence. — Department of Human Resources erred in terminating spousal support where the record is clear that nursing home resident wanted his "money" but the record was devoid of any substantial evidence that he intended to apply all of his income, exceeding his personal needs allowance, to his nursing care, rather than towards the support of his wife. English v. Britt, 121 N.C. App. 320, 465 S.E.2d 48 (1996).

V. ARBITRARY OR CAPRICIOUS FINDINGS, DECISIONS, ETC.

Evidence Held Sufficient. — There was substantial evidence in the record to support State Code Officials Qualification Board's findings and conclusions as to the revocation of petitioner's certificates based on Board's findings of several different violations of the N.C. Uniform Residential Building Code; many of the violations were plainly visible and should have been discovered by an inspection performed with ordinary care and prudence and many of the remaining violations, although less obvious or more technical, could have been discovered by an inspection performed with ordinary care and prudence. Bunch v. North Carolina Code Officials Qualifications Bd., 119 N.C. App. 293, 458 S.E.2d 248 (1995), aff'd in part and rev'd in part, 343 N.C. 97, 468 S.E.2d 55 (1996).

CASE NOTES

Amendment to county zoning ordinance constituted a valid legislative prerogative to change the sanitary landfill use from a "special use permit"

category to a "use by right under prescribed conditions" category and that section of the county zoning ordinance, which allowed county zoning administrator to approve the county's permit application for the siting of a landfill, was constitutional and lawful on its face. (b) Notwithstanding the provisions of G.S. 153A-158, Chapter 160A of the General Statutes, Article 12 of Chapter 130 of the General Statutes, or any other general law or local act conferring the power to acquire real property, before any county, city or town, special district, or other unit of local government which is located wholly or primarily outside another county acquires any real property located in the other county by exchange, purchase or lease, it must have the approval of the county board of commissioners of the county where the land is located.

(c) This section applies to Alleghany, Anson, Ashe, Bertie, Bladen, Brunswick, Burke, Buncombe, Caldwell, Caswell, Catawba, Cleveland, Columbus, Cumberland, Davidson, Davie, Duplin, Durham, Forsyth, Franklin, Gaston, Graham, Granville, Harnett, Haywood, Henderson, Hoke, Iredell, Jackson, Johnston, Lee, Lincoln, Madison, Martin, McDowell, Mecklenburg, Montgomery, New Hanover, Onslow, Pender, Person, Robeson, Rockingham, Rowan, Sampson, Scotland, Stokes, Surry, Swain, Transylvania, Union, Vance, Wake, Warren, Watauga, and Wilkes counties only. The current boundaries of each township within a county shall at all times be drawn on a map, or set out in a written description, or shown by a combination of these techniques. This current delineation shall be available for public inspection in the office of the clerk.

(b) Any provision of a city charter or other local act which provides that the boundaries of a township shall change automatically upon a change in a city boundary shall not be effective during the period beginning January 1, 1998, and ending January 2, 2000.

(c) The county manager or, where there is no county manager, the chairman of the board of commissioners, shall report township boundaries and changes in those boundaries to the United States Bureau of the Census in the Boundary and Annexations Survey. In responding to the surveys, each county manager or, if there is no manager, chairman of the board of commissioners shall consult with the county board of elections and other appropriate local agencies as to the location of township boundaries, so that the Census Bureau's mapping of township boundaries does not disagree with any county voting precinct boundaries that may be based on township boundaries. (1868, c. 20, s. 8; Code, s. 707; Rev., s. 1318; C.S., s. 1297; 1973, c. 822, s. 1; 1987, c. 715, s. 1; c. 879, s. 2; 1993, c. 352, s. 1; 1995, c. 423, s. 4.)

ARTICLE 4.

Form of Government.

Part 1. General Provisions.

§ 153A-27.1. Vacancies on board of commissioners in certain counties.

(a) If a vacancy occurs on the board of commissioners, the remaining members of the board shall appoint a qualified person to fill the vacancy. If the number of vacancies on the board is such that a quorum of the board cannot be obtained, the chairman of the board shall appoint enough members to make up a quorum, and the board shall then proceed to fill the remaining vacancies. If the number of vacancies on the board is such that a quorum of the board cannot be obtained and the office of chairman is vacant, the clerk of superior court of the county shall fill the vacancies upon the request of any remaining member of the board or upon the petition of any registered voters of the county.

(b) If the member being replaced was serving a two-year term, or if the member was serving a four-year term and the vacancy occurs later than 60 days before the general election held after the first two years of the term, the appointment to fill the vacancy is for the remainder of the unexpired term. Otherwise, the term of the person appointed to fill the vacancy extends to the first Monday in December next following the first general election held more than 60 days after the day the vacancy occurs; at that general election, a person shall be elected to the seat vacated for the remainder of the unexpired term.

(c) To be eligible for appointment to fill a vacancy, a person must (i) be a member of the same political party as the member being replaced, if that member was elected as the nominee of a political party, and (ii) be a resident of the same district as the member being replaced, if the county is divided into electoral districts.

(d) If the member who vacated the seat was elected as a nominee of a political party, the board of commissioners, the chairman of the board, or the clerk of superior court, as the case may be, shall consult the county executive committee of the appropriate political party before filling the vacancy, and shall appoint the person recommended by the county executive committee of the political party of which the commissioner being replaced was a member, if the party makes a recommendation within 30 days of the occurrence of the vacancy.

(e) Whenever because of G.S. 153A-58(3)b. or because of any local act, only the qualified voters of an area which is less than the entire county were eligible to vote in the general election for the member whose seat is vacant, the appointing authority must accept the recommendation only if the county executive committee restricted voting to committee members who represent precincts all or part of which were within the territorial area of the district of the county commissioner.

(f) The provisions of any local act which provides that a county executive committee of a political party shall fill any vacancy on a board of county commissioners are repealed.

(g) Counties subject to this section are not subject to G.S. 153A-27.

(h) This section shall apply only in the following counties: Alamance, Alleghany, Avery, Beaufort, Brunswick, Buncombe, Burke, Cabarrus, Caldwell, Carteret, Cherokee, Clay, Cleveland, Cumberland, Dare, Davidson, Davie, Forsyth, Graham, Guilford, Haywood, Henderson, Hyde, Jackson, Lincoln, Macon, Madison, McDowell, Mecklenburg, Moore, Pender, Polk, Randolph, Rockingham, Rutherford, Sampson, Stanly, Stokes, Transylvania, Wake, and Yancey. Effect of Amendments. — The 1995 (Reg. Sess., 1996) amendment, effective June 21, 1996, inserted "Cumberland" into the list of counties in subsection (h).

Part 3. Organization and Procedures of the Board of Commissioners.

§ 153A-39. Selection of chairman and vice-chairman; powers and duties.

On:

(1) The first Monday in December of each even-numbered year; and

(2) Its first regular meeting in December of each odd-numbered year,

the board of commissioners shall choose one of its members as chairman for the ensuing year, unless the chairman is elected as such by the people or otherwise designated by law. The board shall also at that time choose a vice-chairman to act in the absence or disability of the chairman. If the chairman and the vice-chairman are both absent from a meeting of the board, the members present may choose a temporary chairman.

The chairman is the presiding officer of the board of commissioners. Unless excused by rule of the board, the presiding officer has the duty to vote on any question before the board, but he has no right to break a tie vote in which he participated. (Code, s. 706; Rev., s. 1317; C.S., s. 1296; 1945, c. 132; 1951, c. 904, s. 1; 1961, c. 154; 1967, c. 617, s. 1; 1969, c. 349, s. 1; c. 1036; 1973, c. 822, s. 1; 1993, c. 95, s. 1.)

(a) In the exercise of its jurisdiction over commissions, boards and agencies, the board of county commissioners may assume direct control of any activities theretofore conducted by or through any commission, board or agency by the adoption of a resolution assuming and conferring upon the board of county commissioners all powers, responsibilities and duties of any such commission, board or agency. This subsection shall apply to the board of health, the social services board, area mental health, developmental disabilities, and substance abuse area board and any other commission, board or agency appointed by the board of county commissioners or acting under and pursuant to authority of the board of county commissioners of said county. The board of county commissioners may exercise the power and authority herein conferred only after a public hearing held by said board pursuant to 30 days' notice of said public hearing given in a newspaper having general circulation in said county.

The board of county commissioners may also appoint advisory boards, committees, councils and agencies composed of qualified and interested county residents to study, interpret and develop community support and cooperation in activities conducted by or under the authority of the board of county commissioners of said county.

(b) In the exercise of its jurisdiction over commissions, boards, and agencies, the board of county commissioners of a county having a county manager pursuant to G.S. 153A-81 may:

(1) Consolidate the provision of human services in the county under the direct control of a human services director appointed and supervised by the county manager in accordance with subsection (e) of this section;

(2) Create a consolidated human services board having the powers conferred by subsection (c) of this section;

(3) Create a consolidated county human services agency having the authority to carry out the functions of the local health department, the county department of social services, and the area mental health, developmental disabilities, and substance abuse services authority; and

(4) Assign other county human services functions to be performed by the consolidated human services agency under the direction of the human services director, with policy-

making authority granted to the consolidated human services board as determined by the board of county commissioners.

(c) A consolidated human services board appointed by the board of county commissioners shall serve as the policy-making, rulemaking, and administrative board of the consolidated human services agency. The consolidated human services board shall be composed of no more than 25 members. The composition of the board shall reasonably reflect the population makeup of the county and shall include:

(1) Eight persons who are consumers of human services, public advocates, or family members of clients of the consolidated human services agency, including: one person with mental illness, one person with a developmental disability, one person in recovery from substance abuse, one family member of a person with mental illness, one family member of a person with a developmental disability, one family member of a person with a substance abuse problem, and two consumers of other human services.

(2) Eight persons who are professionals, each with qualifications in one of these categories: one psychologist, one pharmacist, one engineer, one dentist, one optometrist, one veterinarian, one social worker, and one registered nurse.

(3) Two physicians licensed to practice medicine in this State, one of whom shall be a psychiatrist.

(4) One member of the board of county commissioners.

(5) Other persons, including members of the general public representing various occupations.

The board of county commissioners may elect to appoint a member of the consolidated human services board to fill concurrently more than one category of membership if the member has the qualifications or attributes of more than one category of membership.

All members of the consolidated human services board shall be residents of the county. The members of the board shall serve four-year terms. No member may serve more than two consecutive four-year terms. The county commissioner member shall serve only as long as the member is a county commissioner.

The initial board shall be appointed by the board of county commissioners upon the recommendation of a nominating committee comprised of members of the preconsolidation board of health, social services board, and area mental health, developmental disabilities, and substance abuse services board. In order to establish a uniform staggered term structure for the board, a member may be appointed for less than a four-year term. After the subsequent establishment of the board, its board shall be appointed by the board of county commissioners from nominees presented by the human services board. Vacancies shall be filled for any unexpired portion of a term.

A chairperson shall be elected annually by the members of the consolidated human services board. A majority of the members shall constitute a quorum. A member may be removed from office by the county board of commissioners for (i) commission of a felony or other crime involving moral turpitude; (ii) violation of a State law governing conflict of interest; (iii) violation of a written policy adopted by the county board of commissioners; (iv) habitual failure to attend meetings; (v) conduct that tends to bring the office into disrepute; or

(vi) failure to maintain qualifications for appointment required under this subsection. A board member may be removed only after the member has been given written notice of the basis for removal and has had the opportunity to respond.

A member may receive a per diem in an amount established by the county board of commissioners. Reimbursement for subsistence and travel shall be in accordance with a policy set by the county board of commissioners. The board shall meet at least quarterly. The chairperson or three of the members may call a special meeting.

(d) The consolidated human services board shall have authority to:

(1) Set fees for departmental services based upon recommendations of the human services director. Fees set under this subdivision are subject to the same restrictions on amount and scope that would apply if the fees were set by a county board of health, a county board of social services, or a mental health, developmental disabilities, and substance abuse area authority.
(2) Assure compliance with laws related to State and federal programs.
(3) Recommend creation of local human services programs.
(4) Adopt local health regulations and participate in enforcement appeals of local regulations.
(5) Perform regulatory health functions required by State law.
(6) Act as coordinator or agent of the State to the extent required by State or federal law.
(7) Plan and recommend a consolidated human services budget.
(8) Conduct audits and reviews of human services programs, including quality assurance activities, as required by State and federal law or as may otherwise be necessary periodically.
(9) Advise local officials through the county manager.
(10) Perform public relations and advocacy functions.
(11) Protect the public health to the extent required by law.
(12) Perform comprehensive mental health services planning.
(13) Develop dispute resolution procedures for human services contractors and clients and public advocates, subject to applicable State and federal dispute resolution procedures for human services programs, when applicable.

Except as otherwise provided, the consolidated human services board shall have the powers and duties conferred by law upon a board of health, a social services board, and an area mental health, developmental disabilities, and substance abuse services board.

Local employees who serve as staff of a consolidated county human services agency are subject to county personnel policies and ordinances only and are not subject to the provisions of the State Personnel Act.

(e) The human services director of a consolidated county human services agency shall be appointed and dismissed by the county manager with the advice and consent of the consolidated human services board. The human services director shall report directly to the county manager. The human services director shall:

(1) Appoint staff of the consolidated human services agency with the county manager's approval.
(2) Administer State human services programs.

(3) Administer human services programs of the local board of county commissioners.
(4) Act as secretary and staff to the consolidated human services board under the direction of the county manager.
(5) Plan the budget of the consolidated human services agency.
(6) Advise the board of county commissioners through the county manager.
(7) Perform regulatory functions of investigation and enforcement of State and local health regulations, as required by State law.
(8) Act as an agent of and liaison to the State, to the extent required by law.

Except as otherwise provided by law, the human services director or the director's designee shall have the same powers and duties as a social services director, a local health director, and a director of an area mental health, developmental disabilities, and substance abuse services authority.

(f) This section applies to counties with a population in excess of 425,000. (1973, c. 454, ss. 1-2½; 1985, c. 589, s. 56; c. 754, s. 1; 1987, c. 217, ss. 1, 2; 1995 (Reg. Sess., 1996), c. 690, s. 3.)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 690, s. 16, effective July 1, 1996, and expiring on January 1, 2001, provides that counties which consolidate human services pursuant to G.S. 153A-77(b) shall report by January 1, 1998, and annually thereafter to the Chairs of the House Appropriations Subcommittees on Human Resources and Natural and Economic Resources and the Chairs of the Senate Appropriations Committees on Human Resources and Natural and Economic Resources, to the Joint Legislative Commission on Governmental Operations, and to the Fiscal Research Division regarding the county's implementation of consolidated human services.

Effect of Amendments. — The 1995 (Reg. Sess., 1996) amendment, effective July 1, 1996, added the subsection (a) designation; in the second sentence of subsection (a), substituted "subsection" for "section", substituted "developmental disabilities, and substance abuse area board" for "mental retardation, and substance abuse board", and substituted "or" for "and/or"; added subsections (b), (c), (d), and (e); and added the subsection (f) designation.

§ 153A-77.1. Single portal of entry.

A county may develop for human services a single portal of entry, a consolidated case management system, and a common data base; provided that if the county is part of a district health department or a multi-county area mental health, developmental disabilities, and substance abuse authority, such action must be approved by the district board of health or the area mental health, developmental disabilities, and substance abuse board to affect any matter within the jurisdiction of that board. Nothing in this section shall be construed to abrogate a patient's right to confidentiality as provided by law. (1987, c. 422, s. 1; 1991 (Reg. Sess., 1992), c. 1030, s. 47.)

Part 2. Administration in Counties Having Managers.

§ 153A-82. Powers and duties of manager.

CASE NOTES

Severance Pay. — The right of a public officer to receive compensation can only arise out of the rendition of the public services related to his office. Leete v. County of Warren, 341 N.C. 116, 462 S.E.2d 476 (1995).

Where county manager worked one month after giving notice of his resignation and received all compensation due him under the terms of his employment with the County, severance pay would be compensation beyond that due for services rendered and, thus, constitutionally impermissible. Leete v. County of Warren, 341 N.C. 116, 462 S.E.2d 476 (1995).

Severance pay to county manager who voluntarily resigned violated North Carolina Constitution, Art. 1, sec. 32, because county manager was to be compensated for duties that were not performed, since the record reflected that the compensation was not for prior services rendered, and he was paid all benefits due him. Leete v. County of Warren, 341 N.C. 116, 459 S.E.2d 232 (1995).

Part 4. Personnel.

§ 153A-92. Compensation.

§ 153A-97. Defense of officers, employees and others.

CASE NOTES

Applied in Gray v. Laws, 51 F.3d 426 (4th Cir. 1995).

§ 153A-98. Privacy of employee personnel records.

(a) Notwithstanding the provisions of G.S. 132-6 or any other general law or local act concerning access to public records, personnel files of employees, former employees, or applicants for employment maintained by a county are subject to inspection and may be disclosed only as provided by this section. For purposes of this section, an employee's personnel file consists of any information in any form gathered by the county with respect to that employee and, by way of illustration but not limitation, relating to his application, selection or nonselection, performance, promotions, demotions, transfers, suspension and other disciplinary actions, evaluation forms, leave, salary, and termination of employment. As used in this section, "employee" includes former employees of the county.

(b) The following information with respect to each county employee is a matter of public record: name; age; date of original employment or appointment to the county service; current position title; current salary; date and amount of the most recent increase or decrease in salary; date of the most recent promotion, demotion, transfer, suspension, separation or other change in position classification; and the office to which the employee is currently assigned. The board of county commissioners shall determine in what form and by whom this information will be maintained. Any person may have access to this information for the purpose of inspection, examination, and copying, during regular business hours, subject only to such rules and regulations for the safekeeping of public records as the board of commissioners may have adopted. Any person denied access to this information may apply to the appropriate division of the General Court of Justice for an order compelling disclosure, and the court shall have jurisdiction to issue such orders.

(c) All information contained in a county employee's personnel file, other than the information made public by subsection (b) of this section, is confidential and shall be open to inspection only in the following instances:

(1) The employee or his duly authorized agent may examine all portions of his personnel file except (i) letters of reference solicited prior to employment, and (ii) information concerning a medical disability, mental or physical, that a prudent physician would not divulge to his patient.

(2) A licensed physician designated in writing by the employee may examine the employee's medical record.

(3) A county employee having supervisory authority over the employee may examine all material in the employee's personnel file.

(4) By order of a court of competent jurisdiction, any person may examine such portion of an employee's personnel file as may be ordered by the court.

(5) An official of an agency of the State or federal government, or any political subdivision of the State, may inspect any portion of a personnel file when such inspection is deemed by the official having custody of such records to be inspected to be necessary and essential to the pursuance of a proper function of the inspecting agency, but no information shall be divulged for the purpose of assisting in a criminal prosecution of the employee, or for the purpose of assisting in an investigation of the employee's tax liability. However, the official having custody of such records may release the name, address, and telephone number from a personnel file for the purpose of assisting in a criminal investigation.

(6) An employee may sign a written release, to be placed with his personnel file, that permits the person with custody of the file to provide, either in person, by telephone, or by

mail, information specified in the release to prospective employers, educational institutions, or other persons specified in the release.

(7) The county manager, with concurrence of the board of county commissioners, or, in counties not having a manager, the board of county commissioners may inform any person of the employment or nonemployment, promotion, demotion, suspension or other disciplinary action, reinstatement, transfer, or termination of a county employee and the reasons for that personnel action. Before releasing the information, the manager or board shall determine in writing that the release is essential to maintaining public confidence in the administration of county services or to maintaining the level and quality of county services. This written determination shall be retained in the office of the manager or the county clerk, is a record available for public inspection and shall become part of the employee's personnel file.

(c1) Even if considered part of an employee's personnel file, the following information need not be disclosed to an employee nor to any other person:

(1) Testing or examination material used solely to determine individual qualifications for appointment, employment, or promotion in the county's service, when disclosure would compromise the objectivity or the fairness of the testing or examination process.

(2) Investigative reports or memoranda and other information concerning the investigation of possible criminal actions of an employee, until the investigation is completed and no criminal action taken, or until the criminal action is concluded.

(3) Information that might identify an undercover law enforcement officer or a law enforcement informer.

(4) Notes, preliminary drafts and internal communications concerning an employee. In the event such materials are used for any official personnel decision, then the employee or his duly authorized agent shall have a right to inspect such materials.

(c2) The board of county commissioners may permit access, subject to limitations they may impose, to selected personnel files by a professional representative of a training, research, or academic institution if that person certifies that he will not release information identifying the employees whose files are opened and that the information will be used solely for statistical, research, or teaching purposes. This certification shall be retained by the county as long as each personnel file so examined is retained.

(d) The board of commissioners of a county that maintains personnel files containing information other than the information mentioned in subsection (b) of this section shall establish procedures whereby an employee who objects to material in his file on grounds that it is inaccurate or misleading may seek to have the material removed from the file or may place in the file a statement relating to the material.

(e) A public official or employee who knowingly, willfully, and with malice permits any person to have access to information contained in a personnel file, except as is permitted by this section, is guilty of a Class 3 misdemeanor and upon conviction shall only be fined an amount not more than five hundred dollars ($500.00).

(f) Any person, not specifically authorized by this section to have access to a personnel file designated as confidential, who shall knowingly and willfully examine in its official filing place, remove or copy any portion of a confidential personnel file shall be guilty of a Class 3 misdemeanor and upon conviction shall only be fined in the discretion of the court but not in excess of five hundred dollars ($500.00). (1975, c. 701, s. 1; 1981, c. 926, ss. 1, 5-8; 1993, c. 539, ss. 1059, 1060; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1993, c. 539, ss. 1059 and 1060, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

CASE NOTES

Applications for position of county sherriff sought by board of county commissioners were governed by the provisions of this section rather than the Public Records Law and, therefore were not subject to disclosure to the public. Durham Herald Co. v. County of Durham, 334 N.C. 677, 435 S.E.2d 317 (1993).

§ 153A-99. County employee political activity.

(a) Purpose. The purpose of this section is to ensure that county employees are not subjected to political or partisan coercion while performing their job duties, to ensure that employees are not restricted from political activities while off duty, and to ensure that public funds are not used for political or partisan activities.

It is not the purpose of this section to allow infringement upon the rights of employees to engage in free speech and free association. Every county employee has a civic responsibility to support good government by every available means and in every appropriate manner. Employees shall not be restricted from affiliating with civic organizations of a partisan or political nature, nor shall employees, while off duty, be restricted from attending political meetings, or advocating and supporting the principles or policies of civic or political organizations, or supporting partisan or nonpartisan candidates of their choice in accordance with the Constitution and laws of the State and the Constitution and laws of the United States of America.

(b) Definitions. For the purposes of this section:

(1) "County employee" or "employee" means any person employed by a county or any department or program thereof that is supported, in whole or in part, by county funds;

(2) "On duty" means that time period when an employee is engaged in the duties of his or her employment; and

(3) "Workplace" means any place where an employee engages in his or her job duties.

(c) No employee while on duty or in the workplace may:

(1) Use his or her official authority or influence for the purpose of interfering with or affecting the result of an election or nomination for political office; or

(2) Coerce, solicit, or compel contributions for political or partisan purposes by another employee.

(d) No employee may be required as a duty or condition of employment, promotion, or tenure of office to contribute funds for political or partisan purposes.

(e) No employee may use county funds, supplies, or equipment for partisan purposes, or for political purposes except where such political uses are otherwise permitted by law.

(f) To the extent that this section conflicts with the provisions of any local act, local ordinance, resolution, or policy, this section prevails to the extent of the conflict. (1991, c. 619, s. 1; 1993, c. 298, s. 1.)

Part 5. Board of Commissioners and Other Officers, Boards, Departments, and Agencies of the County.

§ 153A-101. Board of commissioners to direct fiscal policy of the county.

CASE NOTES

Severance pay to county manager who voluntarily resigned violated North Carolina Constitution, Art. 1, Sec. 32, because county manager was to be compensated for duties that were not performed, since the record reflected that the compensation was not for prior services rendered, and he was paid all benefits due him. Leete v. County of Warren, 341 N.C. 116, 459 S.E.2d 232 (1995).

§ 153A-103. Number of employees in offices of sheriff and register of deeds.

CASE NOTES

Sheriff Can Make Official Government Policy. — Official government policy can be established not only by the formal policymaking actions of the lawmakers, but also by the actions of officials with final policymaking authority; the sheriff is such an official, as indicated in subsection (1), which gives the sheriff exclusive control over supervision of employees in his office. Flood v. Hardy, 868 F. Supp. 809 (E.D.N.C. 1994).

Employee of Sheriff Held Not an Employee of the County. — County, having no control over sheriff's deputy department, could not be a party to any employment contract deputy may have had, and therefore, deputy could not recover against the county for breach of her employment contract. Spencer v. Byrd, 899 F. Supp. 1439 (M.D.N.C. 1995).

County May Be Bound by Sheriff's Decisions. — In North Carolina, where the sheriff is given exclusive control over the supervision of his employees, including deputies and jailers, the sheriff may bind the county by his decisions. Flood v. Hardy, 868 F. Supp. 809 (E.D.N.C. 1994).

County is not liable for deputy's or sheriff's actions, as their employer. Clark v. Burke County, 117 N.C. App. 85, 450 S.E.2d 747 (1994).

Part 6. Clerk to the Board of Commissioners.

§ 153A-111. Appointment; powers and duties.

CASE NOTES

County Commissioners' Actions Not Protected by Legislative Immunity. — The county commissioners' refusal to reappoint plaintiff as clerk, the elimination of the clerk's salary, the consolidation of the clerk's position with another, and the refusal to select plaintiff for the combined position constituted administrative actions that were not entitled to immunity. Alexander v. Holden, 66 F.3d 62 (4th Cir. 1995).

ARTICLE 6.

Delegation and Exercise of the General Police Power.

§ 153A-121. General ordinance-making power.

CASE NOTES

When the most that can be said against an ordinance is that it is fairly debatable whether it is an unreasonable, arbitrary or unequal exercise of power, the courts will not interfere. County of Hoke v. Byrd, 107 N.C. App. 658, 421 S.E.2d 800 (1992).

Regulation of Junkyards. — Requirements of ordinance which imposed expensive requirements on junkyard owners which could prohibit them from continuing to use their property in one manner did not exceed the boundaries of the board's discretion and, therefore, the ordinance would be left undisturbed. County of Hoke v. Byrd, 107 N.C. App. 658, 421 S.E.2d 800 (1992).

§ 153A-123. Enforcement of ordinances.

(a) A county may provide for fines and penalties for violation of its ordinances and may secure injunctions and abatement orders to further insure compliance with its ordinances, as provided by this section.

(b) Unless the board of commissioners has provided otherwise, violation of a county ordinance is a misdemeanor or infraction as provided by G.S. 14-4. An ordinance may provide by express statement that the maximum fine, term of imprisonment, or infraction penalty to be imposed for a violation is some amount of money or number of days less than the maximum imposed by G.S. 14-4.

(c) An ordinance may provide that violation subjects the offender to a civil penalty to be recovered by the county in a civil action in the nature of debt if the offender does not pay the penalty within a prescribed period of time after he has been cited for violation of the ordinance.

(c1) An ordinance may provide for the recovery of a civil penalty by the county for violation of the fire prevention code of the State Building Code as authorized under G.S. 143-139.

(d) An ordinance may provide that it may be enforced by an appropriate equitable remedy issuing from a court of competent jurisdiction. In such a case, the General Court of Justice has jurisdiction to issue any order that may be appropriate, and it is not a defense to the county's application for equitable relief that there is an adequate remedy at law.

(e) An ordinance that makes unlawful a condition existing upon or use made of real property may provide that it may be enforced by injunction and order of abatement, and the General Court of Justice has jurisdiction to issue such an order. When a violation of such an ordinance occurs, the county may apply to the appropriate division of the General Court of Justice for a mandatory or prohibitory injunction and order of abatement commanding the defendant to correct the unlawful condition upon or cease the unlawful use of the property. The action shall be governed in all respects by the laws and rules governing civil proceedings, including the Rules of Civil Procedure in general and Rule 65 in particular.

In addition to an injunction, the court may enter an order of abatement as a part of the judgment in the cause. An order of abatement may direct that buildings or other structures on the property be closed, demolished, or removed; that fixtures, furniture, or other movable property be removed from buildings on the property; that grass and weeds be cut; that improvements or repairs be made; or that any other action be taken that is necessary to bring the property into compliance with the ordinance. If the defendant fails or refuses to comply with an injunction or with an order of abatement within the time allowed by the court, he may be cited for contempt and the county may execute the order of abatement. If the county executes the order, it has a lien on the property, in the nature of a mechanic's and materialman's lien, for the costs of executing the order. The defendant may secure cancellation of an order of abatement by paying all costs of the proceedings and posting a bond for compliance with the order. The bond shall be given with sureties approved by the clerk of superior court in an amount approved by the judge before whom the matter was heard and shall be conditioned on the defendant's full compliance with the terms of the order of abatement within the time fixed by the judge. Cancellation of an order of abatement does not suspend or cancel an injunction issued in conjunction with the order.

(f) Subject to the express terms of the ordinance, a county ordinance may be enforced by any one or more of the remedies authorized by this section.

(g) A county ordinance may provide, when appropriate, that each day's continuing violation is a separate and distinct offense. (1973, c. 822, s. 1; 1985, c. 764, s. 34; 1985 (Reg. Sess., 1986), c. 852, s. 17; 1993, c. 329, s. 5.)

Local Modification. — Orange: 1995, c. 339, s. 3.

For additional local modifications to this section, see the main pamphlet.

Editor's Note. — Session Laws 1993, c. 329, s, 5, amended this section effective July 13, 1993, and applicable to violations committed on or after that date, by adding subsection (c1).

§ 153A-133. Noise regulation.

Local Modification. — Rockingham: 1991 (Reg. Sess., 1992), c. 996, s. 1.

For additional local modifications to this section, see the main pamphlet.

CASE NOTES

Ordinance Declared Partially Unconstitutional. — The partial unconstitutionality of county's noise ordinance did not support the granting of plaintiff's motions to dismiss the charges, where part of it remained valid and enforceable, and the State was entitled to proceed with the prosecution under this ordinance. State v. Garren, 117 N.C. App. 393, 451 S.E.2d 315 (1994).

§ 153A-136. Regulation of solid wastes.

(a) A county may by ordinance regulate the storage, collection, transportation, use, disposal, and other disposition of solid wastes. Such an ordinance may:

(1) Regulate the activities of persons, firms, and corporations, both public and private.

(2) Require each person wishing to commercially collect or dispose of solid wastes to secure a license from the county and prohibit any person from commercially collecting or disposing of solid wastes without a license. A fee may be charged for a license.

(3) Grant a franchise to one or more persons for the exclusive right to commercially collect or dispose of solid wastes within all or a defined portion of the county and prohibit any other person from commercially collecting or disposing of solid wastes in that area. The board of commissioners may set the terms of any franchise, except that no franchise may be granted for a period exceeding 30 years, nor may any franchise by its terms impair the authority of the board of commissioners to regulate fees as authorized by this section.

(4) Regulate the fees, if any, that may be charged by licensed or franchised persons for collecting or disposing of solid wastes.

(5) Require the source separation of materials prior to collection of solid waste for disposal.

(6) Require participation in a recycling program by requiring separation of designated materials by the owner or occupant of the property prior to disposal. An owner of recovered materials as defined by G.S. 130A-290(a)(24) retains ownership of the recovered materials until the owner conveys, sells, donates, or otherwise transfers the recovered materials to a person, firm, company, corporation, or unit of local government. A county may not require an owner to convey, sell, donate, or otherwise transfer recovered materials to the county or its designee. If an owner places recovered materials in receptacles or delivers recovered materials to specific locations, receptacles, and facilities that are owned or operated by the county or its designee, then ownership of these materials is transferred to the county or its designee.

(7) Include any other proper matter.

(b) Any ordinance adopted pursuant to this section shall be consistent with and supplementary to any rules adopted by the Commission for Health Services or the Department of Environment, Health, and Natural Resources.

(c) The board of commissioners of a county shall consider alternative sites and socioeconomic and demographic data and shall hold a public hearing prior to selecting or approving a site for a new sanitary landfill that receives residential solid waste that is located within one mile of an existing sanitary landfill within the State. The distance between an existing and a proposed site shall be determined by measurement between the closest points on the outer boundary of each site. The definitions set out in G.S. 130A-290 apply to this subsection. As used in this subsection:

(1) "Approving a site" refers to prior approval of a site under G.S. 130A-294(a)(4).

(2) "Existing sanitary landfill" means a sanitary landfill that is in operation or that has been in operation within the five-year period immediately prior to the date on which an application for a permit is submitted.

The county commissioners may call a referendum on approval of a property tax levy. The referendum may be held at the same time as any other referendum or election, but may not be otherwise held within the period of time beginning 30 days before and ending 10 days after any other referendum or election to be held in the county and already validly called or scheduled by law at the time the tax referendum is called. The referendum shall be conducted by the county board of elections. The clerk to the board of commissioners shall publish a notice of the referendum at least twice. The first publication shall be not less than 14 days and the second publication not less than seven days before the last day on which voters may register for the referendum. The notice shall state the date of the referendum, the purpose for which it is being held, and a statement as to the last day for registration for the referendum under the election laws then in effect.

The proposition submitted to the voters shall be substantially in one of the following forms:

(1) Shall .... County be authorized to levy annually a property tax at a rate not in excess of .... cents on the one hundred dollars ($100.00) value of property subject to taxation for the purpose of ....?

(2) Shall .... County be authorized to levy annually a property tax at a rate not in excess of that which will produce $.......... for the purpose of ....?

(3) Shall .... County be authorized to levy annually a property tax without restriction as to rate or amount for the purpose of ....?

If a majority of those participating in the referendum approve the proposition, the board of commissioners may proceed to levy annually a property tax within the limitations (if any) described in the proposition.

The board of elections shall canvass the referendum and certify the results to the board of commissioners. The board of commissioners shall then certify and declare the result of the referendum and shall publish a statement of the result once, with the following statement appended: "Any action or proceeding challenging the regularity or validity of this tax referendum must be begun within 30 days after (date of publication)." The statement of results shall be filed in the clerk's office and inserted in the minutes of the board.

Any action or proceeding in any court challenging the regularity or validity of a tax referendum must be begun within 30 days after the publication of the results of the referendum. After the expiration of this period of limitation, no right of action or defense based upon the invalidity of or any irregularity in the referendum shall be asserted, nor shall the validity of the referendum be open to question in any court upon any ground whatever, except in an action or proceeding begun within the period of limitation prescribed herein.

Except for supplemental school taxes and except for tax referendums on functions not included in subsection (c) of this section, any referendum held before July 1, 1973, on the levy of property taxes is not valid for the purposes of this subsection. Counties in which such referendums have been held may support programs formerly supported by voted property taxes within the general rate limitation set out in subsection (c) at any appropriate level and are not subject to the former voted rate limitation.

(e) With an approving vote of the people, any county may increase the property tax rate limitation imposed in subsection (c) and may call a referendum for that purpose. The referendum may be held at the same time as any other referendum or election, but may not be otherwise held within the period of time beginning 30 days before and ending 30 days after any other referendum or election. The referendum shall be conducted by the county board of elections.

The proposition submitted to the voters shall be substantially in the following form: "Shall the property tax rate limitation applicable to .... County be increased from ...... on the one hundred dollars ($100.00) value of property subject to taxation to .... on the one hundred dollars ($100.00) value of property subject to taxation?"

If a majority of those participating in the referendum approve the proposition, the rate limitation imposed in subsection (c) shall be increased for the county.

(f) With respect to any of the categories listed in subsections (b) and (c) of this section, the county may provide the necessary personnel, land, buildings, equipment, supplies, and financial support from property tax revenues for the program, function, or service.

(g) This section does not authorize any county to undertake any program, function, joint undertaking, or service not otherwise authorized by law. It is intended only to authorize the levy of property taxes within the limitations set out herein to finance programs, functions, or services authorized by other portions of the General Statutes or by local acts. Law Enforcement and Confinement Facilities.

Part 2. Local Confinement Facilities.

§ 153A-224. Supervision of local confinement facilities.

(a) No person may be confined in a local confinement facility unless custodial personnel are present and available to provide continuous supervision in order that custody will be secure and that, in event of emergency, such as fire, illness, assaults by other prisoners, or otherwise, the prisoners can be protected. These personnel shall supervise prisoners closely enough to maintain safe custody and control and to be at all times informed of the prisoners' general health and emergency medical needs.

(b) In a medical emergency, the custodial personnel shall secure emergency medical care from a licensed physician according to the unit's plan for medical care. If a physician designated in the plan is not available, the personnel shall secure medical services from any licensed physician who is available. The unit operating the facility shall pay the cost of emergency medical services unless the inmate has third-party insurance, in which case the third-party insurer shall be the initial payor and the medical provider shall bill the third-party insurer. The county shall only be liable for costs not reimbursed by the third-party insurer, in which event the county may recover from the inmate the cost of the non-reimbursed medical services.

(c) If a person violates any provision of this section, he is guilty of a Class 1 misdemeanor. (1967, c. 581, s. 2; 1973, c. 822, s. 1; 1993, c. 510, s. 1; c. 539, s. 1061; 1994, Ex. Sess., c. 24, s. 14(c).)

Cross References. — As to liability of county for emergency medical services for prisoners working pursuant to § 162-58, see § 162-61.

Editor's Note. — Session Laws 1993, c. 539, s. 1061, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

CASE NOTES

Payment of Expenses Under Insurance Policy. — Since medical payments made by county were mandated by statute, paying jail inmate's medical expenses was not voluntary, and therefore, payment under insurance policy was not barred for this reason. County of Guilford v. National Union Fire Ins. Co., 108 N.C. App. 1, 422 S.E.2d 360 (1992).

County's claim not barred by policy exclusion. — Although insurance company argued that since county had a contract with hospital to provide medical care for prison inmates, policy exclusion barred coverage of payments made under that contract, since the county's liability for inmate's medical expenses was due not to its contract with the hospital, but rather to the statutory requirement that county prisons implement a plan for providing medical care to inmates, the county's claim was not barred by this policy exclusion. County of Guilford v. National Union Fire Ins. Co., 108 N.C. App. 1, 422 S.E.2d 360 (1992).

Cited in Slade v. Vernon, 110 N.C. App. 422, 429 S.E.2d 744 (1993).

§ 153A-225. Medical care of prisoners.

(a) Each unit that operates a local confinement facility shall develop a plan for providing medical care for prisoners in the facility. The plan

(1) Shall be designed to protect the health and welfare of the prisoners and to avoid the spread of contagious disease;

(2) Shall provide for medical supervision of prisoners and emergency medical care for prisoners to the extent necessary for their health and welfare;

(3) Shall provide for the detection, examination and treatment of prisoners who are infected with tuberculosis or venereal diseases.

The unit shall develop the plan in consultation with appropriate local officials and organizations, including the sheriff, the county physician, the local or district health director, and the local medical society. The plan must be approved by the local or district health director after consultation with the area mental health, developmental disabilities, and substance abuse authority, if it is adequate to protect the health and welfare of the prisoners. Upon a determination that the plan is adequate to protect the health and welfare of the prisoners, the plan must be adopted by the governing body.

As a part of its plan, each unit may establish fees of not more than ten dollars ($10.00) per incident for the provision of nonemergency medical care to prisoners. In establishing fees pursuant to this section, each unit shall establish a procedure for waiving fees for indigent prisoners.

(b) If a prisoner in a local confinement facility dies, the medical examiner and the coroner shall be notified immediately. Within five days after the day of the death, the administrator of the facility shall make a written report to the local or district health director and to the Secretary of Environment, Health, and Natural Resources. The report shall be made on forms developed and distributed by the Department of Environment, Health, and Natural Resources.

(c) If a person violates any provision of this section (including the requirements regarding G.S. 130-97 and 130-121), he is guilty of a Class 1 misdemeanor. (1967, c. 581, s. 2; 1973, c. 476, ss. 128, 138; c. 822, s. 1; 1973, c. 1140, s. 3; 1989, c. 727, s. 204; 1991, c. 237, s. 2; 1993, c. 539, s. 1062; 1994, Ex. Sess., c. 24, s. 14(c); 1995, c. 385, s. 1.)

Editor's Note. —

Session Laws 1993, c. 539, s. 1062, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

Effect of Amendments. — The 1995 amendment, effective July 6, 1995, added the last two sentences of subsection (a).

CASE NOTES

Payment of Expenses Under Insurance Policy. — Since medical payments made by county were mandated by statute, paying jail inmate's medical expenses was not voluntary, and therefore, payment under insurance policy was not barred for this reason. County of Guilford v. National Union Fire Ins. Co., 108 N.C. App. 1, 422 S.E.2d 360 (1992).

County's Claim Not Barred by Policy Exclusion. — Although insurance company argued that since county had a contract with hospital to provide medical care for prison inmates, policy exclusion barred coverage of payments made under that contract, since the county's liability for inmate's medical expenses was due not to its contract with the hospital, but rather to the statutory requirement that county prisons implement a plan for providing medical care to inmates, the county's claim was not barred by this policy exclusion. County of Guilford v. National Union Fire Ins. Co., 108 N.C. App. 1, 422 S.E.2d 360 (1992).

§ 153A-226. Sanitation and food.

(a) The Commission for Health Services shall adopt rules governing the sanitation of local confinement facilities, including the kitchens and other places where food is prepared for prisoners. The rules shall address, but not be limited to, the cleanliness of floors, walls, ceilings, storage spaces, utensils, ventilation equipment, and other facilities; adequacy of lighting, water, lavatory facilities, bedding, food protection facilities, treatment of eating and drinking utensils, and waste disposal; methods of food preparation, handling, storage, and serving; and any other item necessary to the health of the prisoners or the public.

(b) The Commission for Health Services shall prepare a score sheet to be used by local health departments in inspecting local confinement facilities. The local health departments shall inspect local confinement facilities as often as may be required by the Commission for Health Services. If an inspector of the Department finds conditions that reflect hazards or deficiencies in the sanitation or food service of a local confinement facility, he shall immediately notify the local health department. The health department shall promptly inspect the facility. After making its inspection, the local health department shall forward a copy of its report to the Department of Human Resources and to the unit operating the facility, on forms prepared by the Department of Environment, Health, and Natural Resources. The report shall indicate whether the facility and its kitchen or other place for preparing food is approved or disapproved for public health purposes. If the facility is disapproved, the situation shall be rectified according to the procedures of G.S. 153A-223. (1967, c. 581, s. 2; 1973, c. 476, s. 128; c. 822, s. 1; 1989, c. 727, s. 205; 1993, c. 262, s. 5.)

Part 3. Satellite Jail/Work Release Units.

§ 153A-230.3. Basic requirements for satellite jail/work release units.

(a) Eligibility for Unit. — The following rules shall govern which misdemeanants are housed in a satellite jail/work release unit:

(1) Any convicted misdemeanant who:
  a. Receives an active sentence in the county or group of counties operating the unit,
  b. Is employed in the area or can otherwise earn his keep by working at the unit on maintenance and other jobs related to upkeep and operation of the unit or by assignment to community service work, and
  c. Consents to placement in the unit under these conditions,

shall not be sent to the State prison system except by written findings of the sentencing judge that the misdemeanant is violent or otherwise a threat to the public and therefore unsuitable for confinement in the unit.

(2) The County shall offer work release programs to both male and female misdemeanants, through local facilities for both, or through a contractual agreement with another entity for either, provided that such arrangement is in reasonable proximity to the misdemeanant's workplace.

(3) The sentencing judge shall make a finding of fact as to whether the misdemeanant is qualified for occupancy in the unit pursuant to G.S. 15A-1352(a). If the sentencing judge determines that the misdemeanant is qualified for occupancy in the unit and the misdemeanant meets the requirements of subdivision (1), then the custodian of the local confinement facility may transfer the misdemeanant to the unit. If at any time either prior to or after placement of an inmate into the unit the Sheriff determines that there is an indication of violence, unsuitable behavior, or other threat to the public that could make the prisoner unsuitable for the unit, the Sheriff may place the prisoner in the county jail.

(4) The Sheriff may accept work release misdemeanants from other counties provided that those inmates agree to pay for their upkeep, that space is available, and that the Sheriff is willing to accept responsibility for the prisoner after screening.

(5) The Sheriff may accept work release misdemeanants or felons from the Department of Correction provided that those inmates agree to pay for their upkeep, that space is available, and that the Sheriff is willing to accept responsibility for the prisoner after screening.

(a1) Non-eligible for unit. — If the sentencing judge finds that the misdemeanant does not meet the eligibility criteria set forth in G.S. 135A-230.3(a)(1)b, but is otherwise eligible for placement in the unit, then the Sheriff may transfer the misdemeanant from the local confinement facility to the unit if the misdemeanant meets the eligibility criteria at a later date. The Sheriff may also transfer prisoners who were placed in the unit pursuant to G.S. 148-32.1(b) to the local confinement facility when space becomes available.

(b) Operation of Satellite Jail/Work Release Unit. — A county or group of counties operating a satellite jail/work release unit shall comply with the following requirements concerning operation of the unit:

(1) The county shall make every effort to ensure that at least eighty percent (80%) of the unit occupants shall be employed and on work release, and that the remainder shall earn their keep by working at the unit on maintenance and other jobs related to the upkeep and operation of the unit or by assignment to community service work, and that alcohol and drug rehabilitation be available through community resources.

(2) The county shall require the occupants to give their earnings, less standard payroll deduction required by law and premiums for group health insurance coverage, to the Sheriff. The county may charge a per day charge from those occupants who are employed or otherwise able to pay from other resources available to the occupants. The per day charge shall be calculated based on the following formula: The charge shall be either the amount that the Department of Correction deducts from a prisoner's work-release earnings to pay for the cost of the prisoner's keep or fifty percent (50%) of the occupant's net weekly income, whichever is greater, but in no event may the per day charge exceed an amount that is twice the amount that the Department of Correction pays each local confinement facility for the cost of providing food, clothing, personal items, supervision, and necessary ordinary medical expenses. The per day charge may be adjusted on an individual basis where restitution and/or child support has been ordered, or where the occupant's salary or resources are insufficient to pay the charge.

The county also shall accumulate a reasonable sum from the earnings of the occupant to be returned to him when he is released from the unit. The county also shall follow the guidelines established for the Department of Correction in G.S. 148-33.1(f) for determining the amount and order of disbursements from the occupant's earnings.

(3) Any and all proceeds from daily fees shall belong to the county's General Fund to aid in offsetting the operation and maintenance of the satellite unit.

(4) The unit shall be operated on a full-time basis, i.e., seven days/nights a week, but weekend leave may be granted by the Sheriff. In granting weekend leave, the Sheriff shall follow the policies and procedures of the Department of Correction for granting weekend leave for Level 3 minimum custody inmates.

(5) Earned time shall be applied to these county prisoners in the same manner as prescribed in G.S. 15A-1340.20 and G.S. 148-13 for State prisoners.

(6) The Sheriff shall maintain complete and accurate records on each inmate. These records shall contain the same information as required for State prisoners that are housed in county local confinement facilities. (1987, c. 207, s. 1; 1987 (Reg. Sess., 1988), c. 1106, ss. 4, 5; 1989, c. 761, ss. 4, 7; 1993 (Reg. Sess., 1994), c. 767, s. 3.)

Editor's Note. — Session Laws 1993 (Reg. Sess., 1994), c. 767, which amended this section, in s. 34 provides: "Prosecution for, or sentences based on, offenses occurring before the effective date of this act are not abated or affected by the repeal or amendment in this act of any statute, and the statutes that would be applicable to those prosecutions or sentences but for the provisions of this act remain applicable to those prosecutions or sentences."

§ 153A-239.1. Naming roads and assigning street numbers in unincorporated areas for counties.

(a) A county may by ordinance name or rename any road within the county and not within a city, and may assign or reassign street numbers for use on such a road. In naming or renaming a road, a county may not:

(1) Change the name, if any, given to the road by the Board of Transportation, unless the Board of Transportation agrees;
(2) Change the number assigned to the road by the Board of Transportation, but may give the road a name in addition to its number; or
(3) Give the road a name that is deceptively similar to the name of any other public road in the vicinity.

A county shall not name or rename a road or assign or reassign street numbers on a road until it has held a public hearing on the matter. At least 10 days before the day of the hearing, the board of commissioners shall cause notice of the time, place and subject matter of the hearing to be prominently posted at the county courthouse, in at least two public places in the township or townships where the road is located, and shall publish a notice of such hearing in a newspaper of general circulation published in the county. After naming or renaming a road, or assigning or reassigning street numbers on a road, a county shall cause notice of its action to be given to the local postmaster with jurisdiction over the road, to the Board of Transportation, and to any city within five miles of the road.

(b) Repealed by Session Laws 1993, c. 62, s. 3, effective May 24, 1993. (1979, 2nd Sess., c. 1319, s. 2; 1981, c. 568; 1983, cc. 98, 299; 1987 (Reg. § 153A-241. Closing public roads or easements.

A county may permanently close any public road or any easement within the county and not within a city, except public roads or easements for public roads under the control and supervision of the Department of Transportation. The board of commissioners shall first adopt a resolution declaring its intent to close the public road or easement and calling a public hearing on the question. The board shall cause a notice of the public hearing reasonably calculated to give full and fair disclosure of the proposed closing to be published once a week for three successive weeks before the hearing, a copy of the resolution to be sent by registered or certified mail to each owner as shown on the county tax records of property adjoining the public road or easement who did not join in the request to have the road or easement closed, and a notice of the closing and public hearing to be prominently posted in at least two places along the road or easement. At the hearing the board shall hear all interested persons who appear with respect to whether the closing would be detrimental to the public interest or to any individual property rights. If, after the hearing, the board of commissioners is satisfied that closing the public road or easement is not contrary to the public interest and (in the case of a road) that no individual owning property in the vicinity of the road or in the subdivision in which it is located would thereby be deprived of reasonable means of ingress and egress to his property, the board may adopt an order closing the road or easement. A certified copy of the order (or judgment of the court) shall be filed in the office of the register of deeds of the county.

Any person aggrieved by the closing of a public road or an easement may appeal the board of commissioners' order to the appropriate division of the General Court of Justice within 30 days after the day the order is adopted. The court shall hear the matter de novo and has jurisdiction to try the issues arising and to order the road or easement closed upon proper findings of fact by the trier of fact.

No cause of action founded upon the invalidity of a proceeding taken in closing a public road or an easement may be asserted except in an action or proceeding begun within 30 days after the day the order is adopted.

Upon the closing of a public road or an easement pursuant to this section, all right, title, and interest in the right-of-way is vested in those persons owning lots or parcels of land adjacent to the road or easement, and the title of each adjoining landowner, for the width of his abutting land, extends to the center line of the public road or easement. However, the right, title or interest vested in an adjoining landowner by this paragraph remains subject to any public utility use or facility located on, over, or under the road or easement immediately before its closing, until the landowner or any successor thereto pays to the utility involved the reasonable cost of removing and relocating the facility. § 153A-275. Authority to operate public enterprises.

(a) A county may acquire, lease as lessor or lessee, construct, establish, enlarge, improve, extend, maintain, own, operate, and contract for the operation of public enterprises in order to furnish services to the county and its citizens. A county may acquire, construct, establish, enlarge, improve, maintain, own, and operate outside its borders any public enterprise.

(b) A county may adopt adequate and reasonable rules to protect and regulate a public enterprise belonging to or operated by it. The rules shall be adopted by ordinance, shall apply to the public enterprise system both within and outside the county, and may be enforced with the remedies available under any provision of law. (1955, c. 370; 1957, c. 266, s. 3; 1961, c. 514, s. 1; c. 1001, s. 1; 1967, c. 462; 1971, c. 568; 1973, c. 822, s. 1; 1991 (Reg. Sess., 1992), c. 836, s. 2.)

Editor's Note. — Session Laws 1991 (Reg. Sess., 1992), c. 836, s. 2, amended this section effective October 1, 1992, and applicable to ordinances adopted prior to that date, by adding the subsection designations (a) and (b), and in subsection (b), in the first sentence deleting "by ordinance or resolution" following

"A county may," and substituting "rules" for "rules and regulations," and adding the second sentence.

§ 153A-277. Authority to fix and enforce rates.

(a) A county may establish and revise from time to time schedules of rents, rates, fees, charges, and penalties for the use of or the services furnished by a public enterprise. Schedules of rents, rates, fees, charges, and penalties may vary for the same class of service in different areas of the county and may vary according to classes of service, and different schedules may be adopted for services provided outside of the county. A county may include a fee relating to subsurface discharge wastewater management systems and services on the property tax bill for the real property where the system for which the fee is imposed is located.

(a1) Before it establishes or revises a schedule of rates, fees, charges, or penalties for structural and natural stormwater and drainage systems under this section, the board of commissioners shall hold a public hearing on the matter. A notice of the hearing shall be given at least once in a newspaper having general circulation in the area, not less than seven days before the public hearing. The hearing may be held concurrently with the public hearing on the proposed budget ordinance.

The fees established under this subsection must be made applicable throughout the area of the county outside municipalities. Schedules of rates, fees, charges, and penalties for providing structural and natural stormwater and drainage system service may vary according to whether the property served is residential, commercial, or industrial property, the property's use, the size of the property, the area of impervious surfaces on the property, the quantity and quality of the runoff from the property, the characteristics of the watershed into which stormwater from the property drains, and other factors that affect the stormwater drainage system. Rates, fees, and charges imposed under this subsection may not exceed the county's cost of providing a stormwater and drainage system.

No stormwater utility fee may be levied under this subsection whenever two or more units of local government operate separate structural and natural stormwater and drainage system services in the same area within a county. However, two or more units of local government may allocate among themselves the functions, duties, powers, and responsibilities for jointly operating a single structural and natural stormwater and drainage system service in the same area within a county, provided that only one unit may levy a fee for the service within the joint service area. For purposes of this subsection, a unit of local government shall include a regional authority providing structural and natural stormwater and drainage system services.

(b) A county may collect delinquent accounts by any remedy provided by law for collecting and enforcing private debts, and may specify by ordinance the order in which partial payments are to be applied among the various enterprise services covered by a bill for the services. A county may also discontinue service to a customer whose account remains delinquent for more than 10 days. If a delinquent customer is not the owner of the premises to which the services are delivered, the payment of the delinquent account may not be required before providing services at the request of a new and different tenant or occupant of the premises. If water or sewer services are discontinued for delinquency, it is unlawful for a person other than a duly authorized agent or employee of the county to reconnect the premises to the water or sewer system.

(c) Rents, rates, fees, charges, and penalties for enterprisory services are in no case a lien upon the property or premises served and, except as provided in subsection (d) of this section, are legal obligations of the person contracting for them, provided that no contract shall be necessary in the case of structural and natural stormwater and drainage systems.

(d) Rents, rates, fees, charges, and penalties for enterprisory services are legal obligations of the owner of the property or premises served when:

(1) The property or premises is leased or rented to more than one tenant and services rendered to more than one tenant are measured by the same meter; or

(2) Charges made for use of a sewerage system are billed separately from charges made for the use of a water distribution system. (1961, c. 1001, s. 1; 1973, c. 822, s. 1; 1991, c. 591, s. 2; 1991 (Reg. Sess., 1992), c. 932, s. 3; c. 1007, s. 45.)

Local Modification. — Cumberland County; 1995, c. 469, § 1.

Part 2. Special Provisions for Water and Sewer Services.

§ 153A-283. Nonliability for failure to furnish water or sewer services.

CASE NOTES

Applicability. — This section did not apply to action against county for denying plaintiffs access to county sewer line, where plaintiffs did not seek sewer services from the the county, which were to be provided by town, but all plaintiffs sought from defendant was access to a county-owned sewer line. Browning-Ferris Indus. of S. Atl., Inc. v. Wake County, 905 F. Supp. 312 (E.D.N.C. 1995).

§ 153A-284. Power to require connections.

A county may require the owner of developed property on which there are situated one or more residential dwelling units or commercial establishments located so as to be served by a water line or sewer collection line owned, leased as lessee, or operated by the county or on behalf of the county to connect the owner's premises with the water or sewer line and may fix charges for these connections. In the case of improved property that would qualify for the issuance of a building permit for the construction of one or more residential dwelling units or commercial establishments and where the county has installed water or sewer lines or a combination thereof directly available to the property, the county may require payment of a periodic availability charge, not to exceed the minimum periodic service charge for properties that are connected. (1963, c. 985, s. 1; 1965, c. 969, s. 2; 1973, c. 822, s. 1; 1979, c. 619, s. 13; 1995, c. 511, s. 3.)

Editor's Note. — Session Laws 1995, c. 511, which amended this section, in s. 5 provides: "It is the express purpose of this act to provide additional and alternative powers to political subdivisions and authorities affected by this act and to provide additional and alternative methods by which the functions affected by this act may be performed. This act is not intended, and shall not be construed, to derogate, limit, or repeal any power now existing under any other law, whether general, special, or local."

Session Laws 1995, c. 511, which amended this section, in s. 6 provides: "All general, special, or local laws, or parts thereof, inconsistent with the provisions of this act are declared to be inapplicable to the provisions of this act."

Effect of Amendments. — The 1995 amendment, effective July 29, 1995, rewrote the first sentence and added the last sentence.

§ 153A-285: Repealed by Session Laws 1993, c. 348, s. 4, effective January 1, 1994.

Cross References. — This section, concerning prerequisites to acquisition of water and water rights in certain counties, was repealed by Session Laws 1993, c. 348, s. 4, effective January 1, 1994. For present similar provisions, see G.S. 143-215.22I.

§ 153A-287: Repealed by Session Laws 1993, c. 348, s. 5, effective January 1, 1994.

Part 3. Special Provisions for Solid Waste Collection and Disposal.

§ 153A-292. County collection and disposal facilities.

(a) The board of county commissioners of any county may establish and operate solid waste collection and disposal facilities in areas outside the corporate limits of a city. The board may by ordinance regulate the use of a disposal facility provided by the county, the nature of the solid wastes disposed of in a facility, and the method of disposal. The board may contract with any city, individual, or privately owned corporation to collect and dispose of solid waste in the area. Counties and cities may establish and operate joint collection and disposal facilities. A joint agreement shall be in writing and executed by the governing bodies of the participating units of local government.

(b) The board of county commissioners may impose a fee for the collection of solid waste. The fee may not exceed the costs of collection.

The board of county commissioners may impose a fee for the use of a disposal facility provided by the county. The fee for use may not exceed the cost of operating the facility and may be imposed only on those who use the facility. The fee for use may vary based on the amount, characteristics, and form of recyclable materials present in solid waste brought to the facility for disposal. A county may not impose a fee for the use of a disposal facility on a city located in the county or a contractor or resident of the city unless the fee is based on a schedule that applies uniformly throughout the county.

The board of county commissioners may impose a fee for the availability of a disposal facility provided by the county. A fee for availability may not exceed the cost of providing the facility and may be imposed on all improved property in the county that benefits from the availability of the facility. A county may not impose an availability fee on property whose solid waste is collected by a county, a city, or a private contractor for a fee if the fee imposed by a county, a city, or a private contractor for the collection of solid waste includes a charge for the availability and use of a disposal facility provided by the county. Property served by a private contractor who disposes of solid waste collected from the property in a disposal facility provided by a private contractor is not considered to benefit from a disposal facility provided by the county and is not subject to a fee imposed by the county for the availability of a disposal facility provided by the county.

In determining the costs of providing and operating a disposal facility, a county may consider solid waste management costs incidental to a county's handling and disposal of solid waste at its disposal facility, including the costs of the methods of solid waste management specified in G.S. 130A-309.04(a) of the Solid Waste Management Act of 1989. A fee for the availability or use of a disposal facility may be based on the combined costs of the different disposal facilities provided by the county.

(c) The board of county commissioners may use any suitable vacant land owned by the county for the site of a disposal facility, subject to the permit requirements of Article 9 of Chapter 130A of the General Statutes. If the county does not own suitable vacant land for a disposal facility, it may acquire suitable land by purchase or condemnation. The board may erect a gate across a highway that leads directly to a disposal facility operated by the county. The gate may be erected at or in close proximity to the boundary of the disposal facility. The county shall pay the cost of erecting and maintaining the gate.

(d), (e) Repealed by Session Laws 1991, c. 652, s. 1, effective July 12, 1991.

(f) This section does not prohibit a county from providing aid to low-income persons to pay all or part of the cost of solid waste management services for those persons. (1961, c. 514, s. 1; 1971, c. 568; 1973, c. 535; c. 822, s. 2; 1981, c. 919, s. 22; 1989 (Reg. Sess., 1990), c. 1009, s. 3; 1991, c. 652, s. 1; 1995 (Reg. Sess., 1996), c. 594, s. 27.)

Effect of Amendments. — The 1995 (Reg. Sess., 1996) amendment, effective October 1, 1996, added the third sentence of the second paragraph of subsection (b); and added subsection (f).

§ 153A-293. (See Editor's note) Collection of fees for solid waste disposal facilities and solid waste collection services.

Editor's Note. —

Session Laws 1991, c. 652, s. 6, which is noted under this section in the main volume, was amended by Session Laws 1991 (Reg. Sess., 1992), c. 1007, s. 26 to provide: "Chapters 591, 905, 938, 940, 974, 1007, and 1017 of the 1989 Session Laws are repealed to clarify that G.S. 153A-293, as amended by this act, is a statewide statute and not a local statute. An ordinance adopted under a local act that is repealed by this act is considered to have been adopted under G.S. 153A-293, as amended by this act."

§ 153A-294. Solid waste defined.

As used in this Article, "solid waste" means nonhazardous solid waste, that is, solid waste as defined in G.S. 130A-290 but not including hazardous waste. (1991 (Reg. Sess., 1992), c. 1013, s. 4.)

Editor's Note. — Session Laws 1991 (Reg. Sess., 1992), c. 1013, s. 10 made this section effective upon ratification. The act was ratified July 22, 1992.

Session Laws 1991 (Reg. Sess., 1992), c. 1013, which enacted this section, in s. 8 provides: "Any contract for solid waste collection or disposal entered into by any county, city, or town that would have been lawful if this act had been in effect at the time the contract was entered into is validated. The provisions of this act that limit a contract or franchise for the collection and disposal of solid waste to a period of not more than 30 years shall not be construed to invalidate any contract or franchise for a longer period up to 60 years that was entered into by any county, city, or town prior to the date this act is effective." The act became effective July 22, 1992.

Part 4. Long Term Contracts for Disposal of Solid Waste.

§§ 153A-299.1 through 153A-299.6: Repealed by Session Laws 1991 (Regular Session, 1992), c. 1013, s. 5, effective July 22, 1992.

Editor's Note. — Session Laws 1991 (Reg. Sess., 1992), c. 1013, which repealed this part, in s. 8 provides: "Any contract for solid waste collection or disposal entered into by any county, city, or town that would have been lawful if this act had been in effect at the time the contract was entered into is validated. The provisions of this act that limit a contract or franchise for the collection and disposal of solid waste to a period of not more than 30 years shall not be construed to invalidate any contract or franchise for a longer period up to 60 years that was entered into by any county, city, or town prior to the date this act is effective." The act became effective July 22, 1992.

Session Laws 1991 (Reg. Sess., 1992), c. 763, s. 2, provides: "Any contract for solid waste disposal entered into by Bladen, Cumberland, and Hoke Counties which would have been lawful if this act had been in effect at the time the contract was entered into is ratified." The act was ratified June 9, 1992.

Session Laws 1991 (Reg. Sess., 1992), c. 763, s. 1, effective June 9, 1992, inserted "Bladen County," "Cumberland County," and "Hoke County" in § 153A-299.6 prior to its repeal.

Session Laws 1991 (Reg. Sess., 1992), c. 773, s. 1, effective June 22, 1992, inserted "Bertie County," "Chowan County," "Hertford County," and "Tyrrell County" in § 153A-299.6 prior to its repeal.

Session Laws 1991 (Reg. Sess., 1992), c. 775, s. 1, effective June 22, 1992, inserted "Moore County" in § 153A-299.6, prior to its repeal.

Article 16.

County Service Districts; County Research and Production Service Districts.

Part 1. County Service Districts.

§ 153A-301. Purposes for which districts may be established.

(a) The board of commissioners of any county may define any number of service districts in order to finance, provide, or maintain for the districts one or more of the following services, facilities and functions in addition to or to a greater extent than those financed, provided or maintained for the entire county:

(1) Beach erosion control and flood and hurricane protection works.
(2) Fire protection.
(3) Recreation.
(4) Sewage collection and disposal systems of all types, including septic tank systems or other on-site collection or disposal facilities or systems.
(5) Solid waste collection and disposal systems.
(6) Water supply and distribution systems.
(7) Ambulance and rescue.
(8) Watershed improvement projects, including but not limited to watershed improvement projects as defined in General Statutes Chapter 139; drainage projects, including but not limited to the drainage projects provided for by General Statutes Chapter 156; and water resources development projects, including but not limited to the federal water resources development projects provided for by General Statutes Chapter 143, Article 21.
(9) Cemeteries.
(10) Law enforcement if all of the following apply:
    a. The population of the county is over five hundred thousand according to the most recent federal decennial census.
    b. The county has an interlocal agreement with a city in the county under which the city provides law enforcement services in the entire unincorporated area of the county.
    c. The county will pay to the city the following percentages of the city-county police department budget if there are no significant changes to the city's statutory annexation authority:
        1. 9.60% for fiscal years 1995-96 and 1996-97.
        2. 7.60% for fiscal years 1997-98 and 1998-99.
        3. 5.60% for fiscal years 1999-2000 and 2000-2001.
        4. 3.60% for fiscal years 2001-02 and 2002-03.
        5. 1.60% for fiscal years 2003-04 and 2004-05.

        Provided, if the difference between the ratio of the population in the unincorporated area to the total population served by the city-county police department and the rate for the current year as stated above is greater than fifteen percent (15%), the[n] the county's agreement to pay such percentages can be amended to reflect that difference.

(b) The General Assembly finds that coastal-area counties have a special problem with lack of maintenance of platted rights-of-way, resulting in ungraded sand travelways deviating from the original rights-of-way and encroaching on private property, and such cartways exhibit poor drainage and are blocked by junk automobiles.

(c) To address the problem described in subsection (b), the board of commissioners of any coastal-area county as defined by G.S. 113A-103(2) may define any number of service districts in order to finance, provide, or maintain for the districts one or more of the following services, facilities and functions in addition to or to a greater extent than those financed, provided or maintained for the entire county:

(1) Removal of junk automobiles; and
(2) Street maintenance.

(d) The board of commissioners of a county that contains a protected mountain ridge, as defined by G.S. 113A-206(6), may define any number of service districts, composed of subdivision lots within one or more contiguous subdivisions that are served by common public roads, to finance for the district the maintenance of such public roads that are either located in the district or provide access to some or all lots in the district from a State road, where some portion of those roads is not subject to compliance with the minimum standards of the Board of Transportation set forth in G.S. 136-102.6. The service district or districts created shall include only subdivision lots within the subdivision, and one or more additional contiguous subdivisions, where the property owners' association, whose purpose is to represent these subdivision lots, agrees to be included in the service district. For subdivision lots in an additional contiguous subdivision or for other adjacent or contiguous property to be annexed according to G.S. 153A-303, the property owners' association representing the subdivision or property to be annexed must approve the annexation. For the purposes of this subsection: (i) "subdivision lots" are defined as either separate tracts appearing of record upon a recorded plat, or other lots, building sites, or divisions of land for sale or building development for residential purposes; and (ii) "public roads" are defined as roads that are in actual open use as public vehicular areas, or dedicated or offered for dedication to the public use as a road, highway, street, or avenue, by a deed, grant, map, or plat, and that have been constructed and are in use by the public, but that are not currently being maintained by any public authority. (1973, c. 489, s. 1; c. 822, s. 2; c. 1375; 1979, c. 595, s. 1; c. 619, s. 6; 1983 (Reg. Sess., 1984), c. 1078, s. 1; 1989, c. 620; 1993, c. 378, s. 1; 1995, c. 354, s. 1; c. 434, s. 1.)

Effect of Amendments. — Session Laws 1995, c. 354, s. 1, effective June 29, 1995, added subdivision (a)(10) and made punctuation changes throughout subsection (a).

Session Laws 1995, c. 434, s. 1, effective July 13, 1995, rewrote subsection (d).

§ 153A-302. Definition of service districts.

(a) Standards. — In determining whether to establish a proposed service district, the board of commissioners shall consider all of the following:

(1) The resident or seasonal population and population density of the proposed district.

(2) The appraised value of property subject to taxation in the proposed district.

(3) The present tax rates of the county and any cities or special districts in which the district or any portion thereof is located.

(4) The ability of the proposed district to sustain the additional taxes necessary to provide the services planned for the district.

(5) If it is proposed to furnish water, sewer, or solid waste collection services in the district, the probable net revenues of the projects to be financed and the extent to which the services will be self-supporting.

(6) Any other matters that the commissioners believe to have a bearing on whether the district should be established.

(a1) Findings. — The board of commissioners may establish a service district if, upon the information and evidence it receives, the board finds that all of the following apply:

(1) There is a demonstrable need for providing in the district one or more of the services listed in G.S. 153A-301.

(2) It is impossible or impracticable to provide those services on a countywide basis.

(3) It is economically feasible to provide the proposed services in the district without unreasonable or burdensome annual tax levies.

(4) There is a demonstrable demand for the proposed services by persons residing in the district.

Territory lying within the corporate limits of a city or sanitary district may not be included unless the governing body of the city or sanitary district agrees by resolution to such inclusion.

(b) Report. — Before the public hearing required by subsection (c), the board of commissioners shall cause to be prepared a report containing:

(1) A map of the proposed district, showing its proposed boundaries;

(2) A statement showing that the proposed district meets the standards set out in subsection (a); and

(3) A plan for providing one or more of the services listed in G.S. 153A-301 to the district.

The report shall be available for public inspection in the office of the clerk to the board for at least four weeks before the date of the public hearing.

(c) Hearing and Notice. — The board of commissioners shall hold a public hearing before adopting any resolution defining a new service district under this section. Notice of the hearing shall state the date, hour, and place of the hearing and its subject, and shall include a map of the proposed district and a statement that the report required by subsection (b) is available for public inspection in the office of the clerk to the board. The notice shall be published at least once not less than one week before the date of the hearing. In addition, it shall be mailed at least four weeks before the date of the hearing by any class of U.S. mail which is fully prepaid to the owners as shown by the county tax records as of the preceding January 1 (and at the address shown thereon) of all property located within the proposed district. The person designated by the board to mail the notice shall certify to the board that the mailing has been completed and his certificate is conclusive in the absence of fraud.

(d) Effective Date. — The resolution defining a service district shall take effect at the beginning of a fiscal year commencing after its passage, as determined by the board of commissioners.

(e) Exceptions For Countywide District. — The following requirements do not apply to a board of commissioners that proposes to create a law enforcement service district pursuant to G.S. 153A-301(a)(10) that covers the entire unincorporated area of the county:

(1) The requirement that the district cannot be created unless the board makes the finding in subdivision (a1)(2) of this section.

(2) The requirement in subsection (c) of this section to notify each property owner by mail, if the board publishes a notice of its proposal to establish the district, once a week for four successive weeks before the date of the hearing required by that subsection. (1973, c. 489, s. 1; c. 822, s. 2; 1981, c. 53, s. 1; 1995, c. 354, s. 2.)

Effect of Amendments. — The 1995 amendment, effective June 29, 1995, added "all of the following" to the end of the introductory language in subsection (a); added the subsection (a1) designation and subcatchline; added "all of the following apply" to the end of the introductory language in subsection (a1); added subsection (e); and made punctuation changes throughout subsections (a) and (a1).

§ 153A-305. Required provision or maintenance of services.

Editor's Note. — Session Laws 1995, c. 461, s. 19, provides: "If a concurrent resolution is adopted pursuant to G.S. 153A-405 prior to the effective date of this act [July 19, 1995], the concurrent resolution may be amended to include authorization or direction that the ballot question may include the assumption of obligations language and may also include the assumption of the right to issue authorized but unissued faith and credit debt language as provided by G.S. 153A-405."

§ 153A-309.2. Rate limitation in certain districts.

(a) In connection with the establishment of a service district for fire protection as provided by G.S. 153A-301(2), if the board of commissioners adopts a resolution within 90 days prior to the public hearing required by G.S. 153A-302(c) but prior to the first publication of notice required by subsection (b) of this section, which resolution states that property taxes within a district may not be levied in excess of a rate of fifteen cents (15¢) on each one hundred dollars ($100.00) of property subject to taxation, then property taxes may not be levied in that service district in excess of that rate.

(b) Whenever a service district is established under this section, instead of the procedures for hearing and notice under G.S. 153A-302(c), the board of commissioners shall hold a public hearing before adopting any resolution defining a new service district under this section. Notice of the hearing shall state the date, hour and place of the hearing and its subject, and shall include a map of the proposed district and a statement that the report required by G.S. 153A-302(b) is available for public inspection in the office of the clerk to the board. The notice shall be published at least twice, with one publication not less than two weeks before the hearing, and the other publication on some other day not less than two weeks before the hearing. (1985, c. 724.)

Part 2. County Research and Production Service Districts.

§ 153A-311. Purposes for which districts may be established.

Editor's Note. — Session Laws 1985, c. 435, s. 2 prohibited any municipality from annexing a described tract of land in Durham and Wake Counties except under Parts 1 or 4 of Chapter 160A. The legal description of this tract can be found in c. 435, s. 2. The tract described is the Research Triangle Park, which is a county research and production service district.

CASE NOTES

Amendment to county zoning ordinance constituted a valid legislative prerogative to change the sanitary landfill use from a "special use permit" category to a "use by right under prescribed conditions" category and that section of the county zoning ordinance, which allowed the county zoning administrator to approve the county's permit application for the siting of a landfill, was constitutional and lawful on its face. County of Lancaster v. Mecklenburg County, 334 N.C. 496, 434 S.E.2d 604 (1993).

§ 153A-323. Procedure for adopting or amending ordinances under this Article and Chapter 160A, Article 19.

Editor's Note. — Session Laws 1993, c. 469, s. 3(a), effective January 1, 1994, repeals various acts, including the following local modifications to this section: Session Laws 1993, c. 101, as to Wilkes; 1993, c. 139, as to Stokes; 1993, c. 156, as to Watauga; 1993, c. 267, as to Davidson and Davie; 1993, c. 296, as to Nash and Franklin. Section 3(b) of c. 469 provides that nothing in the section affects any ordinance adopted under the authority of any act repealed by s. 3(a) prior to the effective date of c. 469.

Session Laws 1993, c. 469, s. 5 provides: "Sec. 5. (a) This act becomes effective January 1, 1994, except that as to any city or county, it becomes effective at any time between the date of ratification of this act and January 1, 1994 if the city or county, as appropriate, adopts an ordinance placing it into effect at such earlier date. Adoption of such ordinance is subject to the procedural requirements of G.S. 160A-364 or G.S. 153A-323, as appropriate, but not to any procedural requirement of the zoning ordinance for adoption of amendments to the zoning ordinance. The ordinance may provide for different dates of applicability based on the stage of the zoning classification action on the effective date.

"If the city or county is subject to a local act repealed by Section 3 of this act, the ordinance prevails over some or all of the local act if the ordinance so provides.

"(b) This section does not apply to Forsyth County or municipalities located within that county."

CASE NOTES

Failure to Comply with Notice Requirements. — Where there was no notice to the public or advertised public hearing prior to adoption of the ordinance as required by this section; the trial court's conclusion that the ordinance passed by the board imposing a moratorium on building permits pending zoning was invalid. Vulcan Materials Co. v. Iredell County, 103 N.C. App. 779, 407 S.E.2d 283 (1991).

CASE NOTES

Even though a developer's plat map may not fall within the definition of a subdivision, as defined in a county's subdivision regulations, the county is not required to approve the map for plat recordation if the proposed use of the land as shown thereon would be a danger to the health, safety and welfare of the community. Three Guys Real Estate v. Harnett County, 122 N.C. App. 362, 469 S.E.2d 578 (1996).

§ 153A-334. Penalties for transferring lots in unapproved subdivisions.

If a person who is the owner or the agent of the owner of any land located within the territorial jurisdiction of a county that has adopted a subdivision regulation ordinance subdivides his land in violation of the ordinance or transfers or sells land by reference to, exhibition of, or any other use of a plat showing a subdivision of the land before the plat has been properly approved under the ordinance and recorded in the office of the appropriate register of deeds, he is guilty of a Class 1 misdemeanor. The description by metes and bounds in the instrument of transfer or other document used in the process of selling or transferring land does not exempt the transaction from this penalty. The county may bring an action for injunction of any illegal subdivision, transfer, conveyance, or sale of land, and the court shall, upon appropriate findings, issue an injunction and order requiring the offending party to comply with the subdivision ordinance. Editor's Note. — Session Laws 1993, c. 539, s. 1063, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

CASE NOTES

Zoning Map Requirement. — This section does not require the county to have a zoning map for the entire county when its objective is to implement zoning on an area by area basis; only a map of the area being zoned and a full text of the zoning ordinance zoned are required. Frizzelle v. Harnett County, 106 N.C. App. 234, 416 S.E.2d 421, cert. denied, 332 N.C. 147, 419 S.E.2d 571 (1992).

§ 153A-343. Method of procedure.

(a) The board of commissioners shall, in accordance with the provisions of this Article, provide for the manner in which zoning regulations and restrictions and the boundaries of zoning districts shall be determined, established, and enforced, and from time to time amended, supplemented, or changed. The procedures adopted pursuant to this section shall provide that whenever there is a zoning map amendment, the owner of that parcel of land as shown on the county tax listing, and the owners of all parcels of land abutting that parcel of land as shown on the county tax listing, shall be mailed a notice of a public hearing on the proposed amendment by first class mail at the last addresses listed for such owners on the county tax abstracts. This notice must be deposited in the mail at least 10 but not more than 25 days prior to the date of the public hearing. The person or persons mailing such notices shall certify to the Board of Commissioners that fact, and such certificate shall be deemed conclusive in the absence of fraud.

(b) The first class mail notice required under subsection (a) of this section shall not be required if the zoning map amendment directly affects more than 50 properties, owned by a total of at least 50 different property owners, and the county elects to use the expanded published notice provided for in this subsection. In this instance, a county may elect to either make the mailed notice provided for in subsection (a) of this section or may as an alternative elect to publish once a week for four successive calendar weeks in a newspaper having general circulation in the area an advertisement of the public hearing that shows the boundaries of the area affected by the proposed zoning map amendment and explains the nature of the proposed change. The final two advertisements shall comply with and be deemed to satisfy the provisions of G.S. 153A-323. The advertisement shall not be less than one-half of a newspaper page in size. The advertisement shall only be effective for property owners who reside in the area of general circulation of the newspaper which publishes the notice. Property owners who reside outside of the newspaper circulation area, according to the address listed on the most recent property tax listing for the affected property, shall be notified by first class mail pursuant to this section. The person or persons mailing the notices shall certify to the board of commissioners that fact, and the certificates shall be deemed conclusive in the absence of fraud. In addition to the published notice, a county shall post one or more prominent signs on or immediately adjacent to the subject area reasonably calculated to give public notice of the proposed rezoning.

, at its option, provide said notice or

(c) The provisions of this section shall not be applicable to any zoning map adoption that initially zones property added to the territorial coverage of the ordinance. (1973, c. 822, s. 1; 1985, c. 595, s. 1; 1987, c. 807, s. 2; 1989 (Reg. Sess., 1990), c. 980, s. 2; 1993, c. 469, s. 2; 1995, c. 261, s. 1; c. 546, s. 2.)

Local Modification. — Session Laws 1993, c. 271, s. 1 (repealed effective January 1, 1995 except for Forsyth and municipalities located therein by Session Laws 1993, c. 469, s. 4(a)). Orange: 1995, c. 339, s. 1.

For additional local modifications to this section, see the main pamphlet.

Editor's Note. —

Session Laws 1993, c. 469, which amended this section, in ss. 5 and 6 provides: "Sec. 5. (a) This act becomes effective January 1, 1994, except that as to any city or county, it becomes effective at any time between the date of ratification of this act and January 1, 1994 if the city or county, as appropriate, adopts an ordinance placing it into effect at such earlier date. Adoption of such ordinance is subject to the procedural requirements of G.S. 160A-364 or G.S. 153A-323, as appropriate, but not to any procedural requirement of the zoning ordinance for adoption of amendments to the zoning ordinance. The ordinance may provide for different dates of applicability based on the stage of the zoning classification action on the effective date.

"If the city or county is subject to a local act repealed by Section 3 of this act, the ordinance prevails over some or all of the local act if the ordinance so provides.

"(b) This section does not apply to Forsyth County or municipalities located within that county.

"Sec. 6. (a) This act becomes effective January 1, 1995 as to Forsyth County or any municipality located within that county, but it becomes effective at any time between the date of ratification of this act and January 1, 1995 if the municipality or Forsyth County, as appropriate, adopts an ordinance placing it into effect at such earlier date. Adoption of such ordinance is subject to the procedural requirements of G.S. 160A-364 or G.S. 153A-323, as appropriate, but not to any procedural requirement of the zoning ordinance for adoption of amendments to the zoning ordinance. The ordinance may provide for different dates of applicability based on the stage of the zoning classification action on the effective date.

"The ordinance prevails over some or all of Chapter 455, Session Laws of 1987, as amended by Chapter 271, Session Laws of 1993, if the ordinance so provides."

Session Laws 1993, c. 469, s. 3(a), effective January 1, 1994, repeals various acts, including the following local modifications to this section: Session Laws 1993, c. 101, as to Wilkes: 1993, c. 139, as to Stokes; 1993, c. 156, as to Watauga; 1993, c. 267, as to Davidson and Davie; 1993, c. 271, as to Rockingham; 1993, c. 296, as to Nash and Franklin; 1993, c. 358, s. 15, as to Orange. In addition, by virtue of Session Laws 1993, c. 469, s. 3, the local modifications for Alexander, Cabarrus, Catawba, Iredell, Johnston, Martin, Randolph, Wake, and Yadkin should be stricken from the main volume. Section 3(b) of c. 469 provides that nothing in the section affects any ordinance adopted under the authority of any act repealed by s. 3(a) prior to the effective date of c. 469.

Session Laws 1995, c. 546, s. 2.1, effective July 29, 1995, provides "Any local act in conflict with this act is repealed to the extent of the conflict."

Subsection (b) of this section was separately amended by Session Laws 1995, c. 261, s. 1, and by Session Laws 1995, c. 546, s. 2. The amendments are irreconcilable, and the subsection is set out above at the direction of the Revisor of Statutes.

Effect of Amendments. — Session Laws 1995, c. 261, s. 1, effective June 15, 1995, inserted "at its option, provide said notice or" following "a county shall" in the first sentence following subdivision (b)(5).

Session Laws 1995, c. 546, s. 2, effective July 29, 1995, in subsection (a), in the second sentence, substituted "map amendment" for "classification action involving a parcel of land" following "zoning", substituted "a public hearing on the proposed amendment" for "the proposed classification" following "mailed a notice of", and added the third sentence; rewrote subsection (b); and added subsection (c).

CASE NOTES

Amendment Held Not Applicable to Defendants. — Where the uncontradicted forecast of evidence established as a matter of law that defendants made substantial expenditures for the operation of a quarry on the property in question in good faith and in reliance upon the special use permit previously granted by the Zoning Board, a later amendment by the Zoning Board precluding operation of a quarry on such property would not apply to defendants. Cardwell v. Smith, 106 N.C. App. 187, 415 S.E.2d 770, cert. denied, 332 N.C. 146, 419 S.E.2d 569 (1992).

§ 153A-348. Statute of limitations.

A cause of action as to the validity of any zoning ordinance, or amendment thereto, adopted under this Part or other applicable law shall accrue upon adoption of the ordinance, or amendment thereto, and shall be brought within two months as provided in G.S. 1-54.1. (1981, c. 705, s. 2; 1995 (Reg. Sess., 1996), c. 746, s. 6.)

Part 4. Building Inspection.

§ 153A-351. Inspection department; certification of electrical inspectors.

CASE NOTES

Failure of City to Provide Inspection Services. — Section 160A-411 does not mandate that the city and the county must agree regarding the provision of inspection services; rather, it provides the options available to the city in determining who shall perform the inspections, one of which is arranging for the county to perform them, and if the city fails to provide inspection services via any of the four options, the statute dictates that the Commissioner of Insurance shall arrange for the provision of the services. The legislature does not need to intervene in the process should the county and the city fail to agree; instead, the legislature has provided that the Commissioner of Insurance shall do so should the city fail to follow the requirements of the statute. City of New Bern v. New Bern-Craven County Bd. of Educ., 338 N.C. 430, 450 S.E.2d 735 (1994).

§ 153A-353. Joint inspection department; other arrangements.

A county may enter into and carry out contracts with one or more other counties or cities under which the parties agree to create and support a joint inspection department for enforcing those State and local laws and local ordinances and regulations specified in the agreement. The governing bodies of the contracting units may make any necessary appropriations for this purpose.

In lieu of a joint inspection department, a county may designate an inspector from another county or from a city to serve as a member of the county inspection department, with the approval of the governing body of the other county or city, or may contract with an individual who is not a city or county employee but who holds one of the applicable certificates as provided in G.S. 153A-351.1 or G.S. 160A-411.1. The inspector, if designated from another county or city under this section, while exercising the duties of the position, is a county employee. The county shall have the same potential liability, if any, for inspections conducted by an individual who is not an employee of the county as it does for an individual who is an employee of the county. The individual with whom the county contracts shall have errors and omissions and other insurance coverage acceptable to the county. (1937, c. 57; 1941, c. 105; 1947, c. 719; 1951, c. 651; 1959, c. 940; 1963, c. 639; 1965, c. 371; 1967, c. 495,

§ 153A-355. Conflicts of interest.

Unless he is the owner of the building, no member of an inspection department or other individual contracting with a county to conduct inspections shall be financially interested or employed by a business that is financially interested in furnishing labor, material, or appliances for the construction, alteration, or maintenance of any building within the county's territorial jurisdiction or any part or system thereof, or in making plans or specifications therefor. No member of any inspection department or other individual contracting with a county to conduct inspections may engage in any work that is inconsistent with his duties or with the interest of the county. (1937, c. 57; 1941, c. 105; 1947, c. 719; 1951, c. 651; 1953, c. 984; 1955, cc. 144, 942, 1171; 1957, cc. 415, 456, 1286, 1294; 1959, cc. 399, 1031; 1961, cc. 763, 884, 1036; 1963, c. 868; 1965, cc. 243, 453, 494, 846; 1967, cc. 45, 73, 113; c. 495, s. 3; 1969, cc. 675, 918; c. 1003, s. 7; c. 1064, ss. 1, 4; c. 1066, s. 1; 1973, c. 822, s. 1; 1993, c. 232, s. 2.)

§ 153A-356. Failure to perform duties.

If a member of an inspection department willfully fails to perform the duties required of him by law, or willfully improperly issues a permit, or gives a certificate of compliance without first making the inspections required by law, or willfully improperly gives a certificate of compliance, he is guilty of a Class 1 misdemeanor. (1969, c. 1066, s. 1; 1973, c. 822, s. 1; 1993, c. 539, s. 1064; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1993, c. 539, s. 1064, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

§ 153A-357. Permits.

(a) No person may commence or proceed with:

(1) The construction, reconstruction, alteration, repair, movement to another site, removal, or demolition of any building;

(2) The installation, extension, or general repair of any plumbing system;

(3) The installation, extension, alteration, or general repair of any heating or cooling equipment system; or

(4) The installation, extension, alteration, or general repair of any electrical wiring, devices, appliances, or equipment

without first securing from the inspection department with jurisdiction over the site of the work each permit required by the State Building Code and any other State or local law or local ordinance or regulation applicable to the work. A permit shall be in writing and shall contain a provision that the work done shall comply with the State Building Code and all other applicable State and local laws and local ordinances and regulations. Nothing in this section shall require a county to review and approve residential building plans submitted to the county pursuant to Section R-110 of Volume VII of the North Carolina State Building Code; provided that the county may review and approve such residential building plans as it deems necessary. No permit may be issued unless the plans and specifications are identified by the name and address of the author thereof; and if the General Statutes of North Carolina require that plans for certain types of work be prepared only by a registered architect or registered engineer, no permit may be issued unless the plans and specifications bear the North Carolina seal of a registered architect or of a registered engineer. If a provision of the General Statutes of North Carolina or of any ordinance requires that work be done by a licensed specialty contractor of any kind, no permit for the work may be issued unless the work is to be performed by such a duly licensed contractor. No permit issued under Articles 9 or 9C of G.S. Chapter 143 shall be required for any construction, installation, repair, replacement, or alteration costing five thousand dollars ($5,000) or less in any single-family residence or farm building unless the work involves: the addition, repair or replacement of load bearing structures; the addition (excluding replacement of same size and capacity) or change in the design of plumbing; the addition, replacement or change in the design of heating, air conditioning, or electrical wiring, devices, appliances, or equipment; the use of materials not permitted by the North Carolina Uniform Residential Building Code; or the addition (excluding replacement of like grade of fire resistance) of roofing. Violation of this section constitutes a Class 1 misdemeanor.

§ 153A-361. Stop orders.

Whenever a building or part thereof is being demolished, constructed, reconstructed, altered, or repaired in a hazardous manner, or in substantial violation of a State or local building law or local building ordinance or regulation, or in a manner that endangers life or property, the appropriate inspector may order the specific part of the work that is in violation or that presents such a hazard to be immediately stopped. The stop order shall be in writing and directed to the person doing the work, and shall state the specific work to be stopped, the specific reasons for the stoppage, and the conditions under which the work may be resumed. The owner or builder may appeal from a stop order involving alleged violation of the State Building Code or any approved local modification thereof to the North Carolina Commissioner of Insurance or his designee within five days after the day the order is issued. The owner or builder shall give to the Commissioner of Insurance or his designee written notice of appeal, with a copy to the local inspector. The Commissioner or his designee shall promptly conduct an investigation and the appellant and the inspector shall be permitted to submit relevant evidence. The Commissioner or his designee shall as expeditiously as possible provide a written statement of the decision setting forth the facts found, the decision reached, and the reasons for the decision. Pending the ruling by the Commissioner of Insurance or his designee on an appeal, no further work may take place in violation of a stop order. In the event of dissatisfaction with the decision, the person affected shall have the options of:

(1) Appealing to the Building Code Council, or
(2) Appealing to the Superior Court as provided in G.S. 143-141.

Violation of a stop order constitutes a Class 1 misdemeanor. (1969, c. 1066, s. 1; 1973, c. 822, s. 1; 1983, c. 377, s. 4; 1989, c. 681, s. 5; 1993, c. 539, s. 1066; 1994, Ex. Sess., c. 24, s. 14(c).)

Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

Effect of Amendments. — The 1993 amendment, effective October 1, 1994, and applicable to offenses occurring on or after that date, inserted "Class 1" preceding "misdemeanor" in the last sentence.

§ 153A-363. Certificates of compliance.

At the conclusion of all work done under a permit, the appropriate inspector shall make a final inspection. If he finds that the completed work complies with all applicable State and local laws and local ordinances and regulations and with the terms of the permit, he shall issue a certificate of compliance. No new building or part thereof may be occupied, no addition or enlargement of an existing building may be occupied, and no existing building that has been altered or removed may be occupied until the inspection department has issued a certificate of compliance. A temporary certificate of compliance may be issued permitting occupancy for a stated period of specified portions of the building that the inspector finds may safely be occupied before completion of the entire building. Violation of this section constitutes a Class 1 misdemeanor. (1973, c. 822, s. 1; 1993, c. 539, s. 1067; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1993, c. 539, s. 1067, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. § 153A-367. Removing notice from condemned building.

If a person removes a notice that has been affixed to a building by a local inspector and that states the dangerous character of the building, he is guilty of a Class 1 misdemeanor. (1969, c. 1066, s. 1; 1973, c. 822, s. 1; 1993, c. 539, s. 1068; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 153A-371. Failure to comply with order.

If the owner of a building fails to comply with an order issued pursuant to G.S. 153A-369 from which no appeal has been taken, or fails to comply with an order of the board of commissioners following an appeal, he is guilty of a Class 1 misdemeanor. (1969, c. 1066, s. 1; 1973, c. 822, s. 1; 1993, c. 539, s. 1069; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1993, c. 539, s. 1069, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

Part 5. Community Development.

§ 153A-376. Community development programs and activities.

(a) Any county is authorized to engage in, to accept federal and State grants and loans for, and to appropriate and expend funds for community development programs and activities. In undertaking community development programs and activities, in addition to other authority granted by law, a county may engage in the following activities:

(1) Programs of assistance and financing of rehabilitation of private buildings principally for the benefit of low and moderate income persons, or for the restoration or preservation of older neighborhoods or properties, including direct repair, the making of grants or loans, the subsidization of interest payments on loans, and the guaranty of loans;

(2) Programs concerned with employment, economic development, crime prevention, child care, health, drug abuse, education, and welfare needs of persons of low and moderate income.

(b) Any board of county commissioners may exercise directly those powers granted by law to county redevelopment commissions and those powers granted by law to county housing authorities. Any board of county commissioners desiring to do so may delegate to redevelopment commission or to any housing authority the responsibility of undertaking or carrying out any specified community development activities. Any board of county commissioners and any municipal governing body may by agreement undertake or carry out for each other any specified community development activities. Any board of county commissioners may contract with any person, association, or corporation in undertaking any specified community development activities. Any county or city board of health, county board of social services, or county or city board of education, may by agreement undertake or carry out for any board of county commissioners any specified community development activities.

(c) Any board of county commissioners undertaking community development programs or activities may create one or more advisory committees to advise it and to make recommendations concerning such programs or activities.

(d) Any board of county commissioners proposing to undertake any loan guaranty or similar program for rehabilitation of private buildings is authorized to submit to its voters the question whether such program shall be undertaken, such referendum to be conducted pursuant to the general and local laws applicable to special elections in such county.

(e) No state or local taxes shall be appropriated or expended by a county pursuant to this section for any purpose not expressly authorized by G.S. 153A-149, unless the same is first submitted to a vote of the people as therein provided.

(f) All program income from Economic Development Grants from the Small Cities Community Development Block Grant Program may be retained by recipient "economically distressed counties", as defined in G.S. 143B-437A for the purposes of creating local economic development revolving loan funds. Such program income derived through the use by counties of Small Cities Community Development Block Grant money includes but is not limited to: (i) payment of principal and interest on loans made by the county using Community Development Block Grant Funds; (ii) proceeds from the lease or disposition of real property acquired with Community Development Block Grant Funds; and (iii) any late fees associated with loan or lease payments in (i) and (ii) above. The local economic development revolving loan fund set up by the county shall fund only those activities eligible under Title I of the federal Housing and Community Development Act of 1974, as amended (P.L. 93-383), and shall meet at least one of the three national objectives of the Housing and Community Development Act. Any expiration of G.S. 143B-437A or G.S. 105-129.3 shall not affect this subsection as to designations of economically distressed counties made prior to its expiration.

(g) Any county may receive and dispense funds from the Community Development Block Grant Section 108 Loan Guarantee program, Subpart M, 24 CFR 570.700 et seq., either through application to the North Carolina Department of Commerce or directly from the federal government, in accordance with State and federal laws governing these funds. Any county that receives these funds directly from the federal government may pledge current and future CDBG funds for use as loan guarantees in accordance with State and federal laws governing these funds. A county may implement the receipt, dispensing, and pledging of CDBG funds under this subsection by borrowing CDBG funds and lending all or a portion of those funds to a third party in accordance with applicable laws governing the CDBG program.

Any county that has pledged current or future CDBG funds for use as loan guarantees prior to the enactment of this subsection is authorized to have taken such action. A pledge of future CDBG funds under this subsection is not a debt or liability of the State or any political subdivision of the State or a pledge of the faith and credit of the State or any political subdivision of the State. The pledging of future CDBG funds under this subsection does not directly, indirectly, or contingently obligate the State or any political subdivision of the State to levy or to pledge any taxes. (1975, c. 435, s. 2; c. 689, s. 2; 1987 (Reg. Sess., 1988), c. 992, s. 1; 1995, c. 310, s. 2; 1995 (Reg. Sess., 1996), 575, s. 2; 1996, 2nd Ex. Sess., c. 13, s. 3.8.)

Editor's Note. — Session Laws 1995, c. 310, s. 2, effective July 1, 1995, enacted a subsection (e). As a subsection (e) already existed, that subsection was redesignated as subsection (g) at the direction of the Revisor of Statutes.

Session Laws 1996, Second Extra Session, c. 13, s. 1, provides that this act shall be known as the William S. Lee Quality Jobs and Business Expansion Act.

Session Laws 1996, Second Extra Session, c. 13, s. 10.1, provides: "This act does not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by this act before its amendment or repeal; nor does it affect the right to any refund or credit of a tax that would otherwise have been available under the amended or repealed statute before its amendment or repeal."

Effect of Amendments. — The 1995 amendment, effective July 1, 1995, added a subsection (e), redesignated as subsection (g).

Session Laws 1996, Second Extra Session, c. 13, s. 3.8, effective August 1, 1996, in subsection (f), substituted "'economically distressed counties', as defined in G.S. 143B-437A" for "'severely distressed counties', as designated under G.S. 105-130.40(c)" in the first sentence, and in the last sentence substituted "G.S. 143B-437A or G.S. 105-129.3" for "G.S. 105-130.40(c)" and substituted "economically" for "severely".

Session Laws 1995 (Reg. Sess., 1996), c. 575, s. 2, effective October 1, 1996, added the last sentence of the first paragraph of subsection (g).

Article 22.

Regional Solid Waste Management Authorities.

§ 153A-421. Definitions; applicability; creation of authorities.

(a) Unless a different meaning is required by the context, terms relating to the management of solid waste used in this Article have the same meaning as in G.S. 130A-2 and in G.S. 130A-290. As used in this Article, the term "solid waste" means nonhazardous solid waste, that is, solid waste as defined in G.S. 130A-290 but not including hazardous waste. In addition to the meaning set out in G.S. 130A-290, the term "unit of local government" means the Eastern Band of the Cherokee Indians in North Carolina.

(b) This Article shall not be construed to authorize any authority created pursuant to this Article to regulate or manage hazardous waste. An authority created under this Article may manage sludges, other than a sludge that is a hazardous waste, under rules of the Commission for Health Services and criteria established by the Department of Environment, Health, and Natural Resources for the management of sludge.

(c) Any two or more units of local government may create a regional solid waste management authority by adopting substantially identical resolutions to that effect in accordance with the provisions of this Article. The resolutions creating a regional solid waste management authority and any amendments thereto are referred to in this Article as the "charter" of the regional solid waste management authority. Units of local government which participate in the creation of a regional solid waste management authority are referred to in this Article as "members".

(d) As used in G.S. 153A-427(a)(24), the term "transferred" means placed at or delivered to any (i) place normally and customarily used by the authority for the collection of solid waste, (ii) other place agreed upon by the generator or owner of recyclable materials and the authority, or (iii) facility owned, operated, or designated by the authority. (1989 (Reg. Sess., 1990), c. 888, s. 1; 1991, c. 580, s. 2; 1991 (Reg. Sess., 1992), c. 932, s. 4; c. 948, s. 1.)

§ 153A-430. Compliance with other law.

(a) Repealed by Session Laws 1989 (Regular Session, 1990), c. 1004, s. 47, effective July 20, 1990.

(b) An authority created pursuant to this Article shall comply with all applicable federal and State laws, regulations, and rules, including specifically those enacted or adopted for the management of solid waste or for the protection of the environment or public health.

(c) Except as provided by subsection (d) of this section, a unit of local government that is exempt from compliance with State laws or rules enacted or adopted for the management of solid waste or for the protection of the environment shall, by becoming a member of a regional solid waste management authority created under this Article and as a condition of such membership, agree to comply with and to be bound by all applicable federal and State laws, regulations, and rules enacted or adopted for the management of solid waste and for the protection of the environment with respect to all solid waste management activities of the authority within the territorial jurisdiction of the unit of local government and with respect to all solid waste management activities performed by the unit of local government in connection with membership in the authority.

(d) A unit of local government that is exempt from compliance with State laws or rules enacted or adopted for the management of solid waste shall obtain all permits that may be necessary for the conduct of solid waste management activities within the territorial jurisdiction of the unit of local government as provided by federal law and regulations. Responsibility for the enforcement of laws, regulations, and rules enacted or adopted for the management of solid waste within the territorial jurisdiction of a unit of local government that is exempt from compliance with State laws or rules enacted or adopted for the management of solid waste shall be as provided by federal law and regulations. (1989 (Reg. Sess., 1990), c. 888, s. 1; c. 1004, s. 47; c. 1075, s. 5; 1991 (Reg. Sess., 1992), c. 948, s. 2.)

ARTICLE 23.

Miscellaneous Provisions.

§ 153A-435. Liability insurance; damage suits against a county involving governmental functions.

CASE NOTES

Waiver of Immunity by County. — A county may waive its immunity by purchasing liability insurance to the extent of the insurance coverage. Marlowe v. Piner, 119 N.C. App. 125, 458 S.E.2d 220 (1995).

Actions Against Sheriffs. — The legislature has prescribed two ways for a sheriff to be sued in his official capacity, § 58-76-5 and this section. Smith v. Phillips, 117 N.C. App. 378, 451 S.E.2d 309 (1994).

Proof of Waiver of Immunity. — Where plaintiff alleged and offered proof of the county's liability insurance policy, the trial court properly denied defendants' motion to dismiss based upon governmental immunity. Smith v. Phillips, 117 N.C. App. 378, 451 S.E.2d 309 (1994).

Liability Not Waived Where Action Excluded From Coverage. — Because county liability insurance policy excluded libel action from coverage, the county did not waive its governmental immunity as to this action by purchasing the policy. Dickens v. Thorne, 110 N.C. App. 39, 429 S.E.2d 176 (1993).

Allegations of Complaint. — When suing a county or its officers, agents or employees, the complainant must allege waiver of immunity by a county contracting to insure itself in order to recover. Absent an allegation to the effect that immunity has been waived, the complaint fails to state a cause of action against the county. Clark v. Burke County, 117 N.C. App. 85, 450 S.E.2d 747 (1994).

SUBCHAPTER III. DRAINAGE DISTRICTS.

ARTICLE 5.

Establishment of Districts.

§ 156-54. Jurisdiction to establish districts.

CASE NOTES

Drainage District Subject to Open Meetings Requirements. — As a political subdivision of the state, organized pursuant to the provisions of this section with quasi-judicial and administrative authority, plaintiff drainage district was subject to the open meetings requirements of § 143-318.10. Northampton County Drainage Dist. No. 1 v. Bailey, 92 N.C. App. 68, 373 S.E.2d 560 (1988), modified on other grounds, 326 N.C. 742, 392 S.E.2d 352 (1990).

Cited in Northampton County Drainage Dist. Number One v. Bailey, 326 N.C. 742, 392 S.E.2d 352 (1990).

§ 156-59. Board of viewers appointed by clerk.

The clerk shall, on the filing of petition and bond, appoint a disinterested and competent civil and drainage engineer and two resident freeholders of the county or counties in which the lands are located as a board of viewers to examine the lands described in the petition and make a preliminary report thereon. The drainage engineer shall be appointed upon the recommendation of the Department of Environment, Health, and Natural Resources; and no member of the board of viewers so appointed shall own any land within the boundaries of the proposed district. In the selection of the two members of the board of viewers, other than the engineer, the clerk before making the appointment shall make careful inquiry into the character and qualifications of the proposed members, to the end that the members so appointed shall possess the necessary character, capacity, fitness, and impartiality for the discharge of their important duties. (1909, c. 442, s. 2; 1917, c. 152, s. 1; C.S., s. 5317; 1961, c. 614, s. 4; c. 1198; 1973, c. 1262, s. 23; 1977, c. 771, s. 4; 1989, c. 727, s. 218(157).)

§ 156-74. Adjudication upon final report.

At the date set for hearing any landowner may appear in person or by counsel and file his objection in writing to the report of the viewers; and it shall be the duty of the court to carefully review the report of the viewers and the objections filed thereto, and make such changes as are necessary to render substantial and equal justice to all the landowners in the district. If, in the opinion of the court, the cost of construction, together with the amount of damages assessed, is not greater than the benefits that will accrue to the land affected, the court shall confirm the report of the viewers. If, however, the court finds that the cost of construction, together with the damages assessed, is greater than the resulting benefit that will accrue to the lands affected, the court shall dismiss the proceedings at the cost of the petitioners, and the sureties upon the bond so filed by them shall be liable for such costs. Provided, that the Department of Environment, Health, and Natural Resources may remit and release to the petitioners the costs expended by the board on account of the engineer and his assistants. The court may from time to time collect from the petitioners such amounts as may be necessary to pay costs accruing, other than costs of the engineer and his assistants, such amounts to be repaid from the special tax hereby authorized.

The court shall, at the time of consideration of said report, determine whether:

(1) The petitioners constitute a majority of the resident landowners, whose lands are adjudged to be benefited by the proposed construction work as shown in the final report of the board of viewers and finally approved by the court; or

(2) The petitioners own three fifths of the land area which is adjudged to be benefited by the proposed construction work as shown in the final report of the board of viewers and finally approved by the court.

If the petitioners do not constitute either a majority of the resident landowners or own three fifths of the land as set out in subdivisions (1) or (2) above, then the proceedings shall be dismissed. (1909, c. 442, s. 16; 1915, c. 238, s. 2; 1917, c. 152, s. 16; C.S.,

s. 5332; 1925, c. 122, s. 4; 1959, c. 1312, s. 1; 1961, c. 1198; 1973, c. 1262, s. 23; 1977, c. 771, s. 4; 1989, c. 727, s. 218(158).)

§ 156-76. Compensation of board of viewers.

The compensation of the engineer, including his necessary assistants, rodmen, and laborers, and also the compensation of the viewers, shall be fixed by the clerk. In fixing such compensation, particularly of the drainage engineer, the clerk shall confer fully with the Department of Environment, Health, and Natural Resources and with the petitioners. The compensation to be paid the two members of the board of viewers, other than the engineer, shall be in such amount per day as may be fixed by the clerk of the superior court for the time actually employed in the discharge of their duties, and in addition any actual and necessary expenses of travel and subsistence while in the actual discharge of their duties, an itemized report of which shall be submitted and verified. (1909, c. 442, s. 36; 1917, c. 152, ss. 1, 2; C.S., s. 5334; 1925, c. 122, s. 4; 1959, c. 288; 1961, c. 1198; 1973, c. 1262, s. 23; 1977, c. 771, s. 4; 1989, c. 727, s. 218(159).)

ARTICLE 6.

Drainage Commissioners.

§ 156-79. Appointment and organization under original act.

After the drainage district has been declared established, as aforesaid, and the survey and plan therefor approved, the court shall appoint three persons, in the manner set forth in G.S. 156-81, who shall be designated as the board of drainage commissioners. Any vacancy thereafter occurring shall be filled by the clerk or clerks of the superior court in the manner set forth in G.S. 156-81. Such three drainage commissioners, when so appointed, shall be immediately created a body corporate under the name and style of "The Board of Drainage Commissioners of .... District," with the right to hold property and convey the same, to sue and be sued, and shall possess such other powers as usually pertain to corporations. They shall organize by electing from among their number a chairman and a vice-chairman. They shall also elect a secretary, either within or without their body. Such board of drainage commissioners shall adopt a seal, which they may alter at pleasure. The board of drainage commissioners shall have and possess such powers as are herein granted. (1909, c. 442, s. 19; 1917, c. 152, s. 17; C.S., s. 5337; 1947, c. 273; 1963, c. 767, s. 3; 1989 (Reg. Sess., 1990), c. 959, s. 2.)

CASE NOTES

Cited in Northampton County Drainage Dist. Number One v. Bailey, 326 N.C. 742, 392 S.E.2d 352 (1990).

§ 156-81. Appointment and organization under amended act.

(a) Method of Appointment. —

The manner of appointment shall be as follows:

1. (1) If the drainage district shall lie solely within one county, the clerk of superior court for such county shall appoint such commissioners.
2. (2) If the said district shall lie in more than one county, then such commissioners shall be appointed by unanimous action of the clerks of court for the counties wherein any part of such district lies.

(b) Organization. — Immediately after the appointment of the board of drainage commissioners, the clerk of the court of the county wherein such drainage proceeding is pending shall notify each of the commissioners in writing to appear at a certain time and place within the district and organize. The clerk or clerks of court, as the case may be, shall appoint one of the three members as chairman of the board of drainage commissioners, and in doing so he or they shall consider carefully and impartially the respective qualifications of each of the members for the position.

(c) Term of Office. — The term of service of the members of the board of drainage commissioners so appointed shall begin upon their appointment. Where all three commissioners are appointed at once, one commissioner shall serve for one year, one for two years, and the other for three years, the term to be computed from the first day of October following their organization. The members so serving for one, two, and three years, respectively, shall be unanimously designated by the clerk or clerks of the court. Thereafter each member shall be appointed for three years. The clerk of the court for the county wherein the proceeding is pending shall record in the drainage record the date of appointment, the members appointed, and the beginning and expiration of their term of office.

(d) Vacancies Filled. — If a vacancy shall occur in the office of any commissioner by death, resignation, or otherwise, the remaining two members are to discharge the necessary duties of the board until the vacancy shall be filled; and if the vacancy shall be in the office of chairman or secretary, the two remaining members may elect a secretary, and the clerk or clerks, as the case may be, shall appoint one of the two remaining members to act as chairman to hold until the vacancy in the board shall be filled. The clerk of the county wherein the proceeding is pending shall keep a similar record of any appointment to fill vacancies. The person appointed to fill the vacancy shall be appointed in the manner set forth in subsection (a) of this section and shall serve until the expiration of the term of his predecessor. The secretary of the board of drainage commissioners shall promptly notify the appropriate clerk or clerks of the superior court of any vacancy in the board.

(e) Failure to Appoint. — If for any reason the clerk or clerks of the court shall fail to provide for the appointment of drainage commissioners prior to the expiration of a term, the incumbents shall continue to hold their office as commissioners until their successors are appointed and qualified. The term of office of boards of drainage commissioners heretofore elected and appointed shall expire immediately upon the appointment of new commissioners pursuant to subsection (a) of this section.

(f) Meetings. — The board shall meet once each month at a stated time and place during the progress of drainage construction, and more often if necessary. After the drainage work is completed, or at any time, the chairman shall have the power to call special meetings of the board at a certain time and place. The chairman shall also call a meeting at any time upon the written request of the owners of a majority in area of the land in the district.

(g) Compensation. — The chairman of the board of drainage commissioners shall receive compensation and allowances as fixed by the clerk of the superior court. In fixing such compensation and allowances, the clerk shall give due consideration to the duties and responsibilities imposed upon the chairman of the board. The other members of the board shall receive a per diem not to exceed twenty-five dollars ($25.00) a day, while engaged in attendance upon meetings of the board, or in the discharge of duties imposed by the board. The secretary of the board shall receive such compensation and expense allowances as may be determined by the board.

The chairman and members of the board of drainage commissioners shall also receive their actual travel and subsistence expenses while engaged in attendance upon meetings of the board, or in the discharge of duties imposed by the board. The compensation and expense allowances as herein set out shall be paid from the assessments made annually for the purpose of maintaining the canals of the drainage district, or from any other funds of the district.

(h) Application of Section. — The provisions of this section shall apply to all drainage districts now or hereafter existing in this State, without regard to the date of organization.

(i) Repealed by Session Laws 1989 (Regular Session, 1990), c. 959, s. 3, effective July 18, 1990. (1917, c. 152, s. 5; 1919, cc. 109, 217; C.S., s. 5339; 1947, c. 935; 1949, c. 956, ss. 1-3; 1957, c. 912, s. 1; 1975, c. 494; 1989 (Reg. Sess., 1990), c. 959, s. 3.)

CASE NOTES

Unconstitutional Delegation of Legislative Powers. — Discretion provided by subsections (a) and (i) of this section to the clerks of superior court to determine whether drainage commissioners should be elected or appointed is an unconstitutional delegation of legislative powers. Northampton County Drainage Dist. Number One v. Bailey, 326 N.C. 742, 392 S.E.2d 352 (1990).

Landowners in Drainage District Prohibited from Voting Deprived of Equal Protection of the Laws. — Where some landowners who lived in a drainage district could vote for the clerk who appointed the commissioners of the drainage district and some landowners could not, the defendant nonvoters had been deprived of a fundamental right; furthermore, plaintiff drainage district failed to show that the classification of voters in this case was necessary to promote a compelling governmental interest; therefore, defendants were deprived equal protection of the laws in violation of N.C. Const., Art. I, § 19. Northampton County Drainage Dist. Number One v. Bailey, 326 N.C. 742, 392 S.E.2d 352 (1990).

§ 156-81.1. Treasurer.

The appointing authority as determined by G.S. 156-81 shall appoint a treasurer for the drainage district for a term not to exceed 12 months. The treasurer so appointed may be a member of the board of commissioners of the district or some other person deemed competent, and shall furnish bond as may be required by the said clerk of the superior court. The treasurer shall continue in office until a successor has been appointed and qualified.

All references in Subchapter III of Chapter 156 of the General Statutes of North Carolina, to "treasurer" or "county treasurer" or "county auditor" are hereby amended to refer exclusively to the treasurer appointed as hereinbefore provided. (1963, c. 767, s. 4; 1989 (Reg. Sess., 1990), c. 959, s. 6.)

Editor's Note. — Session Laws 1989 (Reg. Sess., 1990), c. 959, s. 7 is a severability clause.

§ 156-82.2. Appointment of drainage commissioners.

Notwithstanding any other provision of law (including, where applicable, any special acts or local modification of general law), the General Assembly hereby appoints all sitting drainage district commissioners and drainage commission treasurers, as of the date of ratification of this section, as commissioners, officers, and treasurers of their respective districts. Said commissioners, officers, and treasurers shall continue in office until such time as appointments shall be made as provided in G.S. 156-81 and G.S. 156-81.1, which appointments shall be made by the clerk or clerks of the superior court not later than January 1, 1991. (1989 (Reg. Sess., 1990), c. 959, s. 1.)

Editor's Note. — Session Laws 1989 (Reg. Sess., 1990), c. 959, s. 8 made this section effective upon ratification. The act was ratified July 18, 1990.

Session Laws 1989 (Reg. Sess., 1990), c. 959, s. 7 is a severability clause.

§ 156-82.3. Validation of previous actions.

(a) All expenditures heretofore incurred, and all actions heretofore taken, by a drainage district for purposes authorized by this Chapter are hereby validated notwithstanding any defect in the selection of any or all of its commissioners or any other defect.

(b) The provisions of this section are expressly made applicable to any and all bonds and other financial obligations of any such district. No action based on the alleged invalidity of the assessments heretofore made or of any such bonds or other obligations of a district shall lie after January 1, 1991, to enjoin or contest the enforceability of any such assessment, bond, or other obligation. (1989 (Reg. Sess., 1990), c. 959, s. 5.)

Editor's Note. — Session Laws 1989 (Reg. Sess., 1990), c. 959, s. 8 made this section effective upon ratification. The act was ratified July 18, 1990.

Session Laws 1989 (Reg. Sess., 1990), c. 959, s. 7 is a severability clause.

ARTICLE 7.

Construction of Improvement.

§ 156-83. Superintendent of construction.

The board of drainage commissioners shall appoint a competent drainage engineer of good repute as superintendent of construction. Such superintendent of construction shall furnish a copy of his monthly and final estimates to the Department of Environment, Health, and Natural Resources, in addition to other copies herein provided which shall be filed and preserved. In the event of the death, resignation, or removal of the superintendent of construction, his successor shall be appointed in the same manner.

The board of drainage commissioners may, in its discretion, agree with the Soil Conservation Service of the Department of Agriculture or any agency of the government of the United States or of North Carolina whereby such agency may furnish the service required of the superintendent of construction. If this is done by the board, any reference in this Chapter to the superintendent of construction and/or his duties shall include or be exercised by the said agency subject to the approval of the board of commissioners. (1909, c. 442, s. 20; C.S., s. 5340; 1923, c. 217, s. 3; 1925, c. 122, s. 5; 1959, c. 597, s. 3; 1961, c. 1198; 1963, c. 767, s. 5; 1973, c. 1262, s. 23; 1977, c. 771, s. 4; 1989, c. 727, s. 218(160).)

§ 156-92. Control and repairs by drainage commissioners.

Whenever any improvement constructed under this Subchapter is completed it shall be under the control and supervision of the board of drainage commissioners. It shall be the duty of the board to keep the levee, ditch, drain, or watercourse in good repair, and for this purpose they may levy an assessment on the lands benefited by the maintenance or repair of such improvement in the same manner and in the same proportion as the original assessments were made, and the fund that is collected shall be used for repairing and maintaining the ditch, drain, or watercourse in perfect order: Provided, however, that if any repairs are made necessary by the act or negligence of the owner of any land through which such improvement is constructed or by the act or negligence of his agent or employee, or if the same is caused by the cattle, hogs, or other stock of such owner, employee, or agent, then the cost thereof shall be assessed and levied against the lands of the owner alone, to be collected by proper suit instituted by the drainage commissioners. It shall be unlawful for any person to injure or damage or obstruct or build any bridge, fence, or floodgate in such a way as to injure or damage any levee, ditch, drain, or watercourse constructed or improved under the provisions of this Subchapter, and any person causing such injury shall be guilty of a Class 3 misdemeanor, and upon conviction thereof may only be fined in any sum not exceeding twice the damage or injury done or caused. (1909, c. 442, s. 29; C.S., s. 5349; 1947, c. 982, s. 1; 1993, c. 539, s. 1075; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1993, c. 539, s. 1075, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

ARTICLE 7A.

Maintenance.

§ 156-93.1. Maintenance assessments and contracts; engineering assistance, construction equipment, etc.; joint or consolidated maintenance operations; water-retardant structures; borrowing in anticipation of revenue.

(a) The board of drainage commissioners may annually levy maintenance assessments in the same ratio as the existing classification of the lands within the district. The amount of these assessments shall be determined by the board of drainage commissioners of the district. The proceeds of these assessments shall be used for the purpose of maintaining canals of the drainage district in an efficient operating condition and for the necessary operating expenses of the district. Notice of the meeting at which the board of drainage commissioners determines the amount of the annual levy shall be mailed to the owners, as shown on the county tax records, of all property subject to assessment, or shall be published once a week for two successive calendar weeks in a newspaper having general circulation in the area. The notice shall be sent or published not more than 30 days nor less than 10 days prior to the meeting, and shall state the time, place, and purposes of the meeting. Any interested person has the right to be heard at the meeting prior to the drainage commissioners taking any action on the proposed assessment. In the event that any interested and aggrieved party disagrees with the said assessment, he may, within 20 days of the mailing of the notice of the assessment, file with the clerk for the county wherein the proceeding is pending, a notice specifically setting forth his objection. The Secretary of the District shall file in the records of the proceeding a certification setting forth the date of the mailing of the notice of the annual maintenance assessments. The clerk shall thereupon notify the senior resident superior court judge of such district who shall set the objection down for hearing at the earliest possible time. The court shall hear the matter upon the objections duly set forth in the notice of objection.

The board of drainage commissioners shall have the authority to employ engineering assistance, construction equipment, superintendents and operators for the equipment necessary for the efficient maintenance of the canals, or the maintenance may be done by private contract made after due advertisement as required for the original construction work.

(b) The board of drainage commissioners of a drainage district may join with the commissioners of one or more districts for the purpose of employing engineering assistance, equipment, superintendents and equipment operators for the maintenance of the canals in the several districts desiring to coordinate their maintenance operations and the drainage districts desiring to coordinate a common maintenance force may have a common office with the necessary employees for the furtherance of the joint operations for maintenance. The districts may coordinate their work without regard to county lines.

(c) The board of commissioners of a drainage district may, individually or jointly with the commissioners of other drainage districts, purchase, lease, rent, sell, or otherwise dispose of at public or private sale, equipment for the original construction or maintenance of the canals in the individual or joint districts or the said drainage districts may make contracts with private construction firms for the maintenance and construction of their canals. Contracts made with private construction companies are to be advertised as provided for the contract for the original construction of the canals.

The drainage districts may use the equipment owned by them for the purpose of maintenance of the canals and the construction of extensions to the system of canals in the individual or several drainage districts.

(d) The drainage districts desiring to consolidate their maintenance services and equipment may set up a board composed of one member from each district for the purpose of control and use of the personnel and equipment employed on a joint basis, and in all matters coming before the joint board, the representative of each district shall have a voting strength equal to the proportionate acreage of his drainage district as compared with the total acreage of the combined districts.

(e) The collection of the annual maintenance assessments shall be made by the county tax collector. The board of county commissioners of the county in which a drainage district is located shall upon the request of the board of drainage commissioners of the said district cause to be shown on the tax statement or notice issued by the county to its taxpayers the amount due the drainage district by the landowners in the same manner as other special assessments are shown thereon. This amount shall be collected by the county tax collector in the same manner as county taxes and deposited to the credit of the district in which the land is located.

(f) The provisions for maintenance as set forth in this Article and elsewhere in this Subchapter III shall include water-retardant structures and the operation of such.

(g) The board of commissioners may borrow money in anticipation of revenue from maintenance assessments, as hereinbefore provided for, from which assessments the loan shall be repaid. The amount which the commissioners may borrow shall not be limited to the revenues anticipated for any one year. The terms and provisions of such loan shall be approved by the clerk of the superior court which approval shall be requested in the form of a petition and order in the proceeding by virtue of which the district was organized. The proceeds of said loan shall be used only for purposes set forth in Article 7A of Chapter 156. (1949, c. 1216; 1959, c. 597, s. 4; 1961, c. 614, s. 8; 1989 (Reg. Sess., 1990), c. 959, s. 4; 1991, c. 634, s. 1.)

Editor's Note. — Session Laws 1989 (Reg. Sess., 1990), c. 959, s. 7 is a severability clause.

CASE NOTES

The land clause of the Constitution of North Carolina is violated insofar as § 156-138.3 dispenses with notice and an opportunity to be heard before imposing maintenance assessments on landowners within the drainage district; the imposition of these assessments was not a matter of mathematical computation, but rather, it involved some discretion on the part of the commissioners. Northampton County Drainage Dist. Number One v. Bailey, 326 N.C. 742, 392 S.E.2d 352 (1990).

ARTICLE 8.

Assessments and Bond Issue.

§ 156-95. Assessment and payment; notice of bond issue.

CASE NOTES

Drainage district assessments are not taxes. Northampton County Drainage Dist. Number One v. Bailey, 326 N.C. 742, 392 S.E.2d 352 (1990).

§ 156-97. Bonds issued.

At the expiration of 15 days after publication of notice of bond issue the board of drainage commissioners may issue bonds of the drainage district for an amount equal to the total cost of the improvement, less such amounts as shall have been paid in in cash to the treasurer. Bonds issued by the board of drainage commissioners shall comply with the following provisions:

(1) The bonds shall be serial bonds;

(2) The denomination of the bonds shall be not less than one hundred dollars ($100.00) nor more than one thousand dollars ($1,000);

(3) The interest upon said bonds shall not be more than fourteen percent (14%) per annum, from the date of issue and payable semiannually;

(4) The first annual installment of principal shall fall due not less than three years nor more than six years after the date of the bonds;

(5) Each annual installment of principal shall be not less than two percent (2%) nor more than ten percent (10%) of the total bonds authorized;

(6) If the total amount of bonds to be issued does not exceed ten percent (10%) of the total amount of the assessment, the board of commissioners may, in their discretion, not issue any bonds and in lieu thereof issue assessment anticipation bonds which shall mature over a period of not less than four

nor more than 10 years and shall be payable in equal annual installments. The interest rate on said assessment anticipation bonds shall not be more than fourteen percent (14%) per annum;

(7) The board of commissioners may issue bond anticipation note or notes to be redeemed and paid upon the sale and delivery of bonds herein provided for. If such bond anticipation note or notes are issued, at the discretion of the commissioners, such may be done after the bonds have been sold and prior to the printing and delivery of said bonds and must be paid from the proceeds of said bonds when delivered. (1909, c. 442, s. 34; 1911, c. 67, s. 11; 1917, c. 152, s. 12; C.S., s. 5354; 1923, c. 217, s. 5; 1955, c. 1340; 1957, c. 1410, s. 1; 1961, c. 601, s. 1; 1963, c. 767, s. 4; 1969, c. 878; 1985, c. 136, ss. 1, 2.)

§ 156-97.1. Issuance of assessment anticipation notes.

In lieu of the bonds provided for in G.S. 156-97, the board of drainage commissioners may issue assessment anticipation notes of the district for an amount not to exceed the assessment levied by the commissioners and approved by the clerk of the superior court, less such amounts as shall have been paid in in cash to the treasurer. It shall be optional with the board of drainage commissioners in issuing assessment anticipation notes to issue serial notes in any denominations bearing not more than fourteen percent (14%) interest from the date of issue, payable semiannually. The first annual installment of principal shall be due not less than one year nor more than two years after date thereof, and each annual installment of principal shall not be less than two percent (2%) nor more than twenty-five percent (25%) of the total amount of notes authorized and issued.

Such assessment anticipation notes, when issued, shall have the same force and effect of bonds issued under the provisions of this Article and shall be collectible in the same manner.

The commissioners may issue either serial notes or an amortized note. (1957, c. 912, s. 2; 1961, c. 601, s. 3; 1963, c. 767, ss. 4, 7; 1985, c. 136, s. 3.)

§ 156-105. Assessment lien; collection; sale of land.

CASE NOTES

Failure to Levy Annual Assessments No Bar to Later Collection. — This section provides that assessments shall be collected "in the same manner and by the same officers as the state and county taxes are collected," and § 105-394(3) provides that "[t]he failure to list, appraise, or assess any property for taxation or to levy any tax within the time prescribed by law" is an immaterial irregularity that does not affect the validity of the assessment; therefore, plaintiff drainage district's failure to levy annual assessments for 1974 and 1983 by the first Monday in September of those years did not bar later collection of the assessments. Northampton County Drainage Dist. No. 1 v. Bailey, 92 N.C. App. 68, 373 S.E.2d 560 (1988), rev'd in part and aff'd in part, 326 N.C. 742, 392 S.E.2d 352 (1990).

§ 156-111. Sheriff to make monthly settlements; penalty.

The sheriff or tax collector shall be required to make settlements with the treasurer on the first day of each month of all collections of drainage assessments for the preceding month, and to pay over to the treasurer the money so collected, for which the treasurer shall execute an appropriate receipt, to the end that the treasurer may have funds in hand to meet the payments of the interest and principal due upon the outstanding bonds as they mature. If any sheriff or tax collector shall fail to comply with the law for the collection of drainage assessments, or in making payments thereof to the treasurer as provided by law, he shall be guilty of a Class 1 misdemeanor and he shall likewise be liable in a civil action for all damages which may accrue either to the board of drainage commissioners or to the holder of the bonds, to either or both of whom a right of action is given. (1911, c. 67, s. 12; 1917, c. 152, s. 9; C.S., s. 5367; 1963, c. 767, s. 4; 1993, c. 539, s. 1076; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1993, c. 539, s. 1076, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

§ 156-112. Duty of treasurer to make payment; penalty.

It shall be the duty of the treasurer, and without any previous order from the board of drainage commissioners, to provide and pay the installments of interest at the time and place as evidenced by the coupons attached to the bonds, and also to pay the annual installments of the principal due on the bonds at the time and place as evidenced by the bonds. The treasurer shall be guilty of a Class 1 misdemeanor if he shall willfully fail to make prompt payments of the interest and principal of the bonds, and he shall likewise be liable in a civil action for all damages which may accrue either to the board of drainage commissioners or to the holder of such bonds, to either or both of whom a right of action is hereby given. (1911, c. 67, s. 12; C.S., s. 5368; 1963, c. 767, s. 4; 1993, c. 539, s. 1077; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1993, c. 539, s. 1077, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

§ 156-114. Conveyance of land; change in assessment roll; procedure.

(a) Status of Land Fixed. — The boundaries of lands as surveyed and mapped, the ownership thereof, and the classification and assessment thereof as appears in the final report and map and upon the assessment roll, shall be and remain as of the time when the district was established and the final report of the board of viewers was approved by the court. No conveyance or devise of land or devolution by inheritance after the petition has been filed or the owner thereof has been served with the original summons, either by personal service or by publication, shall affect the status or liability of such land as a part of such drainage district, except as herein provided.

(b) Conveyance before Final Report. — If the owner of any lands included in such district shall, after the filing of the petition, and after being served with the original summons and before the approval of the final report, convey the whole or any part of such lands, or the title thereto shall be otherwise changed, then and in such event the grantor and grantee or new owner, or either, may file a petition in an ancillary proceeding before the clerk of the superior court setting forth the facts, with a description of the lands conveyed either in part or the entire body of land, together with a description of the land excepted and not conveyed. If the grantor or grantee or new owner, in whole or in part, file such petition, the other not so joining shall be served with notice of same. The clerk may require the petitioner to attach to the petition a map showing the boundaries of the entire body of land as it appears in the record of the proceedings, and also showing the part conveyed. If the ownership of such land has been changed by devise or inheritance, or any joint ownership has been changed by partition, such new owner may file a petition as herein provided. Such petition shall conclude with a prayer that the grantee or new owner be made a party to the proceeding. The court after a hearing may make the grantee or new owner a party to the drainage proceeding and shall certify to the engineer and viewers a description of the land so conveyed or held by the new owner, with directions to verify the boundaries and to classify the land to the same extent as if the grantee was the original party. Any part of such lands not so conveyed shall be and remain a part of the district.

(c) Conveyance after District Established. — After the district shall be established, the lands classified, the final report approved, and the assessment roll filed, no conveyance of any land in the district shall affect or change the existing status or liability of such land as to assessment charges or otherwise, except in the manner herein defined. When the title and ownership of any tract of land embraced in the district have been changed or vested in others by grant, devise, or inheritance, or by partition between joint owners, subsequent to the establishment of the district, the assessment roll may be amended in the following manner: The grantor and grantee, or the new owners, may file a petition with the chairman of the board of drainage commissioners alleging that the ownership of the land has changed, and the manner thereof, in whole or in part. If the whole body of land as appears in the final report or on the assessment roll has changed ownership, a general description consistent with such final report and map shall be sufficient. If the ownership of the body of land has changed only as to part thereof, the petition shall contain a description of the part thereof claimed by the new owners, and the number of acres and the classifications, or the several classes if it be in more than one class, and also a description of that part of the land the title to which remains in the original owner, with the number of acres and with the classification and the several classes if it contains more than one class of land. The petition shall so describe the land and the number of acres in each class as to that part of which the ownership has changed as to maintain the number of acres originally assessed, and the class or classes in which the same has been assessed, and the chairman of the board of drainage commissioners may require the petitioners to have the lands surveyed, and submit a map if the same shall be necessary.

(d) Duty of Chairman of Drainage Commissioners and Clerk. — The chairman of the board of drainage commissioners shall present this petition to the clerk of the superior court at any time thereafter, not later than the first Monday in July following. It shall be the duty of the clerk to examine and verify the facts set forth in the petition, and particularly to determine if the number of acres assessed and the classes thereof against the new owners added to the number of acres and the classes assessed against that part of the land, the title to which has not changed, shall equal the total number of acres and the classes so assessed as appear against such entire body of land in the final report and assessment roll. If the clerk shall be so satisfied, he shall enter an order or decree changing the original assessment roll, or the assessment roll as theretofore amended, by adding the name of the new owner with the number of acres assessed in each class, and by amending the number of acres assessed and the classes thereof against the original owner as appears on the original assessment roll or assessment roll as theretofore amended. It shall be the duty of the clerk after such order to make such changes in the assessment roll. It shall be the duty of the clerk of the superior court in making changes in the original assessment roll from time to time to observe and maintain the total number of acres in each class, to the end that the revenue produced from the annual assessment shall not be thereby diminished. The chairman of the board of drainage commissioners, instead of presenting to the clerk of the court each petition of landowners separately, may combine a number of petitions and present the same to the court at one and the same time. The first Monday in July in each year is hereby set apart as a special day on which petitions for changing the assessment roll may be submitted, at which time the clerk shall hear all petitions not theretofore submitted.

(e) Failure of Chairman of Board to Act. — If the chairman of the board of drainage commissioners shall fail to act when any petition shall be submitted to him as herein provided, or the chairman or any member of the board shall fail to discharge any duty imposed by this section or any other provision of the general drainage law, it is hereby made the duty of the clerk of the superior court, either independently or upon the request of any landowner in the district, to cite such chairman or member to appear before him upon a certain day and show cause why he should not be removed from office, and unless good cause be shown, it shall be the duty of the clerk to remove the chairman or any member of the board of drainage commissioners and to certify his action, to the end that another member may be elected according to law. If the failure of the chairman or any member of the board of drainage commissioners to discharge such duty shall be willful, he shall be guilty of a Class 1 misdemeanor.

(f) When Owner May File Petition with Clerk. — If the grantor and grantee, or all those claiming to have acquired title to any body of land on the assessment roll and whose assessment will be affected, cannot agree upon joinder in a petition to the chairman of the board of drainage commissioners, or if the said chairman fails within a reasonable time to discharge his duty by presenting the petition to the court, then either party interested in the tract of land as it appears on the assessment roll may file a petition with the clerk of the superior court setting forth the facts as to the change in ownership and title of such land, with the description of the entire tract of land and the number of acres in each class, together with a description of that part of the land as to which the ownership has changed, with the number of acres in each class, and pray the court to order that the assessment roll be amended in accordance with the title and interest of the several owners. At the time of filing the petition a summons shall issue to the other parties interested in the tract of land to show cause, on a day certain, why the prayer of the petition should not be granted. Upon the return day the clerk of the court shall hear all the evidence, find the facts, and enter up a judgment directing the appropriate amendment to the assessment roll. It shall be the duty of the clerk to amend the assessment roll in accordance with his judgment.

(g) Effect of Change in Assessment Roll. — No judgment or amendment of the assessment roll shall be valid unless the number of acres and the classes assessed against the original and new owners shall equal the area and classification as contained in the tract of land as it appears on the original assessment roll. This petition may be presented to the court at any time, but the first Monday in July in each year is hereby designated as the day upon which all petitions for amendments to the assessment roll may be submitted. Any amendments to the assessment roll ordered after the last day of August in each year shall not become effective until the first day of September the following year, and the assessment roll as it appears on the first day of September of each year shall constitute the assessment roll to be delivered to the sheriff on the first Monday in September, and he shall collect the drainage assessments as they appear thereon without regard to any changes in title or ownership or any changes in the assessment roll made by the court after the thirty-first day of August. All amendments sought to be made to the assessment roll shall have reference to the assessment roll as it appears at the time the amendment is sought, which shall be either the original assessment roll or as amended; but it shall be the duty of the clerk of the superior court to examine frequently the assessment roll as amended, and before the same shall be further amended, and make certain that the aggregate number of acres in each class as appeared on the original assessment roll shall not be reduced, nor the aggregate annual assessments reduced. Any amendments ordered shall be made on the assessment roll and become due in the following September, and on all subsequent assessment rolls which have not become due or collectible.

(h) Clerk to Prepare New Assessment Rolls. — It shall be the duty of the chairman and the secretary of the board of drainage commissioners of the district to render to the clerk of the court any clerical assistance involved in changes in the assessment rolls, but the primary duty and responsibility in making such amendments shall remain with the clerk of the superior court, and he shall be held liable for any error or omission which may work a loss to the district or the bondholders. If such amendments to the assessment rolls shall make necessary the preparation of new assessment rolls, the clerk of the superior court shall be required to prepare such new assessment rolls with the clerical assistance of the chairman and secretary of the board of drainage commissioners, and such new assessment rolls shall be signed by the chairman and secretary of the board of drainage commissioners and by the clerk of the superior court before delivery to the sheriff or tax collector as required upon the original assessment rolls. The original assessment rolls shall be preserved by the clerk of the court among his records for future reference.

(i) Number of Copies. — In the event it shall be necessary to prepare new assessment rolls, the clerk shall prepare four copies, one copy for the drainage record, another for the sheriff or tax collector, another for the chairman of the board of drainage commissioners, and the other for filing and preserving among the records, and which fourth copy shall never be mutilated or interlined, but shall be preserved in its original form for reference. As to all drainage districts heretofore established, the clerk of the court shall prepare an additional copy of all the original assessment rolls for the several years the lands in such districts are assessed and securely preserve the same, at least until all outstanding bonds of the district shall be paid, to the end that they may always be accessible for reference and comparison. It shall not be necessary hereafter to deliver to the sheriff or tax collector a copy of the assessment roll for the current year in which assessments are due and payable, but the copy provided for him may remain among the records of the clerk of the court for safekeeping and reference by him.

(j) Costs Determined. — As compensation to the clerk of the court for the performance of duties imposed herein, he shall be paid such sum by the board of drainage commissioners of such drainage district as they may deem fair and adequate, and the same is hereby declared a proper charge against said district, but no additional compensation shall be paid to the clerk in those counties where he receives a salary in lieu of fees. Any costs which may accrue in amendments to the assessment rolls shall be adjudged against the parties in interest, in the discretion of the clerk, and such costs shall be paid before the amendment shall become effective. As to all petitions which shall be filed and submitted to the court on the first Monday in July, no costs shall be paid or adjudged against any party in those counties where the clerk and sheriff receive a salary in lieu of fees.

(k) Chairman Represents Board. — As to all petitions filed with the chairman of the board of drainage commissioners, or as to the discharge of any duty by the chairman required of him under the general drainage law, he shall be presumed to act for the board, and the chairman shall do all things necessary to protect and maintain the interests of the drainage district. If the chairman shall be or become a landowner in the drainage district and may desire an amendment to the assessment rolls, he may file his petition before any other member of the board, or file the same directly with the clerk of the superior court.

(*l*) Application of Section. — The provisions of this section shall apply to landowners in districts heretofore established and to drainage proceedings heretofore instituted to the same extent as to drainage proceedings hereafter instituted and established. (1917, c.

152, s. 4; 1919, c. 208, s. 1; C.S., s. 5370; 1993, c. 539, s. 1078; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1993, c. 539, s. 1078, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

Reports of Officers.

§ 156-132. Penalty for failure.

Any board of commissioners of any drainage district in the State, and each of the members thereof, which shall fail or refuse to file the statements or accounts, as provided in G.S. 156-130 and 156- 131, shall be deemed guilty of a Class 1 misdemeanor. (1917, c. 72, s. 3; C.S., s. 5376; 1957, c. 1410, s. 3; 1993, c. 539, s. 1079; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1993, c. 539, s. 1079 which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

§ 156-134. Duties of the auditor.

The auditor for the drainage district will be required to examine the assessment roll and the records and accounts of the sheriff or tax collector as to the assessment roll which went into his hands on the previous first Monday in September and for all previous years as to which the records and accounts of the sheriff or tax collector have not been audited.

The auditor shall for each of such years make a report as to each drainage district, showing the total amount of drainage assessments due for each year, the amount collected by the sheriff up to the fifteenth day of May of the following year, the names of the owners of land, and a brief description of the lands on which the drainage assessments have not been paid, and the total amount of unpaid drainage assessments, with any further data or information which the auditor may regard as pertinent.

If the lands in the district lie in other counties, the auditor for the county in which the district was established shall also examine the records of the sheriff or tax collector for such other counties.

The auditor shall also examine the books of the treasurer for similar years, and he shall report the amount of drainage assessments paid to the treasurer by the sheriff or tax collector for each year, and the amounts paid out by the treasurer during such years, and for what purposes paid. It shall be the duty of the sheriff and treasurer to permit the auditor to examine their official books and records and to furnish all necessary information, and to assist the auditor in the discharge of his duties.

The auditor shall make a report to the board of county commissioners on or before the first Monday in July following his appointment, and he shall deliver a duplicate of such report to the chairman of the board of drainage commissioners of each drainage district established in the county.

If the sheriff has not collected all of the drainage assessments, or has not paid over all collections to the treasurer, or if the treasurer has not made disbursements of the drainage funds as required by law, or has not in his hands the funds not so disbursed by him, it shall be the duty of the auditor to so report, and to prepare two certified copies of his report, one of which shall be delivered to the judge holding a session of superior court in the county following the first Monday in July, and a copy to the district attorney of the prosecutorial district as defined in G.S. 7A-60 in which the county is located, and it shall be the duty of such district attorney to examine carefully such report and to institute such action, civil or criminal, against the sheriff or tax collector or the treasurer, as the facts contained in the report may justify, or as may be required by law. (1917, c. 152, s. 10; C.S., s. 5378; 1963, c. 767, s. 4; 1973, c. 47, s. 2; c. 108, s. 97; 1987 (Reg. Sess., 1988), c. 1037, s. 124.)

Housing Authorities Law.

§ 157-5. Appointment, qualifications and tenure of commissioners.

An authority shall consist of not less than five nor more than nine commissioners appointed by the mayor and he shall designate the first chairman. No commissioner may be a city official. Notwithstanding G.S. 157-7, 14-234, or any other provision of law, no person shall be barred from serving as a commissioner of any housing authority created under this Chapter because such person is a tenant of the authority or a recipient of housing assistance through any program operated by the authority; provided, that no such commissioner shall be qualified to vote on matters affecting his official conduct or matters affecting his own individual tenancy, as distinguished from matters affecting tenants in general; and further provided, that no more than one third of the members of any housing authority commission shall be tenants of the authority or recipients of housing assistance through any program operated by the authority. Avery, Beaufort, Bertie, Burke, Caldwell, Camden, Cherokee, Chowan, Clay, Cleveland, Currituck, Dare, Duplin, Edgecombe, Franklin, Gates, Graham, Halifax, Haywood, Henderson, Hertford, Hoke, Hyde, Jackson, Jones, Lenoir, Macon, Martin, Nash, Northampton, Onslow, Pasquotank, Perquimans, Pitt, Polk, Robeson, Rowan, Swain, Transylvania, Tyrrell, Vance, Warren, Washington, Watauga, Wilkes, Wilson and Yadkin Counties are exempted from any provision of law allowing a person who is a tenant of the authority to serve as a commissioner of a housing authority. The council may at any time by resolution or ordinance increase or decrease the membership of an authority, within the limitations herein prescribed.

The mayor shall designate overlapping terms of not less than one nor more than five years for the commissioners first appointed. Thereafter, the term of office shall be five years. A commissioner shall hold office until his successor has been appointed and has qualified. Vacancies shall be filled for the unexpired term. A majority of the commissioners shall constitute a quorum. The mayor shall file with the city clerk a certificate of the appointment or reappointment of any commissioner and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A commissioner shall receive no compensation for his services but he shall be entitled to the necessary expenses including traveling expenses incurred in the discharge of his duties.

When the office of the first chairman of the authority becomes vacant, the authority shall select a chairman from among its members. An authority shall select from among its members a vice-chairman, and it may employ a secretary (who shall be executive director), technical experts and such other officers, agents and employees, permanent and temporary, as it may require, and shall determine their qualifications, duties and compensation. An authority may call upon the corporation counsel or chief law officer of the city for such legal services as it may require or it may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper. (1935, c. 456, s. 5; 1971, c. 362, ss. 2-5; 1981, c. 864.)

§ 157-9. Powers of authority.

(a) An authority shall constitute a public body and a body corporate and politic, exercising public powers, and having all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this Article, including the following powers in addition to others herein granted:

To investigate into living, dwelling and housing conditions and into the means and methods of improving such conditions; to determine where unsafe, or insanitary dwelling or housing conditions exist; to study and make recommendations concerning the plan of any city or municipality located within its boundaries in relation to the problem of clearing, replanning and reconstruction of areas in which unsafe or insanitary dwelling or housing conditions exist, and the providing of dwelling accommodations for persons of low income, and to cooperate with any city municipal or regional planning agency; § 157-26. Tax exemptions.

An authority is a local government agency and is exempt from taxation to the same extent as a unit of local government. Property owned by an authority is exempt from taxation in accordance with Article V, § 2 of the North Carolina Constitution. Bonds and other obligations issued by an authority or its corporate agent authorized by this Article to exercise its powers are declared to be issued for a public purpose and to be public instrumentalities. These obligations are exempt from all State, county, and municipal taxation or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, excluding inheritance and gift taxes, income taxes on the gain from the transfer of the obligations, and franchise taxes. The interest on the obligations is not subject to taxation as income. (1935, c. 456, s. 26; 1953, c. 907; 1973, c. 695, s. 7; 1977, c. 784, s. 5; 1995, c. 46, s. 17.)

Effect of Amendments. — The 1995 amendment, effective July 1, 1995 and applicable to obligations issued on or after that date, rewrote this section.

§ 157-29. Rentals and tenant selections.

(a) It is hereby declared to be the policy of this State that each housing authority shall manage and operate its housing projects in an efficient manner so as to enable it to fix the cost of dwelling accommodations for persons of low income at the lowest possible rates consistent with its providing decent, safe, and sanitary dwelling accommodations. No housing authority may construct or operate its housing projects so as to provide revenues for other activities of the city.

(b) In the operation or management of housing projects, or portions of projects, for persons of low income, an authority shall at all times observe the following duties with respect to rentals and tenant selection:

(1) It may rent or lease dwelling accommodations set aside for persons of low income only to persons who lack the amount of income which is necessary (as determined by the housing authority undertaking the project) to enable them, without financial assistance, to live in decent, safe, and sanitary dwellings, without overcrowding; and

(2) It may rent or lease dwelling accommodations to persons of low income only at rentals within the financial reach of such persons.

(c) An authority may terminate or refuse to renew a rental agreement for a serious or repeated violation of a material term of the rental agreement such as (i) failure to make payments due under the rental agreement, if such payments were properly and promptly calculated according to applicable HUD regulation, whether or not such failure was the fault of the tenant, (ii) failure to fulfill the tenant obligations set forth in 24 C.F.R. Section 966.4(f) or other applicable provisions of federal law as they may be amended from time to time, or (iii) other good cause. Except in the case of failure to make payments due under a rental agreement, fault on the part of a tenant may be considered in determining whether good cause exists to terminate a rental agreement.

(d) The receipt or acceptance of rent by an authority, with or without knowledge of a prior default or failure by the tenant under a rental agreement, shall not constitute a waiver of that default or failure unless (i) the authority expressly agrees to such waiver in writing, or (ii) within 120 days after obtaining knowledge of the default or failure, the authority fails either to notify the tenant that a violation of the rental agreement has occurred or to exercise one of the authority's remedies for such violation. (1939, c. 150; 1985, c. 741, s. 2; 1987, c. 464, s. 5; 1989, c. 272; 1995, c. 520, s. 1.)

Editor's Note. — Session Laws 1995, c. 520, s. 3, provides that the amendment by s. 1 of that act, which amended this section by adding subsection (d), shall not be construed to imply that the acceptance of rent prior to August 1, 1995, constituted a waiver of default or failure.

Effect of Amendments. — The 1995 amendment, effective August 1, 1995, and applicable to rent received or accepted on or after that date, added subsection (d).

CASE NOTES

Constitutionality — This section does not violate the public purpose clause of the North Carolina Constitution. Maready v. City of Winston-Salem, 342 N.C. 708, 467 S.E.2d 615 (1996).

Under the expanded understanding of public purpose, even the most innovative activities this section permits are constitutional so long as they primarily benefit the public and not a private party. Maready v. City of Winston-Salem, 342 N.C. 708, 467 S.E.2d 615 (1996).

Public Purpose. — An expenditure does not lose its public purpose merely because it involves a private actor; if an act will promote the welfare of a state or local government and its citizens, it is for a public purpose. Maready v. City of Winston-Salem, 342 N.C. 708, 467 S.E.2d 615 (1996).

Promotion of General Economic Welfare. — Sections 158-8 through 158-15, 160A-209(c), and 153A-149(c) clearly indicate that this section is a part of a comprehensive scheme of legislation dealing with economic development whereby the General Assembly is attempting to authorize exercise of the power of taxation for the perceived public purpose of promoting the general economic welfare of the citizens of North Carolina. Maready v. City of Winston-Salem, 342 N.C. 708, 467 S.E.2d 615 (1996).

Permissible Governmental Action. — The activities this section authorizes are in keeping with those accepted as within the scope of permissible governmental action. Maready v. City of Winston-Salem, 342 N.C. 708, 467 S.E.2d 615 (1996).

Session Laws 1995, c. 507, s. 28.12 is a severability clause.

Session Laws 1995, c. 507, s. 25.5(b), provides: "The Department of Commerce shall allocate Cleveland County's pro rata share of economic development funds appropriated to the Department pursuant to Section 25.4 of Chapter 324 of the 1995 Session Laws to the Carolinas Partnership, Inc., Economic Development Commission, of which Cleveland County has been and is currently a dues-paying member."

ARTICLE 4.

Global TransPark Development Zone.

§ 158-42. Temporary Zone vehicle registration tax.

(a) Levy. — The Commission may, by resolution, after not less than 10 days' public notice and a public hearing, levy an annual registration tax of five dollars ($5.00) on motor vehicles with a tax situs within the Zone. A tax levied under this section is in addition to any other motor vehicle license or registration tax.

The tax applies to vehicles required to pay a tax under G.S. 20-88, except trailers, and G.S. 20-87(1), (2), (4), (5), (6), and (7). The tax situs of a motor vehicle for the purpose of this section is its ad valorem tax situs. If the vehicle is not subject to ad valorem tax, its tax situs for the purpose of this section is the ad valorem tax situs it would have if it were subject to ad valorem tax.

(b) Effective Date; Expiration. — The effective date of a tax levied under this section shall be no earlier than July 1, 1994. The effective date of a tax levied under this section must be the first day of a calendar month set by the Commission in the resolution levying the tax, and shall be no earlier than the first day of the third calendar month after the adoption of the resolution.

The authority of the Zone to levy a tax under this section expires five years after the effective date of the first tax levied under this section. A tax levied under this section expires when the Zone's authority to levy the tax expires. The expiration of the tax does not affect the rights or liabilities of the Zone, a taxpayer, or another person arising under this section before the expiration of the tax; nor does it affect the right to any refund or credit of a tax that would otherwise have been available under this section before the expiration of the tax.

(c) Repeal of Tax. — The Commission may, by resolution, repeal a tax levied under this section. The effective date of the repeal must be the first day of a calendar month set by the Commission in the resolution repealing the tax, and shall be no earlier than the first day of the third calendar month after the adoption of the resolution. Repeal of the tax does not affect the date the Zone's authority to levy the tax expires under subsection (b) of this section. Repeal of the tax does not affect the rights or liabilities of the Zone, a taxpayer, or another person arising under this section before the effective date of the repeal; nor does it affect the right to any refund or credit of a tax that would otherwise have been available under this section before the effective date of the repeal.

(d) Administration. — The Division of Motor Vehicles of the Department of Transportation shall collect and administer a tax levied under this section. Immediately after adopting a resolution levying or repealing a tax under this section, the Commission shall deliver a certified copy of the resolution to the Division of Motor Vehicles. If the Secretary of State issues an amended certificate of incorporation adding a county to the Zone pursuant to G.S. 158-33.1, the Commission shall deliver a certified copy of the amended certificate immediately to the Division of Motor Vehicles. If the Commission receives a resolution from a county withdrawing from the Zone pursuant to G.S. 158-41, the Commission shall deliver a certified copy of the resolution immediately to the Division of Motor Vehicles.

A tax levied under this section is due at the same time and subject to the same restrictions as the tax levied in G.S. 20-87 and G.S. 20-88. The tax shall be prorated in accordance with G.S. 20-95. The Commissioner of Motor Vehicles may adopt rules necessary to administer the tax.

(e) Distribution of Tax Proceeds. — The Commissioner of Motor Vehicles shall credit the proceeds of the tax levied under this section to a special account and distribute the net proceeds on a quarterly basis to the Zone. Interest on the special account shall be credited quarterly to the Highway Fund to reimburse the Division of Motor Vehicles for the cost of collecting and administering the tax. The Commissioner of Motor Vehicles shall provide the Zone with an accounting of the percentage of proceeds collected in each county of the Zone in each quarter.

(f) Use of Tax Proceeds. — The Zone may use the proceeds of the tax levied under this section only for economic development projects and infrastructure construction projects that are within the territorial jurisdiction of the Zone but not within the Global TransPark Complex. The Zone shall use the tax proceeds only for public purposes authorized by this Article.

The Zone shall place fifteen percent (15%) of the tax proceeds distributed to it under this section in a general funds account and the remaining eighty-five percent (85%) in an interest-bearing trust account. Each county shall be the beneficial owner of a share of the principal of the trust account in proportion to the amount of tax proceeds collected in that county.

The Zone may not disburse the principal of the trust account except pursuant to a contract that provides that, within a reasonable time not to exceed 20 years, the Zone will recover or be repaid the amount disbursed. The Zone may, in its discretion, set reasonable terms and conditions for the repayment of the principal disbursed, including provisions for securing the debt and the payment of interest. (1993, c. 544, s. 1; 1993 (Reg. Sess., 1994), c. 751, s. 3; c. 761, s. 33; 1995, c. 465, s. 1.)

Effect of Amendments. — The 1995 amendment, effective October 1, 1995, added "except trailers" in the first sentence of the second paragraph of subsection (a).

Chapter 159D.

The North Carolina Industrial and Pollution Control Facilities Pool Program Financing Act.

Sec.
159D-4. Creation of the authority.
159D-7. Approval of project.
159D-8. Approval of bonds.
159D-10. Location of projects.

§ 159D-4. Creation of the authority.

(a) The governing bodies of two or more counties are hereby authorized to create by resolution a political subdivision and body corporate and politic of the State known as "The North Carolina Industrial Facilities and Pollution Control Financing Authority", in order to effectuate in the most economical manner the acquisition, construction and financing of projects through pool programs.

If each governing body shall determine that it is in the best interest of the county to cause to be created and to become a member of the authority, each governing body shall adopt a resolution so finding and setting forth the names of the counties which are proposed to be initial members of the authority. The governing body of the county shall thereupon by ordinance or resolution appoint one commissioner of the authority.

Any two or more commissioners so named may file with the Secretary of State an application signed by them setting forth (i) the names of all the proposed member counties; (ii) the name and official residence of each of the commissioners so far as known to them; (iii) a certified copy of the appointment evidencing their right to office; (iv) a statement that each governing body of each respective county appointing a commissioner has made the aforesaid determination; and (v) the desire that an authority be organized as a political subdivision and a body corporate and politic under this Chapter.

The application shall be subscribed and sworn to by such commissioners before an officer or officers authorized by the laws of the State to administer and certify oaths.

The Secretary of State shall examine the application and, if he finds that the name proposed for the authority is not identical with that of any other corporation of this State or of any agency or instrumentality thereof, or so nearly similar as to lead to confusion and uncertainty, he shall receive and file it and shall record it in an appropriate book of record in his office.

When the application has been made, filed and recorded as herein provided, the authority shall constitute a political subdivision and a body corporate and politic under the name proposed in the application. The Secretary of State shall make and issue to the commissioners executing the application a certificate of incorporation pursuant to this Chapter under the seal of the State, and shall record the same with the application. The certificate shall set forth the names of the member counties.

In any suit, action or proceeding involving the validity or enforcement of, or relating to, any contract of the authority, the authority, in the absence of establishing fraud in the premises, shall be conclusively deemed to have been established in accordance with the provisions of this Chapter upon proof of the issuance of the aforesaid certificate by the Secretary of State. A copy of such certificate, duly certified by the Secretary of State, shall be admissible in evidence in any such suit, action or proceeding, and shall be conclusive proof of the filing and contents thereof.

Notice of the issuance of such certificate shall be given to all of the proposed member counties by the Secretary of State. If a commissioner of any such county has not signed the application to the Secretary of State and such county does not notify the Secretary of State of the appointment of a commissioner within 40 days after receipt of such notice, such county shall be deemed to have elected not to be a member of the authority. As soon as practicable after the expiration of such 40-day period, the Secretary of State shall issue a new certificate of incorporation, if necessary, setting forth the names of those counties which have elected to become members of the authority. The failure of any proposed member to become a member shall not affect the validity of the corporate existence of the authority.

(b) After the creation of the authority, any county may become a member thereof upon application to the authority after adoption of a resolution or ordinance by the governing body of the county setting forth the determination and finding prescribed in paragraph (a) of this G.S. 159D-4, and authorizing said county to participate. Any county may withdraw from membership in the authority, provided, however, that all contractual rights acquired and obligations incurred while a county was a member shall remain in full force and effect.

(c) The authority shall consist of a board of commissioners appointed by the respective governing bodies of the counties which are members of the authority. Each commissioner shall have one vote. Each commissioner shall serve at the pleasure of the governing body by which he was appointed. Each appointed commissioner before entering upon his duties shall take and subscribe to an oath before some person authorized by law to administer oaths to execute the duties of his office faithfully and impartially, and a record of such oath shall be filed with the governing body of the appointing municipality and spread upon its minutes.

(d) The board of commissioners of the authority shall annually elect from its membership a chairman and a vice-chairman and another person or persons, who may but need not be commissioners, as treasurer, secretary and, if desired, assistant secretary. The position of secretary and treasurer or assistant secretary and treasurer may be held by the same person. The secretary of the authority shall keep a record of the proceedings of the authority and shall be the custodian of all books, documents and papers filed with the authority, the minute book or journal of the authority and its official seal. Either the secretary or the assistant secretary of the authority may cause copies to be made of all minutes and other records and documents of the authority and may give certificates under the official seal of the authority to the effect that such copies are true copies, and all persons dealing with the authority may rely upon such certificates.

(e) A majority of the commissioners of the authority then in office shall constitute a quorum. Except as provided in subsection (f) of this G.S. 159D-4, the affirmative vote of a majority of all the commissioners of the authority shall be necessary for any action of the board. A vacancy in the board of commissioners of the authority shall not impair the right of a quorum to exercise all the rights and perform all the duties of the authority. Any action taken by the authority under the provisions of this Chapter may be authorized by resolution at any regular or special meeting, and each resolution shall take effect immediately and need not be published or posted. No bonds shall be issued under the provisions of this Chapter unless the issuance thereof shall have been approved by the governing body of the county in which the project with respect to which the bonds were issued is located.

(f) If at any time there shall be more than seven counties which are members of the authority, the board of commissioners of the authority may create an executive committee of the board of commissioners. The board may provide for the composition of the executive committee so as to afford, in its judgment, fair representation of the member counties. Any power of the authority under the provisions of this Chapter may be exercised by the executive committee of the authority between meetings of the authority, except that the executive committee may not overrule, reverse or disregard any action of the board of commissioners of the authority. The membership of the executive committee, terms of office of members thereof and the method of filling vacancies therein shall be fixed by the rules or bylaws of the board of commissioners.

(g) No commissioner of an authority shall receive any compensation for the performance of his duties under this Chapter; provided, however, that each commissioner shall be reimbursed for his necessary expenses incurred while engaged in the performance of duties but only from moneys provided by obligors.

(h) Within 30 days of the date of creation of the authority, the authority shall advise the Department of Commerce and the Local Government Commission that an authority has been formed. The authority shall also furnish such Department and such Commission with (i) a list of its commissioners and its officers and (ii) a description of any projects that are under consideration by the authority. The authority shall, from time to time, notify the Department of Commerce and the Local Government Commission of changes in the commissioners and officers, of counties which have become members of the authority and of new projects under consideration by the authority. (1977, 2nd Sess., c. 1198, s. 1; 1987, c. 517, s. 5; 1989, c. 751, s. 7(50); 1991 (Reg. Sess., 1992), c. 959, s. 81.)

§ 159D-7. Approval of project.

No bonds may be issued by the authority unless the project for which the issuance thereof is proposed is first approved by the Secretary of Commerce. The authority shall file an application for approval of its proposed project with the Secretary of Commerce, and shall notify the Local Government Commission of such filing.

The Secretary shall not approve any proposed project unless he shall make all of the following, applicable findings:

(1) In the case of a proposed industrial project,

  a. That the operator of the proposed project pays, or has agreed to pay thereafter, an average weekly manufacturing wage (i) which is above the average weekly manufacturing wage paid in the county in which the project is to be located or (ii) which is not less than ten percent (10%) above the average weekly manufacturing wage paid in the State; and

b. That the proposed project will not have a materially adverse effect on the environment;

(2) In the case of a proposed pollution control project, that such project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur; and

(2a) In the case of a hazardous waste facility or low-level radioactive waste facility which is used as a reduction, recovery or recycling facility, that such project will further the waste management goals of North Carolina and will not have an adverse effect upon public health or a significant adverse effect on the environment; and

(3) In any case (whether the proposed project is an industrial or a pollution control project),

a. That the jobs to be generated or saved, directly or indirectly, by the proposed project will be large enough in number to have a measurable impact on the area immediately surrounding the proposed project and will be commensurate with the size and cost of the proposed project,

b. That the proposed operator of the proposed project has demonstrated or can demonstrate the capability to operate such project, and

c. That the financing of such project by the authority will not cause or result in the abandonment of an existing industrial or manufacturing facility of the proposed operator or an affiliate elsewhere within the State unless the facility is to be abandoned because of obsolescence, lack of available labor in the area, or site limitations.

In no case shall the Secretary of Commerce make the findings required by subdivisions (1)b and (2) of this section unless he shall have first received a certification from the Department of Environment, Health, and Natural Resources that, in the case of a proposed industrial project, the proposed project will not have a materially adverse effect on the environment and that, in the case of a proposed pollution control project, the proposed project will have a materially favorable impact on the environment or will prevent or diminish materially the impact of pollution which would otherwise occur. In no case shall the Secretary of Commerce make the findings required by subdivision (2a) unless he shall have first received a certification from the Department of Environment, Health, and Natural Resources that the proposed project is environmentally sound, will not have an adverse effect on public health and will further the waste management goals of North Carolina. In any case where the Secretary shall make all of the required findings respecting a proposed industrial project, except that prescribed in subdivision (1)a of this section, the Secretary may, in his discretion, approve the proposed project if he shall have received (i) a resolution of the governing body of the county in which the proposed project is to be located requesting that the proposed project be approved notwithstanding that the operator will not pay an average weekly manufacturing wage above the average weekly manufacturing wage in the county and (ii) a letter from an appropriate State official, selected by the Secretary, to the effect that unemployment in the county is especially severe.

To facilitate his review of each proposed project, the Secretary may require the authority to obtain and submit such data and information about such project as the Secretary may prescribe. In addition, the Secretary may, in his discretion, request the authority to hold a public hearing on the proposed project for the purpose of providing the Secretary directly with the views of the community to be affected. The Secretary may also prescribe such forms and such rules and regulations as he shall deem reasonably necessary to implement the provisions of this section.

If the Secretary approves the proposed project, he shall prepare a certificate of approval evidencing such approval and setting forth his findings and shall cause said certificate of approval to be published in a newspaper of general circulation within the county in which the proposed project is to be located. Any such approval shall be reviewable as provided in Article 4 of Chapter 150B of the General Statutes of North Carolina only by an action filed, within 30 days after notice of such findings and approval shall have been so published, in the Superior Court of Wake County. Such superior court is hereby vested with jurisdiction to hear such action, but if no such action is filed within the 30 days herein prescribed, the validity of such approval shall be conclusively presumed, and no court shall have authority to inquire into such approval. Copies of the certificate of approval of the proposed project will be given to the authority, the governing body of the county in which the proposed project is to be located and the secretary of the Local Government Commission.

Such certificate of approval shall become effective immediately following the expiration of such 30-day period or the expiration of any appeal period after a final determination by any court of any action timely filed pursuant to this section. Such certificate shall expire one year after its date unless extended by the Secretary who shall not extend such certificate unless he shall again approve the proposed project as provided in this section. Any certificate of approval with respect to a project which has become effective pursuant to G.S. 159C-7 shall be deemed to satisfy the requirements of this section to the extent that the findings made by the Secretary pursuant to G.S. 159C-7 are consistent with the findings required to be made by the Secretary pursuant hereto. (1977, 2nd Sess., c. 1198, s. 1; 1987, c. 517, s. 6; c. 827, s. 1; 1989, c. 727, ss. 218(162), 219(39); c. 751, s. 8(30); 1991 (Reg. Sess., 1992), c. 959, s. 82.)

Editor's Note. — Session Laws 1989, c. 751, s. 7(51), effective July 1, 1989, directed the substitution of "Department of Economic and Community Development" for "Department of Commerce," in this section. However, references to the Department of Economic and Community Development only occurred in this section in conjunction with reference to the Secretary thereof, and were amended by Session Laws 1989, c. 751, s. 8(30).

§ 159D-8. Approval of bonds.

No bonds may be issued by the authority unless the issuance thereof is first approved by the Local Government Commission.

The authority shall file an application for approval of its proposed bond issue with the secretary of the Local Government Commission, and shall notify the Secretary of the Department of Commerce of such filing.

In determining whether a proposed bond issue should be approved, the Local Government Commission may consider, without limitation, the following:

(1) Whether the proposed operator and obligor have demonstrated or can demonstrate the financial responsibility and capability to fulfill their obligations with respect to the financing agreement. In making such determination, the commission may consider the operator's experience and the obligor's ratio of current assets to current liabilities, net worth, earnings trends and coverage of fixed charges, the nature of the industry or business involved and its stability and any additional security such as insurance, guaranties or property to be pledged or secure such bonds.

(2) Whether the political subdivisions in or near which the proposed project is to be located have the ability to cope satisfactorily with the impact of such project and to provide, or cause to be provided, the public facilities and services, including utilities, that will be necessary for such project and on account of any increase in population which are expected to result therefrom.

(3) Whether the proposed date and manner of sale will have an adverse effect upon any scheduled or anticipated sale of obligations by the State or any political subdivision or any agency of either of them.

To facilitate the review of the proposed bond issue by the commission, the Secretary may require the authority to obtain and submit such financial data and information about the proposed bond issue and the security therefor, including the proposed prospectus or offering circular, the proposed financing agreement and security document and annual and other financial reports and statements of the obligor, as the Secretary may prescribe. The Secretary may also prescribe such forms and such rules and regulations as he shall deem reasonably necessary to implement the provisions of this section. (1977, 2nd Sess., c. 1198, s. 1; 1989, c. 751, s. 7(52); 1991 (Reg. Sess., 1992), c. 959, s. 83.)

§ 159D-10. Location of projects.

Except as provided in this section, any project of the authority shall be located within the boundaries of a county which is a member of the authority. A portion or portions of any project including, but not limited to, any real or personal property or improvements necessary or convenient for the construction, maintenance, and operation of the project, may be located in a county or counties other than the county in which the principal part of the project is located so long as the additional portion or portions constitute functionally appurtenant or incidental facilities and the governing body of each other county in which the additional portion or portions of the project is or are located approves the project. (1977, 2nd Sess., c. 1198, s. 1; 1993, c. 130, s. 2.)
